A Cleric In Naples:

A Cleric in Naples Jacques Casanova De Seingalt, 2012-09-03 Giacomo Girolamo Casanova was born in Venice in 1725 to actress Zanetta Farussi wife of actor and dancer Gaetano Giuseppe Casanova. Giacomo was the first of six children being followed by Francesco Giuseppe 1727 1803 Giovanni Battista 1730 1795 Faustina Maddalena 1731 1736 Maria Maddalena Antonia Stella 1732 1800 and Gaetano Alvise 1734 1783. At the time of Casanova's birth the Republic of Venice thrived as the pleasure capital of Europe ruled by political and religious conservatives who tolerated social vices and encouraged tourism. It was a required stop on the Grand Tour traveled by young men coming of age especially Englishmen. The famed Carnival gambling houses and beautiful courtesans were powerful drawing cards. This was the milieu that bred Casanova and made him its most famous and representative citizen. [wikipedia](#)

A Cleric in Naples Giovanni Giacomo Casanova, Jacques Casanova, 2004-06-01 Dear reader I said enough at the end of the last chapter to make you guess what happened but no language would be powerful enough to make you realize all the voluptuousness which that charming being had in store for me. She came close to me the moment I was in bed. Without uttering one word our lips met and I found myself in the ecstasy of enjoyment before I had had time to seek for it.

A Cleric in Naples Jacques Casanova De Seingalt, 2007-11-28 The work revolves around the travel expeditions of a cleric who visits many holy places. Great spiritual attachments and religious passion is reflected in these pages. The trip to the bishop in Rome and other pilgrimages are narrated and they are a testament to Casanova's religious attachments.

Papal Music and Musicians in Late Medieval and Renaissance Rome Richard Sherr, 1998-05-21 This book collects twelve of the papers given at a conference held at the Library of Congress Washington D C on 1 3 April 1993 in conjunction with the exhibition Rome Reborn The Vatican Library and Renaissance Culture. A group of distinguished scholars considered music in medieval and Renaissance Rome. The volume presents a series of wide ranging and original treatments of music written for and performed in the papal court from the fourteenth to the sixteenth century. New discoveries are offered which force a radical reevaluation of the Italian papal court as a musical centre during the Great Schism. A series of motets for various popes are subject to close analysis. New interpretations and information are offered concerning the repertory of the papal chapel in the fifteenth and sixteenth centuries the institutional life of the papal singers and the individual biographies of singers and composers. Thought provoking even controversial evaluations of the music of composers connected with or thought to be connected with Rome and the papal court such as Ninot le Petit Josquin and Palestrina round out the volume.

The Memoirs of Jacques Casanova de Seingalt Giacomo Casanova, 2013-05-13 Casanova was an Venetian adventurer and author 1725 1798 His Memoirs provide an intimate insight into the life of European society in the eighteenth century These Memoirs are the history of a unique life a unique personality one of the greatest of autobiographies as a record of adventures They tell the story of a man who loved life passionately for its own sake one to whom woman was indeed the most important thing in the world but to whom nothing in the world was indifferent The bust which gives us the most lively notion of him shows us a great vivid intellectual face full of fiery energy and calm resource the face of a thinker and a fighter in one Introduction

Arthur Symons Pope Gregory's Letter-Bearers John R. C. Martyn, 2012-04-25 With the Lombards invading Italy and Slavs invading Illyria and very active slave dealers at work the number of men and women who reached Rome and carried a papal letter to sort out a legal or personal problem at home is quite surprising considering the slowness and the very real dangers of often long journeys in boats or on horseback They came from all over the civilized world many briefly appearing on the stage their mission quite often not reported later on Page 4 of cover

Hafsids and Habsburgs in the Early Modern Mediterranean Cristelle L. Baskins, 2022-11-24 This book explores an anonymous sixteenth century portrait of Muley al Hassan the Hafsid king of Tunis ca 1528 1550 that bears witness to relations between North Africa the Habsburgs and the Ottomans While Muley al Hassan appears frequently in the vast literature on Charles V Habsburg he is overshadowed by the emperor Here he emerges as a protagonist a figure whose shifting reputation can be traced well into the seventeenth century Images of the King of Tunis circulated in broadsheets ephemeral images made for triumphal entries manuscripts tapestry designs engravings and books The ceaseless production of Tunisian imagery allowed Europeans to face their North African counterparts through scenes of battle but also through imaginary encounters and festive cross dressing This book shows how portraits of Hafsid rulers challenge assumptions about the absolute divide between Christian and Muslim sovereign and subject the familiar and the foreign and they put a face on the entangled histories of the early modern Mediterranean

Mythology, Chronology, Idolatry Felix Schlichter, 2024-12-02 This book offers the first major study of the Augustinian historian and missionary Guillaume Bonjour 1670 1714 and places Bonjour s hitherto unstudied contributions to pagan mythography biblical chronology and ancient religion in their historical intellectual context It argues that Bonjour was part of a prominent scholarly tradition which advanced a new understanding of and approach to studying pagan antiquity an approach which if developed with the intention of elucidating and further confirming traditional assumptions about the authority of biblical history nevertheless proved innovative for the way in which it postulated a new relationship between the sacred and the profane in ancient history

The Constantinian Order of Saint George Guy Stair Sainty, 2018-12-01 According to legend the Constantinian Order is the oldest chivalric institution founded by Emperor Constantine the Great and governed by successive Byzantine Emperors and their descendants While this chronology was supported by multiple writers even into the twentieth century it has little historical basis Nonetheless the Angeli Farnese and Bourbon families which held the Grand Mastership could legitimately claim Byzantine imperial descent albeit in the female line and the Order s cross replicates that seen by Constantine in the vision recorded by both Lactantius and Eusebius writing very soon after Maximian s defeat at the battle of the Milvian Bridge The Order s emergence in the middle of the sixteenth century when Christian Europe was under assault from a militant Ottoman empire gained Papal support almost immediately and by the end of the seventeenth century the Order had mem

bers across the Italian peninsula in Spain Bavaria Austria and Bohemia Croatia and Poland Today the majority of the Order's members are found in Italy and Spain but there are also members in Portugal France Belgium Great Britain and Luxembourg with smaller groups in the Netherlands Germany and Sweden as well as an expanding membership in the United States This work examines the conversion of Constantine and the histories of the Angeli Farnese and Bourbon Grand Masterships with extensive reference to hitherto unpublished documents in the Vatican archives and in the Farnese and Bourbon archives in Naples These serve to confirm the close relationship the Order had with the Church and the high regard in which it was held by successive Popes as well as its autonomy as a subject of canon law independent from any crown or temporal sovereignty This unique status has enabled its hereditary Grand Masters to maintain this dignity after the absorption of the former Kingdom of the Two Sicilies into a united Italy The Order's autonomy coupled with the Grand Master's close links to the Spanish Crown has meant that Spanish and Italian citizens as well as the citizens of several other states which have accorded the Order recognition may obtain official permission to wear the Order's decorations 2018 is the three hundredth anniversary of the Papal Bull *Militantis Ecclesiae* which confirmed and approved the previous Papal acts concerning the Order and laid out the rights and privileges of the Order its Grand Masters and members In the early 20th century Pope Saint Pius X and Benedict XV conferred further privileges on the Order approving the statutes while the then future Pope Pius XII had been admitted to the Order in 1913 Today the Order is engaged in works of charity in conformity with the Church's teachings and includes among its members some thirteen Cardinals as well as some thirty members of reigning or former reigning families

The Cardinals Michael J. Walsh, 2011 Although a highly visible part of the ecclesiastical furniture of the Roman Catholic Church and the Vatican for thirteen centuries surprisingly little has been written about cardinals or apart from some notable individual biographies about the men who became papal princes The cardinals of the Roman Church are the nearly men of Catholicism those whose office since the 11th century has been chiefly to choose the Pope following efforts to wrest this power from Rome's nobility and militia This compelling history traces the origins and growth of the office of cardinal and tells the stories of some of the remarkable for all kinds of reasons men who have worn the red cap coveted by some refused on occasion and sometimes laid down in exchange for marriage though one maverick got wed in his red hat The Cardinals is an informative and entertaining look at the lives of some of the more colourful characters who have worn the cardinalial red or purple It reveals an unlikely company of saints and villains patrons of the arts and scholars cardinals who might have been pope but who were blackballed and cardinals who were deprived of the title because of their dissolute lives doubtful opinions or interference in papal policies There are diplomats in these pages statesmen kingmakers and soldiers

There are members of royal and noble families and the son of a Doge of Venice And there are the cardinals whose fame simply lies in their goodness and their care of the dioceses entrusted to them **The Liturgical Year: Passiontide and holy week, 3d edition. 1901** Prosper Guéranger, 1903
