A Buddhist Vision For Renewing Society Collected Articles:

~**Æ Buddhist vision for renewing society** Sulak Sivaraksa, 1981 A Buddhist Vision for Renewing Society Sulak Sivaraksa, Khana Kammakān Sātsanā phūa Kānphatthanā (Thailand), 1981 Transcendence and Violence John D'Arcy May, 2003-06-19 The first two parts of this book present four detailed historical studies filled with Geertzian thick description of the encounters of Christianity and Buddhism universal religions with a high quotient of transcendence with various primal religious traditions biocosmic or immanentist of the Asian Pacific region namely Aboriginal Australia and Melanesia Christianity and Sri Lanka and Japan Buddhism In each case the encounters represented a failure of the great traditions In the third constructive and theological part of the book the author shows how an acknowledgment of these failures may provide a back door to dialogue **The Betrayal of Tradition** Harry Oldmeadow, 2005 This collection of essays by eminent traditionalists and contemporary thinkers throws into sharp relief many of the urgent problems of today An Introduction to Buddhist Ethics Peter Harvey, 2000-06-22 A systematic introduction to Buddhist ethics aimed at anyone interested in Buddhism Buddhism for a Violent World Elizabeth J. Harris, 2014-09-16 Explores what Buddhism has to say about the human condition and in particular about living in a violent world Drawing on the realities of the violent ethnic conflicts in Sri Lanka this book shows that there are no easy answers but Buddhism has much to offer to those who want to understand better the dynamics of conflict Poverty and the Poor in the World's Religious Traditions William H. Brackney, Rupen Das, 2018-12-01 This detailed book is a resource for students practitioners and leaders interested in how the major world religions have understood poverty and responded to the poor Poverty is a universal phenomenon across history regardless of country or culture Today the demographics of the poor are on the rise globally it is a critical issue Religious traditions are another universal aspect of human societies and nearly all religions include directives on how to respond to the poor and systemic poverty How do the various religious traditions conceptualize poverty and what do they view as the proper response to the poor Poverty and the Poor in the World's Religious Traditions Religious Responses to the Problem of Poverty brings together specialists on the religions of the world and their diverse viewpoints to identify how different religious traditions interact with poverty and being poor It also contains excerpts of religious texts that readers can use as primary documents to illustrate themes such as identifying the poor religious reasons for being poor and responses like charity and development to the existence of poverty This book serves as a powerful resource for students of subjects like international development missiology comparative religion theology social ethics economics and organizational leadership as well as for any socially concerned clergy of various faiths A Modern Buddhist Bible David S. Lopez, Jr., 2002-11-18 The first book to bring together the key texts of modern Buddhism In the last hundred years the world especially the West has increasingly embraced the teachings of Buddhism A Modern Buddhist Bible is the first anthology to bring together the writings from Buddhists both Eastern and Western that have redefined Buddhism for our era Forging a universal doctrine from the

divergent traditions of China Sri Lanka Japan Burma Thailand and Tibet the makers of modern Buddhism saw it as a return to the origin as renowned scholar Donald Lopez shows Modern Buddhism is for them a homeward journey to the vision of Buddha himself Putting far more stress on meditation and spirituality than on ritual and relics it embraces the ordination of women and values of science social justice tolerance and individual freedom A Modern Buddhist Bible includes writing by Jack Kerouac Allen Ginsberg William Burroughs the Dalai Lama Thich Nhat Hanh T ai Hsu Cheng Yen Shaku Soen D T Suzuki Alan Watts Gary Snyder Shunryu Suzuki and others who have played a role in the rich and complex movement that fused Eastern insight with Western consciousness

Love in the Time of Money Thomas Shulich, 2009 Since the late 20th century Thailand has been associated with a thriving international sexual services industry One specialized niche of this industry markets young local men as paid exhibitionists to older foreign admirers This book explores erotic love among these men It is a study of vacation boyfriends male sex workers and international gay tourism It represents ethnographic fieldwork conducted from 1997 to 2002 in Chiangmai City Going beyond academic analysis of sexuality in terms of discourses of power issues of identity politics normality perversion and deviance this work explores intimate connections and the sociology of love Three analytical perspectives cultural ideologies sexual marketplaces and erotic roles are deployed to investigate how commercial and cultural factors facilitate and frustrate enhance and distort the erotic love which men of different racial and social classes experience for one another This work contributes to the research into the patois of cultural values generated at the intersections between modern Asian and Western societies It should also be of interest to scholars of gender and sexuality

Nirvana for Sale? Rachelle M. Scott, 2009-09-17 What is the proper relationship between religion and prosperity Rachelle M Scott looks at this issue in a Thai Buddhist context asking when the relationship between Buddhist piety and wealth is viewed in favorable terms and when it is viewed in terms of conflict and tension Scott focuses on the Dhammak ya Temple an organization that has placed traditional Therav da practices such as meditation and merit making within a modernist framework that encourages personal and social prosperity The Temple s construction of a massive religious monument in the late 1990s embodied this message but also sparked criticism of the Temple s wealth and fund raising techniques and engendered debates over authentic Buddhism and religious authority Scott situates this controversy within the context of postmodern Thailand and the Asian economic crisis when reevaluations of wealth global capitalism and Asian values occupied a preeminent place in Thai public discourse

Stephanie Kaza, Kenneth Kraft, 2000-02-08 A comprehensive collection of classic texts contemporary interpretations guidelines for activists issue specific information and materials for environmentally oriented religious practice Sources and contributors include Basho the Dalai Lama Thich Nhat Hanh Gary Snyder Ch gyam Trungpa Gretel Ehrlich Peter Mathiessen Helen Tworckov editor of Tricycle and Philip Glass *Modern Buddhist Conjunctures in Myanmar* Juliane Schober, 2010-11-30 For centuries Burmese have looked to the authority of their religious tradition Theravada Buddhism to negotiate social and political hierarchies Modern Buddhist Conjunctures in Myanmar examines those moments in the modern history of this Southeast Asian country when religion culture and politics converge to chart new directions Arguing against Max Weber s characterization of Buddhism as other worldly and divorced from politics this study shows that Buddhist practice necessitates public validation within an economy of merit in which moral action earns future rewards The intervention of colonial modernity in traditional Burmese Buddhist worldviews has created conjunctures at which public concerns critical to the nation s future are reinterpreted in light of a Buddhist paradigm of power Author Juliane Schober begins by focusing on the public role of Buddhist practice and the ways in which precolonial Buddhist hegemonies were negotiated Her discussion then traces the emergence of modern Buddhist communities through the colonial experience the disruption of traditional paradigms of hegemony and governance the introduction of new and secular venues to power modern concerns like nationalism education the public place of religion the power of the state and Buddhist resistance to the center The continuing discourse and cultural negotiation of these themes draw Buddhist communities into political arenas either to legitimate political power or to resist it on moral grounds The book concludes with an examination of the way in which Buddhist resistance in 2007 known in the West as the Saffron Revolution was subjugated by military secularism and the transnational pressures of a global economy A skillfully crafted work of scholarship Modern Buddhist Conjunctures in Myanmar will be welcomed by students of Theravada Buddhism and Burma Myanmar readers of anthropology history of religions politics and colonial studies of modern Southeast Asia and scholars of religious and political practice in modern national contexts **Roar** Matteo Pistono, 2019-03-05 The captivating life story of renowned Buddhist activist Sulak Sivaraksa His Holiness the XIV Dalai Lama I believe Sulak and I share a conviction that if we are to solve human problems economic and technological development must be accompanied by an inner spiritual growth And if we succeed in fulfilling both these goals we will surely create a happier and more peaceful world Matteo Pistono s deft prose weaves together the story of Sulak Sivaraksa s years of social justice work and his tireless campaigns to effect change As a seminal figure in the world of socially engaged spirituality Sulak has given us a blueprint for peaceful nonviolent activism in the twenty first century More than forty vintage photos illustrate both his life and a turbulent period in Thailand s history **Thailand**

Charles F Keyes, 2019-07-09 Thailand is exceptional among modern states in Asia in that it has built and retained a national culture around a traditional monarchical institution. Moreover, this culture has also been based on a dominant religious tradition, that of Theravada Buddhism. The process of creating the modern nation state of Thailand out of the traditional Buddhist kingdom of Siam began in the nineteenth century when the rulers of Siam confronted with increasing pressure from the colonial powers of Britain and France were able to preserve their country's independence by instituting revolutionary changes that established the authority of a centralized bureaucracy throughout the country. The new state asserted its authority not only over Siamese who lived in the core area of the old kingdom but also over large numbers of Lao, Yuan or Northern Thai, Khmer, Malays, tribal peoples and other groups all of which had previously enjoyed relative autonomy and over the sizable immigrant Chinese population which was assuming an increasingly significant role in the economy. Because the rulers of the Siamese state strove to incorporate these diverse peoples into a Thai national community, how this community should be defined and what type of state structure should be linked with it have been dominant questions in modern Thai history. Significant tensions have arisen from the efforts by members of the Thai elite to make the monarchical traditions of the Bangkok dynasty, Buddhism and the central Thai language basic to Thai national culture. Other tensions have arisen as monarchy, military, bureaucracy, the Buddhist sangha, business interests and elected political representatives assert or maintain an authoritative position in the state structure. This book examines these tensions with reference to the major changes that have taken place in Thai society, economy, polity and culture in the twentieth century, especially since World War II.

More than Rural Jonathan Rigg, 2019-02-28 In the 1970s Thailand was developing but poor and largely agrarian. By the 1980s it had become the fastest growing large economy in the world and in the process made the transformation from a low income to a middle income economy. Fast forward to 2010 and Thailand had climbed yet another rung in the development ladder to become, according to World Bank criteria, an upper middle income economy. Throughout this period of economic and social transformation, contrary to historical experience and theoretical models, one thing has remained constant: the central role of Thai smallholder farming. This conundrum, the persistence of the smallholder in a time of extraordinary change, lies at the heart of this book. In *More than Rural*, author Jonathan Rigg explores how people in the countryside have adapted to their changing world, the new opportunities available and the consequences for rural life and living. The Thai government has successfully developed the countryside but with unexpected results. New household forms have emerged, women have become mobile in a manner few expected and relations between rural and urban have changed. Yet the smallholder has persisted and Rigg's attempts to understand why offer a fresh perspective on Thailand's development. Setting aside the urban industrial point of view that we so often privilege, Rigg asks different questions about Thailand's development. What if he wonders, the present changes are not simply way stations, transitions to the main act of urbanization? What if they represent a new form of rural livelihood? Rigg's thoughtful, nuanced approach to agrarian change, viewing the countryside as more than

agriculture the rural as more than the countryside and rural people as more than farmers offers insights into Thailand's wider transformations class identities intergenerational relations its political impasse and more Based on over three and a half decades of fieldwork in seventeen villages across three regions and encompassing more than one thousand households and a deep knowledge of primary and published sources *More than Rural* is a significant work with implications for contemporary development across Asia and the global South

Index, The Journal of the Siam Society, 1904-1993, and The Siam Society Newsletter, 1985-1989, 1994 Linguistic Diversity and National Unity William A.

Smalley, 1994-06-15 Unlike other multi ethnic nations such as Myanmar and India where official language policy has sparked bloody clashes Thailand has maintained relative stability despite its eighty languages In this study of the relations among politics geography and language William A Smalley shows how Thailand has maintained national unity through an elaborate social and linguistic hierarchy Smalley contends that because the people of Thailand perceive their social hierarchy as the normal order Standard Thai spoken by members of the higher levels of society prevails as the uncontested national language By examining the hierarchy of Thailand's diverse languages and dialects in light of Thai history education culture and religion Smalley shows how Thailand has been able to keep its many ethnic groups at peace *Linguistic Diversity and National Unity* explores the intricate relationship between language and power and the ways in which social and linguistic rank can be used to perpetuate order

Engaged Buddhism Christopher S. Queen, Sallie B. King, 1996-03-14 This is the first comprehensive coverage of socially and politically engaged Buddhism in Asia presenting the historical development and institutional forms of engaged Buddhism in the light of traditional Buddhist conceptions of morality interdependence and liberation

Religion Thomas A. Tweed, 2020 Religion plays a central role in human experience Billions of people around the world practice a faith and act in accordance with it Religion shapes how they enter the world and how they leave it how they eat dress marry and raise their children It affects law economy and government It sanctifies injustice and combats it Beginning with the first signs of religion among ancient humans and concluding with a look at modern citizens and contemporary trends leading scholar Thomas Tweed examines this powerful and enduring force in human society *Religion A Very Short Introduction* offers a concise non partisan overview of religion's long history and its complicated role in the world today
