Gerald Nemanic

A Bess Streeter Aldrich Treasury:

A Treasury of Bess Streeter Aldrich Bess Streeter Aldrich, 1959 **A Bess Streeter Aldrich Treasury** Bess Streeter Aldrich, 1978 **A Bess Streeter Aldrich Treasury** Anne Reeve Aldrich, Bess Streeter Aldrich, 1990-07-01 **Bess Streeter Aldrich** Carol Miles Petersen, 1995-01-01 Beloved by readers for decades Bess Streeter Aldrich earned a national reputation with a long list of best selling novels and with stories appearing in major magazines such as Ladies Home Journal Harper's Weekly Colliers McCalls and The Saturday Evening Post Her most famous novel *A Lantern in Her Hand* has remained a favorite since first published in 1928 Carol Miles Petersen has thoroughly researched Aldrich consulting Aldrich's family neighbors and friends poring over letters and newspapers and reading Aldrich's work again and again In Bess Streeter Aldrich she reveals a woman as strong and substantial as Aldrich's fictional heroines Born in Iowa in 1881 Bess Streeter grew up and attended college there After becoming a teacher she met and fell in love with Charles Cap Aldrich formerly Captain in the U S Army After their marriage in 1907 they moved to Elmwood Nebraska where Bess devoted herself to raising children while Cap became a banker Bess began to write and sell short stories winning a national award and enjoying the celebrity of a famous author It appeared that the Aldriches would live happily ever after however in 1925 Captain Aldrich suddenly died The responsibilities of raising the family and managing the bank as a partial owner fell upon Bess With the stock market crash of 1929 the nation's banking system spun into chaos more than ever her family her bank and her town depended on Bess Aldrich's heroism is of the old fashioned kind not a moment of glory but a lifetime of effort not a battle with a foe but a creation of love humor and kindness Her stories were written to remind her readers of the joy of life Carol Miles Petersen formerly taught at the University of Nebraska Lincoln She is editor of the *Collected Short Works of Bess Streeter Aldrich* Nebraska 1995 **Bess Streeter Aldrich** Abigail Martin, 1992 **American Women Writers, 1900-1945** Laurie Champion, 2000-09-30 Women writers have been traditionally excluded from literary canons and not until recently have scholars begun to rediscover or discover for the first time neglected women writers and their works This reference includes alphabetically arranged entries on 58 American women authors who wrote between 1900 and 1945 Each entry is written by an expert contributor and discusses a particular author's biography her major works and themes and the critical response to her writings The entries close with extensive primary and secondary bibliographies and the volume concludes with a list of works for further reading The period surveyed by this reference is rich and diverse Modernism and the Harlem Renaissance two major artistic movements occurred between 1900 and 1945 and the entries included here demonstrate the significant contributions women made to these movements The volume as a whole strives to reflect the diversity of American culture and includes entries for African American Native American Mexican American and Chinese American women It includes well known writers such as Willa Cather and Eudora Welty along with more neglected ones such as Anita Scott Coleman and Sui Sin Far *A Literary History of Iowa* Clarence A. Andrews, 1972 Originally published in

1972 A Literary History of Iowa which features writers published in book form between 1856 and the late 1960s returns to print One of Iowa's native sons Ellis Parker Butler once said that in Iowa 12 dollars were spent for fertilizer each time a dollar was spent for literature Many readers will be surprised to learn from this book the extent of Iowa's distinguished literary past the many prizes and praise received by her authors To those already familiar with Iowa's credits A Literary History of Iowa will be a nostalgic and informative delight During the 1920s and 1930s Iowa had good claim to recognition as the literary capital of the country Clarence Andrews says that as he grew up he knew a host of Iowa writers I also knew that Iowa was winning a disproportionate share of the Pulitzer Prizes Hamlin Garland Margaret Wilson Susan Glaspell Frank Luther Mott Ding Darling Clark Mollenhoff It was winning its share or more of prizes offered by publishers and its authors books were being selected as Book of the Month and Literary Guild books I knew too about Carl Van Vechten as part of that avant garde group of midwest exiles including Fitzgerald Anderson and Hemingway A Literary History of Iowa looks at Iowans who knew and cared for the state people who wrote poetry plays musical plays novels and short stories about Iowa subjects Iowa ideas Iowa people These writers often have dealt with such themes as the state's history the rise of technology and its impact on the community provincialism and exploitation the problems of personal adjustment and the family and the community John T Frederick whose own books are paramount in Iowa's literary history has pointed to Iowa's special contributions to the literature of rural life in saying that no other state can show its portrayal in fiction so rich so varied and so generally sound as can Iowa

Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works
