Forty-Nine Truths and the Pentecost John D. Richie, 2000-08-21 This work results from years of studying God's Word and observation of the current trends in Christianity The problem with Christianity today is that it has forgotten that the battle is not with those without but with the foolishness sin and unbelief in the believer The forty nine truths contained herein appear to be the most neglected in this age Considering that God's Word is not open to personal interpretation each Scripture quotation is left to individual understanding through the visitation of the Holy Spirit Although some explanation is given my intent is to guide the reader toward understanding and not to impose upon them my own understanding It is perhaps ironic that many Christians professing Jesus to be their Lord and Master may spend eternity in a place they would not desire God's Word states that a follower of Jesus that does not keep his sayings will not inherit the kingdom of heaven The truths discussed herein are the sayings of Jesus not mine The Pentecost follows these forty nine truths It is a day that is in the future It will be a happy day for many but the road thereto is troubled with much tribulation

Don't Call It a Comeback (Foreword by D. A. Carson) Kevin DeYoung, 2011-01-06 Recent cultural interest in evangelicalism has led to considerable confusion about what the term actually means Many young Christians are tempted to discard the label altogether But evangelicalism is not merely a political movement in decline or a sociological phenomenon on the rise as it has sometimes been portrayed It is in fact a helpful theological profile that manifests itself in beliefs ethics and church life DeYoung and other key twenty and thirty something evangelical Christian leaders present Don't Call It a Comeback The Same Evangelical Faith for a New Day to assert the stability relevance and necessity of Christian orthodoxy today This book introduces young new and under disciplined Christians to the most essential and basic issues of faith in general and of evangelicalism in particular Kevin DeYoung and contributors like Russell Moore Darrin Patrick Justin Taylor Thabiti Anyabwile and Tim Challies examine what evangelical Christianity is and does within the broad categories of history theology and practice They demonstrate that evangelicalism is still biblically and historically rooted and remains the same framework for faith that we need today

Thomas Norton. B.L. Jean Calvin, 1634 **Basis of Preaching Biblical Message: Preach the Word** Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book The Christian's New and Complete British Family Bible ,1800 Africa Bible Commentary Tokunboh Adeyemo, 2006 Publisher description *The Metaphysics of Creation* Norman Kretzmann, 1999-06-17 About Aquinas St Thomas Aquinas lived from 1224 5 to 1274 mostly in his native Italy but for a time in France He was the greatest of the medieval philosopher theologians and one of the most important of all Western thinkers His most famous books are the two summaries of his teachings the Summa contra gentiles and the Summa theologiae About this book Norman Kretzmann expounds and criticizes Aquinas s natural theology of creation which is natural or philosophical in virtue of Aquinas s having developed it without depending on the data of Scripture The Metaphysics of Creation is a continuation of the project Kretzmann began in The Metaphysics of Theism moving the focus from the first to the second book of Aquinas s Summa contra gentiles Here we find Aquinas building upon his account of the existence and nature of God arguing that the existence of things other than God must be explained by divine creation out of nothing He develops arguments to identify God s motivation for creating to defend the possibility of a beginningless created universe and to explain the origin of species He then focuses exclusively on creatures with intellects with the result that more than half of his natural theology of creation constitutes a philosophy of mind Kretzmann gives a masterful guide through all these arguments As before he not only expounds Aquinas s natural theology but advocates it as the best historical instance available to us Why Did Yahweh and

His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions
