Education Equity Walk in the Struggle for American Identity offers a compelling case study by Lenford Sutton recounting the author's parallel experience as the first black man to serve as the tempered radical in a historically white learning community. In the Southwest Drawing parallels with the tragic fate of Ahmad Aubrey in an unwelcoming community, Sutton sheds light on the visible and unseen cultural frameworks, racial habits, and value gaps leaders from non-dominant groups navigate when pursuing Diversity, Equity, and Inclusion goals and objects within the university strategic plans of Historically White Institutions. In addition, it captures deep reflection from the experience reframing problems in the spirit of Design Thinking with particular emphasis on Empathy as the Gateway to problem solving. Recognizing that Digital transformation, both cultural and demographic shifts, are the drivers of enormous changes that foster fear and increased uncertainty, the text emphasizes the new learnings and recommendations for leaders operating in similar circumstances. It connotes that tempered radicals often reside at the intersection of innovation and the status quo, and in the current cultural and technological disruption of higher education, can serve the institution well if deployed appropriately by university leadership to scale its culture.

God Is Speaking - Are You Listening? Steven W. Raasumaa, 2002. In July 1998, GOD approached a man to assist GOD and channel his will into the written word. This book is the result of that conversation. GOD is responsible for the flow, topics, and discussions. The man simply wrote what GOD spoke and what thoughts he received. GOD is speaking. Are you listening? My Story is GOD's full disclosure to his human family, including his laws of Life and Death. He speaks to Steve as a friend. That is a friend of GOD's, chosen by GOD. The fact that anyone would be allowed to hear his voice is astonishing. In this day and age of miracles, is it so far-fetched not to believe He speaks to Steve of his world, Heaven? He speaks of his Love for his human family. GOD tells it like he sees it. No soft touch, no political correctness, just the plain truth. GOD's Truth. July 5th 1998 4:00 P.M. I AM the GOD of ALL. The reason for this writing is that the stories I AM about to unfold to you through my friend Steve are stories to teach, inspire, and to create hope. Hope in that when you greet me in my Heavenly Kingdom, you will have a better understanding, appreciation, and moral imperatives necessary to the alleviation of your guilt. I AM in the world as a spirit of Love, hope, divine inspiration, and most of all, understanding. I have tried to conquer you and your fears by sending messengers to your world: Moses, Abraham, Isaac, and Jesus the Christ. I have been alive 50 million of your Earth years, and the stories I AM about to tell you are just one of many told countless times in my Kingdom.
