

Coping with Peer Pressure

Peer pressure is when people try to make you do things you don't want to do. Some kids might pretend to be your friend but then turn mean if you don't do what they say. If a peer is trying to get you to do something you don't want to do, here's a list of ways you can cope!

1

Trust your feelings! If something seems like a bad idea, don't do it. Be confident in your choices.

2

Stand up for yourself nicely. That's called being assertive. Let people know if you're not comfortable with what they're asking.

3

It's totally okay to say "no." Practice saying it in different situations so you'll be ready when you need to. Sometimes, you might have to say it more than once. Stay strong in your decision, and real friends won't push you to do things that make you uncomfortable.

4

If someone suggests something you're not comfortable with, offer a better idea that won't get anyone in trouble or hurt. For example, "Instead of skipping school, let's plan to go to the movies on Saturday night!"
