Coping With Choosing A College:

Coping with Choosing a College M. W. Buckalew, Linda Mason Hall, 1990 Explains how to select a college to suit individual needs examining two or four year schools large universities and small private colleges academic programs financial aid and admission requirements and procedures *Coping and Adaptation* George V. Coelho, 1970

Sourcebook of Social Support and Personality Gregory R. Pierce, Brian Lakey, I.G. Sarason, 2013-11-11 The work of 47 contributors from the U S Canada and Israel the Sourcebook gives special attention to the complexity of the social support construct expanding the field s theoretical base by seriously reappraising social support research in the context of findings from other fields of psychology and related disciplines Personality processes are specified to account for observed associations between social support and physical well being Several new studies are included which illustrate empirical approaches to exploring these processes And key contributions highlight the great strides made in understanding the links among personal dispositions situational contexts and potentially supportive transactions *Coping, Personality and the Workplace* Alexander-Stamatios Antoniou, Cary L. Cooper, 2017-05-15 How an individual responds to crises and critical incidents at work both immediately and subsequent to the event is heavily influenced both by personality characteristics and their use of coping strategies These can in turn be affected by levels of education gender and even the profession within which the individual is working Coping Personality and the Workplace offers theory research and practice on our ability to cope with dangerous situations critical incidents or other work crises The chapters include perspectives on social and health habits and risks gender and age differences as well as a range of different sources of threat financial psychological and physical those within and outside the individual s control immediate and chronic For organizations this collection provides help and advice to build into employee safety and support programmes for policy makers a sense of the emerging sources of risk related to occupational health and for researchers an anthology of original applied research from some of the leading authors in three continents *Proceedings of the 2024 5th International Conference on Education, Knowledge and Information Management (ICEKIM 2024)* Yunshan Kuang, Lixin Zhu, Xiangyang Zhang, Intakhab Alam Khan, 2024-08-31 This is an open access book ICEKIM is an annual conference that has been held four times 2024 5th International Conference on Education Knowledge and Information Management ICEKIM 2024 will be held on April 19 21 2024 in Chengdu China Information Technology in the context of education is revolutionizing the way we store process and communicate information making it more accessible and meaningful Advanced analytics artificial intelligence and cloud computing are some of the technological developments that have profoundly impacted the way educational institutions manage and use data leading to more personalized and effective learning experiences ICEKIM will focus on how information management promotes the effective utilization of knowledge and educational development how to build effective information management assistance systems and how to promote widespread adoption to meet the practical needs of society ICEKIM 2024 is to bring together

College Drinking George W. Dowdall,2023-07-03 Drinking is recognized as one of the most important problems confronting students on campus today with major impacts on health and safety This book answers crucial questions about why students drink examines its complex links to campus crime and sexual assault and offers new insights on how to address the issue It differs from other studies of college drinking by dispelling the myth that the problem is universal Dowdall s research reveals that the incidence of alcohol abuse varies enormously between colleges and in doing so identifies interventions and policies that have been effective and those that have failed His study is also unique in looking upstream at the broader cultural organizational and social forces that shape this behavior where most studies focus only on downstream behaviors well after students have selected their college and have started drinking Students and parents can take action to lower the risk of binge drinking by following the book s recommendations and consulting the data it provides about alcohol violations and crime at thousands of colleges For administrators and student affairs personnel it both defines and illuminates the issue and outlines effective interventions

Assessing and Evaluating the Psychosocial Impact of the Covid-19 Pandemic on Anxiety and Stress: Perspectives from East Asia Wenjie Duan,Baojuan Ye,Chuansheng Chen,2024-02-02

This Research Topic is part of our Regional Perspectives series Other regionally focused collections in this series Assessing and Evaluating the Impact of The Covid 19 Pandemic on Anxiety and Stress Perspectives from Eastern Europe and Central Asia Assessing and Evaluating the Impact of The Covid 19 Pandemic on Anxiety and Stress Perspectives from North America Assessing and Evaluating the Impact of The Covid 19 Pandemic on Anxiety and Stress Perspectives from South America Assessing and Evaluating the Impact of The Covid 19 Pandemic on Anxiety and Stress Perspectives from the Indian Sub

Continent The Covid 19 pandemic has unduly affected the mental health care system and mental health well being of people globally due to a plethora of potential impacts on our own health health care systems and the economy amongst others While waves of Covid 19 fluctuate globally challenges to providing appropriate mental health care services and developing effective solutions in terms of prevention and treatment for anxiety and stress related disorders remain major concerns As the pandemic initially spread from East Asia countries such as China Japan and South Korea were the first countries to be impacted by COVID 19 leading to certain levels of economic recessions and posing threats to society In China 53.8% of the respondents reported a moderate or severe psychological impact of the pandemic Wang et al 2020 In Japan 11.5% of adult respondents experienced serious psychological distress and the prevalence of depression was 17.9% Yamamoto 2020 In South Korea 45% of the 400 residents expressed clinical levels of depression anxiety or stress Lee 2021 Hence more efforts and concerns should be generated to support public mental health As a regional historical unit East Asian countries and regions share similar cultures and to varying degrees influenced by Confucianism Therefore both adults and children tend to hold high levels of academic and career expectations resulting in overwhelming academic and job stress Considering the segregation policy students and employees had to be separated from schools and workplaces While there are several side effects of online study and work which would be detrimental to individuals residing in East Asia
