Corporate Legends and Lore, *Corporate Culture and the Quality Organization* James W. Fairfield-Sonn, 2000-11-30 Most quality management programs focus on the tools that can be employed to improve quality but the long term results of these efforts have been mixed The only way to ensure that quality improvement will have lasting consequences for a firm is to change the corporate culture Having the appropriate level of technical knowledge to address quality problems is a necessary but not sufficient condition for realizing the hoped for improvement Only when the entire culture of the corporation starting with a visionary leader and senior management is receptive to the adoption of new tools will any substantial progress be made Fairfield Sonn a management consultant and professor of management argues that success in this endeavor depends not only on mastering the components of a quality corporate culture but on understanding how to put those components together He describes not only what must be done to establish a quality culture but how to stage a rollout of a quality program to enhance the likelihood of the effort s long term success Four in depth case studies Fidelity Investments General Electric Torrington Supply Company and Connecticut Renaissance are presented for illustration and instruction by way of example Geared toward executives and consultants as well as those teaching courses in production and operations management process management total quality management and corporate culture

Storytelling in Organizations Laurence Prusak, Katalina Groh, Stephen Denning, John Seely Brown, 2012-06-14 This book is the story of how four busy executives from different backgrounds and different perspectives were surprised to find themselves converging on the idea of narrative as an extraordinarily valuable lens for understanding and managing organizations in the twenty first century The idea that narrative and storytelling could be so powerful a tool in the world of organizations was initially counter intuitive But in their own words John Seely Brown Steve Denning Katalina Groh and Larry Prusak describe how they came to see the power of narrative and storytelling in their own experience working on knowledge management change management and innovation strategies in organizations such as Xerox the World Bank and IBM Storytelling in Organizations lays out for the first time why narrative and storytelling should be part of the mainstream of organizational and management thinking This case has not been made before The tone of the book is also unique The

engagingly personal and idiosyncratic tone comes from a set of presentations made at a Smithsonian symposium on storytelling in April 2001 Reading it is as stimulating as spending an evening with Larry Prusak or John Seely Brown The prose is probing playful provocative insightful and sometime profound It combines the liveliness and freshness of spoken English with the legibility of a ready friendly text Interviews will all the authors done in 2004 add a new dimension to the material allowing the authors to reflect on their ideas and clarify points or highlight ideas that may have changed or deepened over time

How to Lead When You Don't Know Where You're Going Susan Beaumont,2019-09-17 How do you lead an organization stuck between an ending and a new beginning when the old way of doing things no longer works but a way forward is not yet clear Beaumont calls such in between times liminal seasons threshold times when the continuity of tradition disintegrates and uncertainty about the future fuels doubt and chaos In a liminal season it simply is not helpful to pretend we understand what needs to happen next But leaders can still lead How to Lead When You Don t Know Where You re Going is a practical book of hope for tired and weary leaders who risk defining this era of ministry in terms of failure or loss It helps leaders stand firm in a disoriented state learning from their mistakes and leading despite the confusion Packed with rich stories and real world examples Beaumont guides the reader through practices that connect the soul of the leader with the soul of the institution
