place and an idea *Betsy's Dream* Edna Newbury,2012-10-30 Growing up alone with no siblings Betsy always felt alone She always wanted a big family but that wasn t going to happen When her best friend moved away she was devastated She never could imagine that losing her parents as well was going to take a big toll on her life for the bad and the good She would find further in life that she could be happy again and that dreams do come true She always dreamed of owning a horse and competing with it All she ever wanted to do was to be an equestrian Later she would understand and believe that angels do exist and that there were some watching over her Finding true love was going to be a blessing in disguise for her and finding it was just around the corner Things happen for a reason and miracles do come true **New York Magazine**
