Ranging from masterful social critiques to whimsical sketches, these narratives reflect Dickens's ability to blend humor with poignant observations of Victorian society. His distinctive style, characterized by vivid characterizations and intricate plots, captures the complexities of human nature and the stark realities of his time. The inclusion of illustrations further enriches the reading experience, bringing to life the vibrant world Dickens inhabited. This anthology is a must-read for anyone interested in the evolution of short fiction and the social fabric of Dickens's time. It serves both as a timeless collection for devoted fans and an accessible entry point for new readers seeking to appreciate the intricate craftsmanship of one of literature's greatest figures. British Short Fiction in the Early Nineteenth Century Tim Killick, 2016-05-23 In spite of the importance of the idea of the tale within Romantic-era literature, short fiction of the period has received little attention from critics. Contextualizing British short fiction within the broader framework of early nineteenth-century print culture, Tim Killick argues that authors and publishers sought to present short fiction in book-length volumes as a way of competing with the novel as a legitimate and prestigious genre. Beginning with an overview of the development of short fiction through the late eighteenth century and analysis of the publishing conditions for the genre, including its appearance in magazines and annuals, Killick shows how Washington Irving's hugely popular collections set the stage for British writers. Subsequent chapters consider the stories and sketches of writers

as diverse as Mary Russell Mitford and James Hogg as well as didactic short fiction by authors such as Hannah More Maria Edgeworth and Amelia Opie His book makes a convincing case for the evolution of short fiction into a self conscious intentionally modern form with its own techniques and imperatives separate from those of the novel Cornwall in Short Kate Horsley,P T McAllister,2024-11-29 An anthology of short fiction by Cornwall s most exciting contemporary writers
