Sherridean Abddeen,2025-10-03 In the small town of Harrison Ridge known for its tight knit community and deeply rooted values a series of strange events start to unfold Abigail Carter a determined investigative journalist with a reputation for uncovering the truth begins to dig into the mysterious disappearances of several local farmers and businessmen When she uncovers a connection to a well respected local leader Mayor Thomas Avery who has always been the heart of the community her investigation leads her down a path of betrayal manipulation and secrets that the town has kept hidden for years As Abigail gets closer to the truth she realizes that there's much more at stake than just a few missing people There's a deeper conspiracy at play one that could unravel everything the town stands for With the help of Caleb Matthews a local sheriff with a dark past Abigail must navigate a web of lies while questioning who she can truly trust But as they piece together the puzzle they discover that the betrayal cuts closer to home than either of them imagined leaving them to question if the truth is worth the price they may have to pay *John and Thomas--Gospels in Conflict?* Christopher W. Skinner,2009-06-01

The hypothesis that the Fourth Gospel is a theological response to the Gospel of Thomas is a recent development in the study of the New Testament and early Christianity Assuming an early date for the Gospel of Thomas the proponents of this hypothesis argue that the supposed polemical presentation of Thomas in the Fourth Gospel is evidence of a conflict between the early communities associated respectively with John and Thomas However a detailed narrative study reveals that the Fourth Gospel portrays a host of characters disciples and non disciples in an equally unflattering light where an understanding of Jesus's origins message and mission are concerned The present study attempts to demonstrate that the Fourth Gospel's presentation of Thomas is part and parcel of its treatment of uncomprehending characters If this thesis is correct it poses a significant challenge to the assumption that the Fourth Gospel contains a polemic against Thomas or that it was written in response to the Gospel of Thomas or the community associated with Thomas Blind to Betrayal Jennifer Freyd,Pamela Birrell,2013-02-14
