

what this book refers to as different 'levels of conscience' be better described as independent but co-operating factors in determining men's moral judgements? (d) Is not the rather unbiblical depreciation of rewards and punishments, in which most moralists today share, in danger of calling in question the ultimate justice of God—that 'natural' justice to which all men almost instinctively appeal?

WILLIAM LILLIE, Aberdeen

A Christian View of the Mushroom Myth. By JOHN C. KING. Hodder and Stoughton, 1970. Pp. 191. 25s.

SOME books ought really to be allowed to sink into oblivion, unwept, unhonoured and unsung. Mention of them, even in a critical footnote, only gives them a publicity they do not merit. It is however quite another matter when their contents have been splashed across the pages of the popular press, to be read by millions who do not possess the knowledge, the critical skills and techniques, or the judgment to realise that they are in fact worthless and misleading. As Mr King observes, 'it was the extracts in the *Sunday Mirror*, rewritten extracts, that had ensured *The Sacred Mushroom and the Cross* a place in the book-shops alongside Erich von Daniken's best-seller'. A letter of repudiation appeared in the columns of *The Times*, over the signatures of a distinguished array of scholars, but that is not enough. Such letters, and the critical reviews, simply will not come to the notice of the millions, who are left with the vague impression that what they long suspected is now completely proven: Christianity is dead, and the last nail in its coffin has been well and truly hammered home by Mr John Allegro.

Those who work among the millions now have an effective weapon in this book. Anyone who thinks Allegro has said the last word need only be advised to read it—and he will be forced to think again. This is a vigorous, hard-hitting attack that pulls no punches, relentlessly probing the weaknesses of Allegro's theory, drawing out the conclusions which would logically follow if Allegro were in fact correct—implications to tax the credulity far beyond the demands of the most conservatively orthodox Christendom. Above all, it is intensely readable, a book to enjoy, written in an easy popular style that carries the reader on for page after page after page.

I had to read *The Sacred Mushroom* for purposes of review, and can testify that Mr King deals fairly with his adversary. There is no distortion of Allegro's case, no scoring of cheap points, no trace of smear or foul play. Where Allegro could possibly be right, it is frankly acknowledged, but—there are many 'buts'. 'The person who accepts Mr Allegro's theory has more conundrums to solve than

A Christian View Of The Mushroom Myth Introduction

In the digital age, access to information has become easier than ever before. The ability to download A Christian View Of The Mushroom Myth has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Christian View Of The Mushroom Myth has opened up a world of possibilities. Downloading A Christian View Of The Mushroom Myth provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Christian View Of The Mushroom Myth has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Christian View Of The Mushroom Myth. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Christian View Of The Mushroom Myth. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A Christian View Of The Mushroom Myth, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Christian View Of The Mushroom Myth has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
