Corpse Dream Of N Petkov:

The Corpse Dream of N. Petkov Thomas McGonigle, 2000 This novel presents the thoughts of a dying man as he contemplates his life and the events leading to his death Nikola Petkov the head of the Agrarian Party and the last significant opposition leader to defy the Communist takeover of Bulgaria was hung in 1947 after a show trial in Sofia Thomas McGonigle records Petkov's last minutes mixing history and fiction biography and imagination and in so doing crafts a compelling testament to both a man and a country Book Jacket From the Sin-é Café to the Black Hills Eamonn Wall, 1999 Eamonn

Wall arrived in the United States in the 1980s as part of a wave of young educated immigrants who became known as the New Irish In this book he comments on his own experiences and those of his generation who identify as much with contemporary ethnic and immigrant America as they do with the long settled Irish American community Wall's starting point is the now closed Sin Caf in New York's East Village which was a hangout in the early 1990s for expatriate Irish musicians actors and writers He comments on the poetry fiction essays and memoirs of both the New Irish and Americans of Irish heritage locating them within a literary and historical context But this is also a deeply personal book in which Wall wrestles with his own identity as an Irishman living in America raising his children as Americans and learning to love the American landscape from the streets of Manhattan to the western hills of Nebraska **The Irish Voice in America** Charles

Fanning, 2021-10-21 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier The Irish Voice in America is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience St. Patrick's Day Thomas McGonigle, 2016-08-15 On Saint Patrick's Day

an Irish American writer visiting Dublin takes a day trip around the city and muses on death sex lost love Irish immigrant history and his younger days as a student in Europe Like James Joyce's Ulysses Thomas McGonigle's award winning novel St Patrick's Day takes place on a single day combining a stream of consciousness narrative with masterful old fashioned storytelling which samples the literary histories of both Ireland and America and the worlds they influence St Patrick's Day relies on an interior monologue to portray the narrator's often dark perceptions and fantasies his memories of his family in

Patchogue New York and of the women in his life and his encounters throughout the day as well as many years ago with revelers poets African students and working class Dubliners Thomas McGonigle's novel is a brilliant portrait of the uneasy alliance between the Irish and Irish Americans the result of the centuries old diaspora and immigration which left unsettled the mysteries of origins and legacy St Patrick's Day is a rollicking pub crawl through multi sexual contemporary Dublin a novel full of passion humor and insight which makes the reader the author's accomplice a witness to his heartfelt memorial to the fraught love affair between ancestors and generations McGonigle tells the stories both countries need to hear This particular St Patrick's Day is an unforgettable one
