Cornerstone Colony Selkirks Contribution To The Canadian West:

The Silver Chief Lucille H. Campey, 2003-05-20 Called The Silver Chief by the Native Chiefs with whom he negotiated a land treaty at Red River the fifth Earl of Selkirk helped Scottish Highlanders relocate in Canada **Business & Industry**

Gregory P. Marchildon, 2012 This fourth volume of the History of the Prairie West Series contains fifteen articles examining the rich history of business and early industry in Canada's Prairie Provinces prior to the Great Depression Without denying the central importance of agriculture in the development and growth of the early Prairie West the essays in Business and Industry explore the lesser known history of some of the earliest businesses in the region As we enter the second decade of the twenty first century a time when the three Prairie Provinces comprise the fastest growing and perhaps the most dynamic economic regions in Canada it may be worthwhile to cast our gaze back to an earlier and simpler era In these essays we can glimpse the origins of the entrepreneurial spirit and business ethos that have come to define the business culture of the Prairie West

A Century of Grant MacEwan Grant MacEwan, 2011-02-01 August 12 2002 would have marked the 100th birthday of one of Western Canada's most beloved exemplary idiosyncratic and admired citizens the Hon J W Grant MacEwan *A Century of Grant MacEwan Selected Writings* is published to mark the centenary of the author's birth and showcases the writing achievements of this remarkable man From his first foray into historical writing *The Sodbusters* 1948 to *Watershed Reflections on Water* 2000 this collection offers a fascinating selection drawn from the nearly fifty books that won him a place in hearts and on bookshelves across the Canadian West From perilous Chilcotin Klondike cattle drives to the creation of a short lived republic within the boundaries of Manitoba *A Century of Grant MacEwan* is MacEwan at his finest preserving little known or neglected nuggets of the past for future generations to read and remember Through his writing MacEwan shows us our history

Thomas Scott's Body J.M. Bumsted, 2000-11-17 What did happen to the body of Thomas Scott The disposal of the body of Canadian history's most famous political victim is the starting point for historian J M Bumsted's new look at some of the most fascinating events and personalities of Manitoba's Red River Settlement To outsiders 19th century Red River seemed like a remote community precariously poised on the edge of the frontier Small and isolated though it may have been Red River society was also lively well educated multicultural and often contentious By looking at well known figures from a new perspective and by examining some of the more obscure corners of the settlement's history Bumsted challenges many of the widely held assumptions about Red River He looks for instance at the brief unhappy Swiss settlement at Red River examines the controversial reputation of politician John Christian Shultz and delves into the sensational scandal of a prominent clergyman's trial Vividly written *Thomas Scott's Body* pieces together a new and often surprising picture of early Manitoba and its people

Cornerstone Colony Grant MacEwan, 1977 Marie-Anne Maggie Siggins, 2009-10-13 Compulsively readable this first social history of the opening up of the Canadian West is a triumph of historical detective work and gives us Siggins at the top of her game While researching the biography of Louis Riel Maggie Siggins became

aware of a figure lurking in the background who had had a profound influence on the great Canadian reformer This was his grand mother Marie Anne Lagimodière née Gaboury As Siggins research progressed she came to regard Marie Anne as the most exceptional Canadian woman of the nineteenth century The perils of Laura Secord and Susanna Moodie paled in comparison yet she remains largely unknown Beautiful and rebellious Marie Anne was still unmarried at twenty five unheard of in 1800s Quebec habitant society Furthermore once she did marry Jean Baptiste Lagimodière she insisted on accompanying her fur trapper husband to the uncharted wilderness of western Canada The year was 1807 and no European woman had yet ventured west of the Great Lakes region For the next thirty years she would live among the native people or at fur trading forts from Pembina to Edmonton House leading an undoubtedly difficult life but one with freedoms unknown to women in western societies of her time Drawing from primary sources Siggins paints a vivid portrait of life in the West from survival on the plains and bison hunts to the tribal warfare triggered by the fur trade economy Through it all Marie Anne survived and thrived living to ninety six the matriarch of a large and diverse family whose descendants still live in Manitoba

Clearing the Plains James William Daschuk, 2013 In arresting but harrowing prose James Daschuk examines the roles that Old World diseases climate and most disturbingly Canadian politics the politics of ethnocide played in the deaths and subjugation of thousands of aboriginal people in the realization of Sir John A Macdonald's National Dream It was a dream that came at great expense the present disparity in health and economic well being between First Nations and non Native populations and the lingering racism and misunderstanding that permeates the national consciousness to this day Clearing the Plains is a tour de force that dismantles and destroys the view that Canada has a special claim to humanity in its treatment of indigenous peoples Daschuk shows how infectious disease and state supported starvation combined to create a creeping relentless catastrophe that persists to the present day The prose is gripping the analysis is incisive and the narrative is so chilling that it leaves its reader stunned and disturbed For days after reading it I was unable to shake a profound sense of sorrow This is fearless evidence driven history at its finest Elizabeth A Fenn author of *Pox Americana* Required reading for all Canadians Candace Savage author of *A Geography of Blood* Clearly written deeply researched and properly contextualized history Essential reading for everyone interested in the history of indigenous North America J R McNeill author of *Mosquito Empires*

Reporting the Resistance J.M. Bumsted, 2003-12-19 Reporting the Resistance brings together two first person accounts to give a view from the ground of the developments that shocked Canada and created the province of Manitoba In 1869 and 1870 Begg and Hargrave were regular correspondents for respectively the *Toronto Globe* and the *Montreal Herald* While neither man was a committed supporter of the Métis or Louis Riel each gives a more complex and more sympathetic view of the resistance that is commonly expected from the Anglophone community of Red River They describe often from very different perspectives the events of the resistance as well as give insider accounts of the social and political background Largely unreprinted until now this correspondence remains a relatively untapped

resource for contemporary views of the resistance These are the Red River s own accounts and are often quite different from the perspective of eastern observers Animal Production in Canada Robert J. Hudson, Bruce A. Young, 1993 **The Canadian Historical Review** ,1978 Includes section Recent publications relating to Canada Lieutenant-governors of the Northwest Territories and Alberta, 1876-1991 D. B. McDougall, 1991 Catalogue of the Public Archives Library Public Archives of Canada. Library, 1979 **New Perspectives on Margaret Laurence** Greta M. Coger, 1996-05-30 Nearly all of Laurence s works from Africa and Canada are critiqued in this volume The essays highlight Laurence s innovative narrative styles showing how her combinations of oral literary forms and unique shifts in tense and point of view help her achieve vivid character portrayals In addition viewing Laurence s prose as closely textured poetry her use of language theme and image are carefully critiqued The importance of Laurence s portrayal of women s experiences most notably that of aging women is viewed in a feminist framework These new American perspectives on Laurence will be of interest to both scholars and students **Trials & Tribulations** J. M. Bumsted, 2003 **Alberta, 1954-1979** ,1982 Fur Trade Wars J. M. Bumsted, 1999 At its height the HBC s holdings covered almost a tenth of the world s land surface stretching from the Arctic Ocean across the Prairies and the Rocky Mountains to British Columbia and Oregon When the upstart North West Company of Montreal challenged the HBC supremacy however an ongoing battle erupted which changed the course of Canadian history University of Manitoba historian J M Jack Bumsted has written a colourful in depth account of this titanic struggle Combining astute scholarship with an accessible writing style Bumsted s Fur Trade Wars brings to life the dramatic events and memorable characters that helped shape a nation North Dakota History ,1996 *PNLA Quarterly* Pacific Northwest Library Association, 1977 *Bulletin - Canadian Library Association* Canadian Library Association, 1977 **Facts about Canada, Its Provinces and Territories** Jean Weihs, 1995 A reference of information on the ten provinces and two territories of Canada compiled from federal and provincial sources Entries discuss the geography population climate government politics history and culture of each region list political leaders from the 19th century to the present and contain chronologies of key events Includes a bibliography of fiction and nonfiction works for each province and territory plus an introductory chapter on Canada No index Annotation copyright by Book News Inc Portland OR
