Corporate Affair:

Corporate Affairs ,1988 Corporate Vs. Corporate: A Murder Mystery Uttam Mukherjee,2025-05-12 This is the final novel in the author's Corporate Crime Trilogy following the widely acclaimed The Mystery of the Genes and Devils of Dubai. Packed with suspense, corporate rivalry and high stakes deception, this thriller will keep you hooked until the very end. The story begins with the shocking murder of Kamal Mehra, the Managing Director of the Mehra Group of Industries, inside his own office. That same night, the family's patriarch Purushottam Mehra is haunted by a disturbing thought: Was I also poisoned a year ago? For decades, two powerful business families, the Mehras and the Khannas, have been at war. Once partners, their bitter feud has led to corporate espionage, stock market raids, character assassinations, and now murder. With their company under threat, the Mehras bring in two skilled female detectives to uncover the truth and protect their legacy. But in a world where betrayal lurks at every corner, can they expose the mastermind before it's too late? A gripping tale of business power and mystery, this fast-paced thriller is perfect for readers who love suspenseful crime fiction with unexpected twists.

Corporate Governance Bob Tricker, Robert Ian Tricker, 2019 The most authoritative, complete and critical guide to corporate governance Corporate Governance System Of Japanese Multinational Companies: A Quantitative Evaluation Dipak R Basu, Victoria Miroshnik, 2019-01-16 The purpose of this book is to study an unexplored area of corporate governance. The authors examine whether the corporate governance system can be affected by organizational culture, leader culture, and the operations management system in general. In addition, they study how a specific corporate governance system can affect the organizational culture and operations management system and create a different type of leader culture. This is an in-depth study of Japanese multinational companies and a comparison of their corporate governance system at home in Japan and in host countries like Britain, India, and Thailand. The authors conducted a series of in-depth interviews with the senior executives of major Japanese multinational companies to construct quantitative models for Japan, Thailand, and India and to analyze the aforementioned propositions **Corporate Governance in India - Challenges** Ram K Narayan, 2021-06-11 Foreword note for the book is by Mr. Shailesh Haribhakti, Chartered Accountant, the only Indian to receive the Global Competent Board's Certification, declaring him as ESG ready. He is also a winner of several corporate governance awards, including the best Independent Director. He is a fellow of IOD. Unique feature of the book lies in the elaboration of the role of IDs and committees of board templates for mandatory codes, policies, and reports, both incorporating requirements under SEBI Regulations Act. Despite India having the best Corporate Governance framework, the corporate frauds that keep surfacing underline that the IDs and Auditors are yet to become independent in letter and spirit. Case of a listed PSU which failed to discharge fiduciary responsibilities, leading to the end of a good project and loss of huge public funds, is also covered in the book , Corporate Governance Framework in Nigeria Olusola A.
