

The Annual Bibliography of Art Librarianship has, since its first appearance in *Art Libraries Journal* vol. 16 no. 4 1991, continued the 'Professional Literature Update' column which for several years appeared regularly in the *IFLA Section of Art Libraries Newsletter*.

The Annual Bibliography aims to provide readers with as comprehensive a survey as possible. Its primary purpose is to make known significant writings on art librarianship and record important developments in art libraries, wherever and in whatever language they appear. Ephemeral or marginal material is not included. Languages are indicated for the items cited where they are not those (English, French, German, Spanish) in which the *Art Libraries Journal* regularly publishes articles. So far as visual resources are concerned, no attempt is made to rival the admirable bibliography published annually in *Visual Resources*, nor the *BiblioLinks* column in *Multimedia Information & Technology*.

The compiler of the Annual Bibliography depends on the willingness of individuals and of professional associations around the world to supply information and copies of publications. Please send these to the Editor of *Art Libraries Journal*, Gillian Varley, 28 Fieldend, Twickenham TW1 4TF, UK (email: g.varley@arlis2.demon.co.uk).
