

THE CORRESPONDENCE

ROBERT BRIDGES AND W.B. YEATS

Selected Letters
1897-1933

Robert Bridges and W.B. Yeats were two of the most important poets of the early 20th century. Their correspondence, spanning over three decades, provides a unique insight into the lives and works of these two great poets. The letters cover a wide range of topics, from their mutual admiration for each other's poetry to their personal lives and the challenges they faced. This collection of letters is a valuable resource for anyone interested in the history of English literature and the lives of these two great poets.

Correspondence Of Robert Bridges And W B Yeats The:

The Correspondence of Robert Bridges and W. B. Yeats Robert Bridges, W. B. Yeats, 1977-06-17 The Selected Letters of Robert Bridges Robert Bridges, Lionel Muirhead, 1983 Robert Bridges Lee Templin Hamilton, 1991 Robert Bridges poet laureate of England from 1913 to 1930 is an important cultural link between the Victorian Age and the modern period This bibliography updates and expands George McKay s A Bibliography of Robert Bridges 1933 and is the first gathering of reviews articles essays books and other scholarly notes about Bridges **The Oxford Handbook of W.B. Yeats** Lauren Arrington, Matthew Campbell, 2023-05-30 The forty two chapters in this book consider Yeats s early toil his practical and esoteric concerns as his career developed his friends and enemies and how he was and is understood This Handbook brings together critics and writers who have considered what Yeats wrote and how he wrote moving between texts and their contexts in ways that will lead the reader through Yeats s multiple selves as poet playwright public figure and mystic It assembles a variety of views and adds to a sense of dialogue the antinomian or deliberately divided way of thinking that Yeats relished and encouraged This volume puts that sense of a living dialogue in tune both with the history of criticism on Yeats and also with contemporary critical and ethical debates not shirking the complexities of Yeats s more uncomfortable political positions or personal life It provides one basis from which future Yeats scholarship can continue to participate in the fascination of all the contributors here in the satisfying difficulty of this great writer **Yeats** Richard J. Finneran, 2003-10-28 The most recent volume of this distinguished annual The Collected Works of W.B. Yeats Volume IV: Early Essays William Butler Yeats, Richard J. Finneran, George Bornstein, 2007-03-06 The Collected Works of W B Yeats Volume IV Early Essays is part of a fourteen volume series under the general editorship of eminent Yeats scholars George Bornstein and George Mills Harper These volumes include virtually all of the Nobel laureate s published work in authoritative texts with extensive explanatory notes Early Essays edited by the internationally esteemed Yeats scholars George Bornstein and the late Richard J Finneran includes the contents of the two most important collections of Yeats s critical prose Ideas of Good and Evil 1903 and The Cutting of an Agate 1912 1919 Among the seminal essays are considerations of Blake Shakespeare Shelley Spenser and Synge as well as an extended discussion of the Japanese Noh theatre The first scholarly edition of these materials Early Essays offers a corrected text and detailed annotation of all allusions Several appendices gather materials from early printings which were later excluded as well as illuminating black and white illustrations Early Essays is an essential sourcebook for understanding Yeats s career as both writer and literary critic and for the development of modern poetry and criticism Here Yeats works out many of his key ideas on poetry politics and the theater He gives interpretations of writers critical to his development and presents a compelling vision of Ireland and the modern world during the last decade of the nineteenth century and first two decades of the twentieth As T S Eliot remarked Yeats was one of those few whose history is the history of their own time who are a part of the consciousness of an age which cannot be

understood without them This volume displays a crucial part of that history **Romantic Echoes in the Victorian Era** Andrew Radford,2017-03-02 In tracing those deliberate and accidental Romantic echoes that reverberate through the Victorian age into the beginning of the twentieth century this collection acknowledges that the Victorians decided for themselves how to define what is Romantic The essays explore the extent to which Victorianism can be distinguished from its Romantic precursors or whether it is possible to conceive of Romanticism without the influence of these Victorian definitions Romantic Echoes in the Victorian Era reassesses Romantic literature s immediate cultural and literary legacy in the late nineteenth century showing how the Victorian writings of Matthew Arnold Wilkie Collins the Bront s the Brownings Elizabeth Gaskell Charles Dickens Gerard Manley Hopkins Thomas Hardy and the Rossettis were instrumental in shaping Romanticism as a cultural phenomenon Many of these Victorian writers found in the biographical literary and historical models of Chatterton Coleridge Byron Shelley Keats and Wordsworth touchstones for reappraising their own creative potential and artistic identity Whether the Victorians affirmed or revolted against the Romanticism of their early years their attitudes towards Romantic values enriched and intensified the personal creative and social dilemmas described in their art Taken together the essays in this collection reflect on current critical dialogues about literary periodisation and contribute to our understanding of how these contemporary debates stem from Romanticism s inception in the Victorian age **Editing**

Yeats's Poems Richard J Finneran,1983-05-12 **W. B. Yeats and the Creation of a Tragic Universe** Maeve Good,1987-03-16 **The Poems of W. B. Yeats** Peter McDonald,2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by the poet In this second volume the poems of Yeats s early maturity emerge in the contexts of his engagement with Irish history and myth along with nationalist politics his increasing involvement with ritual magic and esoteric lore and his turbulent often unhappy personal life The poems of The Countess Kathleen and Various Legends and Lyrics 1892 reveal a poet of intense narrative power and metaphorical resource adept at transforming miscellaneous sources into haunting and original poems A major revision of his earlier narrative The Wanderings of Oisín takes place in this decade when Yeats is also taken up with the composition of elaborate and uncanny symbolic lyrics many of them resulting from his love for Maud Gonne that are finally collected in The Wind Among the Reeds 1899 This edition makes it possible to trace in

detail Yeats's debts to folklore and magic alongside his involved and often difficult private and public life in poetry of exceptional complexity and power *Poets & the Peacock Dinner* Lucy McDiarmid, 2014 On January 18 1914 seven male poets gathered to eat a peacock W B Yeats and Ezra Pound the celebrities of the group led four lesser known poets to the Sussex manor house of the man they were honouring Wilfrid Scawen Blunt the poet horse breeder Arabist and anti imperialist married to Byron's only granddaughter In this story of the curious occasion that came to be known as the peacock dinner immortalized in the famous photograph of the poets standing in a row Lucy McDiarmid creates a new kind of literary history derived from intimacies rather than isms The dinner evolved from three close literary friendships those between Pound and Yeats Yeats and Lady Gregory and Lady Gregory and Blunt whose romantic affair thirty years earlier was unknown to the others Through close readings of unpublished letters diaries memoirs and poems in an argument at all times theoretically informed McDiarmid reveals the way marriage and adultery as well as friendship offer ways of transmitting the professional culture of poetry Like the women who are absent from the photograph the poets at its edges F S Flint Richard Aldington Sturge Moore and Victor Plarr are also brought into the discussion adding interest by their very marginality This is literary history told with considerable style and brio often comically aware of the extraordinary alliances and rivalries of the seven male poets but attuned to significant issues in coterie formation literary homosociality and the development of modernist poetics from late Victorian and Georgian beginnings *Poets and the Peacock Dinner* is written with critical sophistication and a wit and lightness that never compromise on the rich texture of event and personality *A Singing Contest* Meg Tyler, 2013-11-05 A formal analysis *A Singing Contest* comprises close readings of Seamus Heaney's poetry Tyler argues that in an era of fractured poetry and politics Seamus Heaney stands out his impulse is towards unity and regeneration Her book considers the interplay between different kinds of literary tradition and community in his poetry For Heaney poetry represents a structure allowing imaginative mediation of conflicts that appear irreconcilable in the social political and historical realms By detailed structural analysis of diction meter imagery and generic form Tyler illustrates how Heaney's poems create concords from discords unities from fracture From the preface by Rosanna Warren *A Singing Contest* is written with imaginative and emotional urgency and in some large sense as it examines Heaney's spells it seems itself to want to cast a spell against death Hence Tyler's return in various ways to readings of elegy whether the fictive elegies of classical pastoral poems or Heaney's personal elegies She pores in detail over Clearances the sonnet sequence composed in memory of the poet's mother in *The Haw Lantern* and she concludes her book with a chapter on literary elegies Heaney's farewells to his friends and admired contemporaries Ted Hughes Zbigniew Herbert and Joseph Brodsky In these analyses one sees the wholeness of Tyler's project her argument that for Heaney literary tradition itself rightly received and transformed reaches into the voids made by death and establishes connection across rupture Her thesis is an ancient one and she gives it particular shape and force in asking us to contemplate it at work in Heaney where it binds individual to collective experience

and past to present **Auden's Syllabic Verse** Richard Hillyer, 2019-12-12 Much of the poetry written by W H Auden between 1939 and the time of his death consists of syllabic verse or lines arranged in accordance with a predetermined syllable count but no fixed number or distribution of stresses This book presents a comprehensive in depth analysis of his many and widely varied syllabics grouping them primarily by the formal sub categories to which they belong as measured by line length stanza type or some other aspect of their overall design With this approach the book clarifies the dynamic range and technical inventiveness of Auden's syllabics It also shows how his work compares with that of Robert Bridges and Marianne Moore two pioneers in the writing of English syllabic whose verse he was familiar with *The Oxford Dictionary of the Christian Church* Andrew Louth, 2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader *Encyclopedia of Life Writing* Margaretta Jolly, 2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *British Music and Literary Context* Michael Allis, 2012 Despite several recent monographs editions and recordings devoted to the reassessment of British music in the late nineteenth and early twentieth century some negative perceptions still remain particularly a sense that British composers in this period somehow lacked literary credentials *British Music and Literary Context* counters this perception by showing that these composers displayed a real confidence and assurance in refiguring literary texts in their music The book explores how a literary context might offer modern audiences and listeners a way in to appreciate specific works that have traditionally been viewed as problematic Each chapter of this interdisciplinary study juxtaposes a British composer with a particular literary counterpart or genre Issues highlighted in the book include the vexed relationship between words and music the refiguring of literary narratives as musical structures and the ways in which musical settings or representations of literary texts might be seen as critical readings of those texts Anyone interested in nineteenth century British music literature and Victorian studies will enjoy this

thought provoking and perceptive book *“Something that I read in a book”*: W. B. Yeats’s Annotations at the National Library of Ireland Wayne K. Chapman, 2022-02-12 This book is a resource to enable scholars and students in Yeats studies to explore the materials in his library which together with his unpublished papers and manuscripts forms part of the writer’s archive in the National Library Continuing from the first volume Reading Notes Volume II describes copies of books he wrote or edited solely in his name and subsequently revised or marked for other purposes on occasion aided by his wife and others This book could not have been written without the generous participation of the Yeats family over many years Their legacy now entrusted to the National Library is robust and endless in potential This book is about individual cases but also the building of an oeuvre **Yeats Annual No. 13** Warwick Gould, 2016-07-27 Yeats Annual is the leading international research level journal devoted to the greatest twentieth century poet in the English language In this number there are new essays on Yeats’s theatre by leading scholars such as Richard Allen Cave Gregory N Eaves and Masaru Sekine while scholars from nine countries including Peter L Caracciolo and Paul Edwards Maneck H Daruwala William F Halloran Elisabeth Heine and Colleen MacKenna address such matters as Yeats and Maud Gonne Marriage and the Astrological Record 1908 9 Yeats’s relations with Fiona Macleod and with Wyndham Lewis the Ghost of Wordsworth Philip Larkin and Seamus Heaney There are new essays on A Vision shorter bibliographical notes and reviews of ten new studies Yeats’s Worlds David Pierce, 1995-01-01 Yeats Annual No 5 Warwick Gould, 2016-07-27
