

NORTHERN METHODISTS

In December 1877, Rev. Harvey Webb, who was the first preacher of the Methodist Episcopal Church to preach a sermon in Fort Worth, held services in the old Masonic Hall.

In 1878 a church building was erected at the corner of Ninth and Main streets and a Methodist Episcopal church was organized with seven members. Two of the charter members still live in Fort Worth, Mr. and Mrs. I. W. Rouse, much beloved they are by their multitude of friends. The outstanding feature of this church in its beginning was a revival which began on Jan. 1st, 1879, during which one hundred persons were converted. Mr. Geo. E. Nies, who is one of the most successful mission workers in Fort Worth, and Mrs. J. R. Doughty, who still lives here, became members of this church in 1879.

In 1888 this property was sold and Saint Paul's was built.

What was formerly Rosen Heights Mission and then Pearl Avenue church was an offspring of Saint Paul's.

In recent days the membership of Pearl Avenue have united with McKinley Avenue church South and under the pastorate of Rev. E. R. Stanford a practical example that the great Methodisms can become one, is being given.

God speed the day of true unification of world Methodism.

Washington on the Brazos Richard B. McCaslin, 2016-02-10 With Washington on the Brazos Cradle of the Texas Republic noted historian Richard B McCaslin recovers the history of an iconic Texas town The story of the Texas Republic begins and ends at Washington but the town's history extends much further Texas leaders gathered in the new town on the west bank of the Brazos in March 1836 to establish a new republic After approving a declaration of independence and constitution they fled as Santa Anna's army approached The government of the Republic of Texas returned there in 1842 but after the United States annexed Texas in 1846 Austin replaced Washington as the capital of the Lone Star State The town became a thriving river port in the 1850s when steamboat cargoes paid for many new buildings But the community steeply declined when its leaders decided to rely on steamers rather than invest in a railroad line although German immigrants and African American residents kept the town alive Later Progressive Era plans for historic tourism focused the town's central role in the Texas Republic brought renewed interest and a state park was founded The Texas centennial in 1936 and the hard work of citizens organizations beginning in the 1950s transformed this park into Washington on the Brazos the state historic site that serves today as the primary focus for preserving the history of the Republic of Texas
