Annie Howells and Achille Frechette James Doyle, **Annie Howells and Achille Fr chet te** James Doyle, 1979-12-15 Post Confederation Ottawa sets the scene for this fascinating biography of a literary couple The marriage of Annie Howells and Achille Fr chet te in 1877 brought together two literary families and two cultural traditions Annie was the daughter of the US consul in Quebec William Cooper Howells and sister of the American novelist William Dean Howells Achille a translator for the Canadian House of Commons was the brother of the French Canadian poet Louis Fr chet te Both Annie and Achille were authors themselves and their lives and careers touched frequently Ottawa s political cultural and religious life In Ottawa the Fr chet tes established themselves at the centre of a distinguished bilingual circle of politicians poets and scholars Their friends included Wilfrid Laurier Alphonse Lusignan and in later years Archibald Lampman Both Fr chet tes continued to pursue the literary careers they had begun before their marriage Annie published a serialized novel and many short stories and articles Achille s poems continued to appear in various periodicals Achille also took part as writer and trustee in a bitter debate over separate schools The many surviving letters between Annie and her brother William cover various topics of mutual interest to Canadians and Americans reflecting both Canadian and American cultural experience in the late nineteenth and early twentieth centuries Improved by Cultivation R.G. Moyles, 1994-09-28 This anthology combines some of the finest writing by such well known writers as Leacock Moodie Ernest Thompson Seton and Lucy Maud Montgomery with fascinating pieces by lesser known names such as George Copway the first Canadian native writer to have his work published in English and Lady Agnes Macdonald the wife of Canada s first prime minister and a popular writer of great verve and enthusiasm In addition to three genres of fiction the anthology includes two important varieties of non fiction in which early Canadians made a strong and distinctive contribution Travel and Exploration Narratives and Memoirs and Descriptive Sketches **William Dean Howells** Susan Goodman, Carl Dawson, 2005-05-01 Possibly the most influential figure in the history of American letters William Dean Howells 1837 1920 was among other things a leading novelist in the realist tradition a formative influence on many of America s finest writers and an outspoken opponent of social injustice This biography the first comprehensive work on Howells in fifty years enters the consciousness of the man and his times revealing a complicated and painfully honest figure who came of age in an era of political corruption industrial greed and American imperialism Written with verve and originality in a highly absorbing style it brings alive for a new generation a literary and cultural pioneer who played a key role in creating the American artistic ethos William Dean Howells traces the writer s life from his boyhood in Ohio before the Civil War to his consularship in Italy under President Lincoln to his rise as editor of Atlantic Monthly It looks at his writing which included novels poems plays children s books and criticism Howells had many powerful friendships among the literati of his day and here we find an especially rich examination of the relationship between Howells and Mark Twain Howells was as Twain called him the boss of literary critics his support almost single handedly made the

careers of many writers including African Americans like Paul Dunbar and women like Sarah Orne Jewett Showcasing many noteworthy personalities Henry James Edmund Gosse H G Wells Stephen Crane Emily Dickinson and many others William Dean Howells portrays a man who stood at the center of American literature through the late nineteenth and early twentieth centuries

Fashioning the Canadian Landscape John Irvine Little, 2018-04-13 Interpretations of Canada's emerging identity have been largely based on a relatively small corpus of literary writing and landscape paintings overlooking the influence of the British and American travel writers who published hundreds of books and articles that did much to fix the image of Canada in the popular imagination In *Fashioning the Canadian Landscape* J I Little examines how Canada much like the United States came to be identified with its natural landscape Little argues that in contrast to the American identification with the wilderness sublime however Canada's image was strongly influenced by the picturesque convention favoured by British travel writers This amply illustrated volume includes chapters ranging from Labrador to British Columbia some of which focus on such notable British authors as Rupert Brooke and Rudyard Kipling and others on talented American writers such as Charles Dudley Warner Based not only on the views of the landscape but on the racist descriptions of the Indigenous peoples and the romanticization of the Canadian folk Little argues that the national image that emerged was colonialist as well as colonial in nature

My Dearest Wife Maud J. McLean, Robert M. Stamp, 1998-08-15 The private and public lives of James David Edgar and Matilda Ridout Edgar symbolized the increasingly complex nature of Toronto society as older generations gradually gave way to a new generation of outsiders seeking fame and prominence James David Edgar 1841 1899 a self made man born to proud though impoverished Scottish immigrant parents in Quebec became a lawyer an author a railway promoter an M P and ultimately speaker of the House of Commons in Ottawa Matilda Ridout Edgar 1845 1910 was one of Canada's first widely respected female historians and ultimately president of the National Council of Women of Canada from 1906 until her death This dual biography revealed through the voices of James and Matilda as expressed through correspondence provides insights into 19th century Canadian history and presents a mutually supportive marital relationship each encouraging professional fulfillment for the other a stance surprising in this era of male dominance

Nineteenth-Century Stories by Women Glennis Stephenson, 1995-05-31 The female novelist of the nineteenth century may have frequently encountered opposition and interference from the male literary establishment but the female short story writer working in a genre that was seen as less serious and less profitable found her work to be actively encouraged from the Introduction During the nineteenth century women writers finally began to be as popular and as respected as their male counterparts We are all familiar with the novels of Jane Austen Mary Shelley Elizabeth Gaskell George Eliot and the Brontës Less familiar is the short fiction of the period yet a great many nineteenth century stories by women both famous and obscure retain in full measure their power to fascinate and to entertain For this anthology Glennis Stephenson brings together stories by both British and

North American writers by such established luminaries as Shelley Gaskell and Kate Chopin and by lesser known writers such as the Anglo Indian writer Flora Steel the Afro American Alice Dunbar Nelson and the Canadian Annie Howells Fr chette The result is an anthology that will be as interesting to the general reader as it will be useful to the student Stephenson provides background information on all authors together with a general introduction

Henry James and the 'Woman Business' Alfred Habegger, 2004-08-26 This is a historical critique of Henry James in relation to nineteenth century feminism and women s fiction Habegger has brought to light extensive new documentation on James s tangled connections with what was thought and written about women in his time The emphasis is equally on his life and on his fictions This is the first book to investigate his father s bizarre lifelong struggle with free love and feminism a struggle that played a major role in shaping James The book also shows how seriously he distorted the truth about the cousin Minnie Temple whose self assertive image inspired him and how indebted he was to certain American women writers whom he attacked in reviews but whose plots and heroines he appropriated in his own fiction

A Different Point of View Misao Dean, 1991 Misao Dean argues convincingly that Duncan s point of view was largely informed by nineteenth century Canadian idealism Making excellent use of the latest insights of feminist criticism and post colonial literary theory Dean explores the double marginalisation of Duncan as both a colonial and a woman She establishes gender as an important element in the form and content of Duncan s novels and feminism as a significant influence on Duncan s point of view
