Blue Smoke Roger House, 2010-10 A contemporary of blues greats Blind Blake Tampa Red and Papa Charlie Jackson Chicago blues artist William Big Bill Broonzy influenced an array of postwar musicians including Muddy Waters Memphis Slim and J B Lenoir In *Blue Smoke* Roger House tells the extraordinary story of Big Bill a working class bluesman whose circumstances offer a window into the dramatic social transformations faced by African Americans during the first half of the twentieth century One in a family of twenty one children and reared by sharecropper parents in Mississippi Broonzy seemed destined to stay on the land He moved to Arkansas to work as a sharecropper preacher and fiddle player but the army drafted him during World War I After his service abroad Broonzy like thousands of other black soldiers returned to the racism and bleak economic prospects of the Jim Crow South and chose to move North to seek new opportunities After learning to play the guitar he performed at neighborhood

parties in Chicago and in 1927 attracted the attention of Paramount Records which released his first single House Rent Stomp backed by Big Bill's Blues. Over the following decades Broonzy toured the United States and Europe. He released dozens of records but was never quite successful enough to give up working as a manual laborer. Many of his songs reflect this experience as a blue collar worker articulating the struggles, determination and optimism of the urban black working class. Before his death in 1958 Broonzy finally achieved crossover success as a key player in the folk revival movement led by Pete Seeger and Alan Lomax and as a blues ambassador to British musicians such as Lonnie Donegan and Eric Clapton. Weaving Broonzy's recordings, writings and interviews into a compelling narrative of his life, *Blue Smoke* offers a comprehensive portrait of an artist recognized today as one of the most prolific and influential working class blues musicians of the era.

The First Annual Grand Prairie Rabbit Festival Ken Wheaton, 2012-10-01. Welcome to Grand Prairie, Louisiana, land of confounding accents, hard drinking senior citizens and charming sinners brought to hilarious life in a bracing, heartfelt debut novel simmering with Cajun spice. Father Steve Sibille has come home to the bayou to take charge of St. Pete's church. Among his challenges are teenybopper altar girls, insomnia, curing confessions and alarmingly alluring congregant Vicky Carrier. Then there's Miss Rita, an irrepressible centenarian with a taste for whiskey cracklins and sticking her nose in other people's business. When an outsider threatens to poach Father Steve's flock, Miss Rita suggests he fight back by staging an event that will keep St. Pete's parishioners loyal forever. As *The First Annual Grand Prairie Rabbit Festival* draws near, help comes from the strangest places. And while the road to the festival may be paved with good intentions, not to mention bake sales, an elephant and the most bizarre cookout ever, where it will lead is anyone's guess. A sparkling debut. Luis Alberto Urrea, author of *Queen of America*. Delightful. Wheaton writes with an infectious energy and his affection for the characters and culture is authentic. *Publishers Weekly*.
