Contra Toda Condena La Justificación:

Contra toda condena Elsa Tamez, 1991, Latinx Perspectives on the New Testament Leticia A. Guardiola-Sáenz, Osvaldo D. Vena, 2022-03-17 Going against the false perception that all Latinx views on the Bible are homogeneous the contributors in this book use different hermeneutic perspectives to interpret the New Testament Each chapter examines one of the twenty seven documents thematically instead of following the traditional verse by verse commentary format Justificación N.T. Wright, 2020-08-25 En lo que se conoce como la nueva perspectiva de Pablo Wright ha propuesto una visión del mensaje central del apóstol que hace plena justicia a todas las cartas paulinas En particular se enfoca en la naturaleza centrada en Dios del evangelio de Pablo argumentando que las lecturas tradicionales de sus epístolas pueden sugerir que el mensaje del apóstol es simplemente sobre nosotros nuestro pecado nuestra justificación nuestra salvación Justificación el plan de Dios y la visión de Pablo de alcance ambicioso aunque argumentado de cerca sugiere que esta comprensión crucial de la teología de San Pablo y por lo tanto del evangelio de Cristo se necesita urgentemente a medida que la Iglesia enfrenta las tareas de la misión en un mundo peligroso Pocos temas son más importantes para la fe cristiana que la naturaleza el alcance y los medios de salvación Muchos han pensado que es en gran parte una transacción que lleva a uno al cielo En este fascinante libro N T Wright explica que la salvación de Dios es radicalmente más que esto A Liberation Theology of the Brain Carmelo Santos-Rolón, 2025-06-10 Drawing on experiences from the lab the local congregation the immigrant rights movement the university classroom the global church and brain science this book invites readers to discover the transformative possibilities that arise when we recognize that the insights of science and theology can complement and transform each other Brain science and theology can be powerful partners in God's work of liberating all of us from the internalized structures of oppression that colonize imaginations imprison emotions subjugate bodies and fracture societies Trained as a scientist a pastor and a theologian Carmelo Santos Rolón brings together insights from various fields in neuroscience and the cognitive sciences such as the neuroscience of religious experience the neuroscience of emotions the cognitive science of religion and the neuroscience of decision making with data from liberation postcolonial decolonial and Lutheran ecumenical theologies to analyze the spiritual experience of holistic liberation The result is a theological framework informed by science that allows us to appreciate how the Spirit of God is at work in with and under neurons bodies and communities in all their beautiful messiness and complexity In the tradition of liberation theologies which insist that action and reflection belong together and must inform each other this book aims at a theology with dirty hands and worn out shoes It is meant for a people who are not just intellectually curious about who God is and how religion affects our brains but who are eager to join in God's work of bringing healing and hope to a wounded world Theology and neuroscience together allow us to witness how the Spirit of God is at work deep inside the nooks and crannies of our brains in the chemistry of our nervous systems in the emotions that orient our actions and in the communities that shape our identities Through tangible

Batten, 2017 This volume takes a closer look at three New Testament letters In the analysis of Philippians Elsa Tamez endeavors to utilize non patriarchal inclusive language which helps us to see the contents of the letter with different eyes And finally taking into account historical structural and rhetorical dimensions of Philemon Inside cover Cuban Feminist Theology Ofelia Ortega, 2022-02-28 Cuban Feminist Theology Visions and Praxis offers rare and much needed insights in essays that span the entirety of Cuban theologian Ofelia Miriam Ortega's career The chapters address the social economic and political realities in Cuba the Caribbean and Latin America as the contexts of Cuban feminist theology the challenges of ecumenism the urgency of feminist and liberationist theologies amongst patriarchal and oppressive systems throughout the world and the importance of theological education

The Subversive Gospel Tom Hanks, 2009-01-19 What do the New Testament writers actually teach about 1 the poor 2 women and 3 sexual minorities Why do traditional commentaries and introductions so often ignore or treat superficially such burning questions churches grapple with today Must we seek out specialized monographs to get adequate information and satisfactory answers in each area At last in a single volume Tom Hanks brings together the fruit of decades of study examining each New Testament book in each of these three crucial areas which often overlap in human experience Latin American male liberation theologians often forget that the option for the poor may involve solidarity with a lesbian of color who wants to be ordained Building on his pioneering study on oppression and poverty in Biblical theology Orbis 1984 Wipf 2000 and his Anchor Bible Dictionary article on Poverty in the New Testament which the New York Times review commended for its balance Hanks analyzes the teaching of each New Testament book regarding the main cause of poverty oppression and the variety of liberating Christian responses Feminist and womanist studies are mined to highlight the presence absence and role leadership of women in each New Testament book The remarkable absence of modern notions of family and family values in the New Testament books is emphasized along with the prominence of sexual minorities as authors and subjects of the New Testament books L William Countryman comments regarding the poor women and sexual minorities Tom Hanks has brought these issues to the exegesis of the New Testament in a sustained and orderly fashion He demonstrates beyond question that most of the New Testament authors were not interested in maintaining the household structures of the ancient Mediterranean and that indeed most of the individuals presented in the New Testament documents would not have seemed to be models of family values either in their time or today The works of Hanks and Theodore W Jennings with their detailed and careful argumentation show that excellent work is being done in this vein However surprising their conclusions may be to casual readers or offensive to readers protecting what they conceive as orthodoxy they are in fact deeply grounded in attentive scholarly work Dirt Greed Sex Minneapolis Fortress 2007 p 251 252 **Gender and Theology** Elaine

Wahlen Wilson Borba Flavio da Silva de Souza Marcelo Dias Wellington Dos Santos Silva Julio Lea Dinis Mona Las mujeres en el movimiento de Jesús Elsa Tamez, 2020-02-25 Un texto desafiante que recupera la memoria ancestral de aquellas mujeres que han trastocado y signado el accionar simbólico del movimiento de Jesús Elsa Tamez nos presenta esta obra que no pierde vigencia en una edición revisada y aumentada para estos tiempos donde la teóloga feminista está cargada de urgencias y sororidad ante la realidad de miles de mujeres en vulnerabilidad. Cualquier semejanza con la actualidad NO ES pura coincidencia. En momentos en que la polémica sobre la discriminación hacia la mujer, los femicidios y el odio de un patriarcado hostil y en decadencia parece saltar las tapias de las iglesias y llegar hasta las propias Sagradas Escrituras, la teóloga mexicana Elsa Tamez presenta una invitación para conocer de una manera más íntima y desprejuiciada a las mujeres que siguieron a Jesús. Mujeres que amaron y desafiaron una poca. Mujeres anónimas que lucharon y resistieron. Mujeres que fueron discípulas y maestras. Las mujeres en el movimiento de Jesús es una nueva edición revisada y aumentada de un documentado estudio bíblico y de teóloga feminista que tiene la particularidad de estar narrado con asombrosos giros poéticos en primera persona por Lidia una líder cuyo actuar aparece en el libro bíblico de Hechos y que ahora nos da el punto de vista feminista de bellas historias jamás contadas de tal manera hasta ahora. El libro también está concebido como una herramienta para motivar a las mujeres de la iglesia de hoy a repensar sus vidas en relación con su entorno.
