Sekou Clincy

Coping When A Parent Is Gay:

Coping when a Parent is Gay Deborah A. Miller, 1993 Examines the impact of a parent's sexual orientation on family relationships describing the experiences of young people in various types of families *Lesbians and Gay Men as Foster Parents* Wendell Ricketts, 1991 [Reader's Guide to Lesbian and Gay Studies](#) Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report *Coping with your Grown Children* Edwin L. Klingelhofer, 2013-03-07 *Coping With Your Grown Children* is the only book to analyze and lay out specific coping strategies for dealing with the problems today's parents face with their adult offspring such as failure of the child to really grow up or achieve full potential unemptied nests moving back home after broken marriages turning your home into a daycare center for your grandchildren substance abuse cult involvement trouble with the law alternative lifestyles or homosexuality physical or psychiatric problems or maybe you just think there's a problem **Sons Talk About Their Gay Fathers** Andrew Gottlieb, 2014-01-14 Examine the impact of disclosure on sons whose fathers are gay In this book Andrew Gottlieb author of *Out of the Twilight Fathers of Gay Men Speak* explores yet another side of the impact of homosexuality on families He now looks at how sons react to learning that their fathers are gay allowing us to see over time how this has changed their family relationships and their own lives Simply and elegantly written this psychoanalytically oriented qualitative research study is accessible to both the beginner and the more advanced researcher and practitioner It draws from a wide range of literary popular and psychological sources and includes an interview guide a reference section and an index When someone discloses as gay lesbian or bisexual it is not just an individual event It is a family event Based on estimates of married gay lesbian and bisexual persons a spouse's coming out affects up to 2 000 000 couples Yet its impact has been largely ignored Children's voices are the least often heard Little has been written about sons of fathers who came out during or after marriage Data for studies that do exist most often draw from the fathers point of view The significance of this study lies in its comprehensive detailed picture of sons and gay fathers as they develop their separate self images as well as the images of their son father relationships over time Painful sensitive often triumphant the stories and the author's analysis of their thoughts perceptions and feelings afford a multidimensional longitudinal viewing Step by step we follow the complicated dance of these sons and fathers as they develop and define their connection from the Foreword by Amity Pierce Buxton Author of *The Other Side of the Closet The Coming Out Crisis for Straight Spouses and Families Sons Talk About Their Gay Fathers Life Curves* is a storybook an extended narrative moved along but not overshadowed by psychoanalytic theory The Introduction briefly reviews more recent writings of the fathering experience as told by gay men themselves

setting the stage for Father to Child to look at the father as seen through the ever shifting eyes of his son at different phases of the life cycle The Quest for the Real Father an examination of sons responses to their fathers homosexuality as captured in film fiction nonfiction television and the psychological literature Methodology the story of the research process including sampling the search for subjects trustworthiness the interview bias and data collection The Stories an anthology of narratives the author constructed from the interview material painting an intimate portrait of each individual son Findings a categorical analysis Discussion a summary of all the preceding material cast in a developmental framework highlighting implications for future research and clinical practice

101 Frequently Asked Questions About Homosexuality Mike Haley, 2004-06-01 101 Probing Questions 101 Compassionate and Scriptural Answers from Focus on the Family's Mike Haley Almost daily we hear news reports that confirm the acceptance of homosexuality in our culture Homosexuals are adopting children appearing as characters on television programs taking vacations catering to an exclusively gay clientele and even seeking the right to marry their partners But is this acceptance healthy for society Few topics can raise so many questions so quickly And for many readers those questions hit close to home as they learn of the homosexuality of a loved one or close friend Here are the answers to the most often asked questions about homosexuality fielded by an expert on the subject and a former homosexual himself

LGBTQ Parents and Their Children during the Family Life Cycle Nicola Carone, Henny Bos, Geva Shenkman, Fiona Tasker, 2021-03-26

The LGBT Casebook Petros Levounis, Jack Drescher, Mary Barber, 2012-04-16 Even in today's more enlightened society it takes courage for many lesbian gay bisexual and transgender LGBT individuals to come out of the closet and embrace their sexual orientation and identity Coming out or facing internal and societal conflicts related to sexuality involves a great deal of anxiety that can permeate other aspects of an LGBT individual's life particularly when seeking psychiatric treatment The goal of The LGBT Casebook is to help clinicians trainees and other mental health professionals address the mental health needs of LGBT people in the context of problems these individuals face in their everyday lives including homophobia and discrimination The LGBT Casebook begins with five chapters devoted to basic concerns that affect LGBT populations including coming out heterosexist attitudes the don't ask don't tell mentality legal issues gay parenting and sexual identity in patient therapist relationships In the rest of the book clinician authors present case studies of 20 patients with different DSM diagnoses illuminating the impact of LGBT identity and illustrating a way of working with each presented patient Features and benefits of The LGBT Casebook include Insights into the unique problems LGBT people face in their everyday lives when compared with heterosexual individuals Problems that are common to all LGBT individuals such as the anxiety of being in the closet hiding one's identity or coming out embracing one's identity Practitioners with little experience in working with the LGBT population can gain a better understanding of psychiatric diagnoses within the context of an LGBT individual's everyday life The book can be read cover to cover to gain insights into the full diversity of the LGBT population or by specific chapters of interest to help with the diagnosis of a patient currently in

treatment A glossary at the back of the book defines both clinical and colloquial terms and phrases that clinicians and patients use to define themselves and their peers While The LGBT Casebook is the ideal general overview and roadmap for the clinician new to treating LGBT patients it also provides new pearls of wisdom and insights for psychiatrists residents medical students nurses and clinical social workers who are already familiar with working with the LGBT community By introducing a diverse range of people diagnoses and presenting problems it will serve as a valuable reference book for all mental health professionals when assessing and treating the mental health concerns of lesbian gay bisexual and transgender patients

Encyclopedia of Adolescence Roger J.R. Levesque, 2014-07-08 The Encyclopedia of Adolescence breaks new ground as an important central resource for the study of adolescence Comprehensive in breath and textbook in depth the Encyclopedia of Adolescence with entries presented in easy to access A to Z format serves as a reference repository of knowledge in the field as well as a frequently updated conduit of new knowledge long before such information trickles down from research to standard textbooks By making full use of Springer's print and online flexibility the Encyclopedia is at the forefront of efforts to advance the field by pushing and creating new boundaries and areas of study that further our understanding of adolescents and their place in society Substantively the Encyclopedia draws from four major areas of research relating to adolescence The first broad area includes research relating to Self Identity and Development in Adolescence This area covers research relating to identity from early adolescence through emerging adulthood basic aspects of development e.g biological cognitive social and foundational developmental theories In addition this area focuses on various types of identity gender sexual civic moral political racial spiritual religious and so forth The second broad area centers on Adolescents Social and Personal Relationships This area of research examines the nature and influence of a variety of important relationships including family peer friends sexual and romantic as well as significant nonparental adults The third area examines Adolescents in Social Institutions This area of research centers on the influence and nature of important institutions that serve as the socializing contexts for adolescents These major institutions include schools religious groups justice systems medical fields cultural contexts media legal systems economic structures and youth organizations Adolescent Mental Health constitutes the last major area of research This broad area of research focuses on the wide variety of human thoughts actions and behaviors relating to mental health from psychopathology to thriving Major topic examples include deviance violence crime pathology DSM normalcy risk victimization disabilities flow and positive youth development

Current Perspectives on Sex Crimes Ronald M. Holmes, Stephen T. Holmes, 2002 A combination of reprinted articles most published during the past two years and original contributions solicited for the anthology offer a snapshot of the criminal justice understanding of various crimes relating to or involving sex After a basic overview of sex in the 21st century they look at nuisance sex behaviors and crime homosexuality transvestism and transsexualism juvenile sex crimes and behaviors of offenders and victims dangerous sex crimes rape and special issues and concerns

Handbook of Parenting Marc H.

Bornstein,2019-02-01 This highly anticipated third edition of the Handbook of Parenting brings together an array of field leading experts who have worked in different ways toward understanding the many diverse aspects of parenting Contributors to the Handbook look to the most recent research and thinking to shed light on topics every parent professional and policymaker wonders about Parenting is a perennially hot topic After all everyone who has ever lived has been parented and the vast majority of people become parents themselves No wonder bookstores house shelves of how to parenting books and magazine racks in pharmacies and airports overflow with periodicals that feature parenting advice However almost none of these is evidence based The Handbook of Parenting is Period Each chapter has been written to be read and absorbed in a single sitting and includes historical considerations of the topic a discussion of central issues and theory a review of classical and modern research and forecasts of future directions of theory and research Together the five volumes in the Handbook cover Children and Parenting the Biology and Ecology of Parenting Being and Becoming a Parent Social Conditions and Applied Parenting and the Practice of Parenting Volume 3 Being and Becoming a Parent considers a large cast of characters responsible for parenting each with her or his own customs and agenda and examines what the psychological characteristics and social interests of those individuals reveal about what parenting is Chapters in Part I on The Parent show just how rich and multifaceted is the constellation of children s caregivers Considered first are family systems and then successively mothers and fathers coparenting and gatekeeping between parents adolescent parenting grandparenting and single parenthood divorced and remarried parenting lesbian and gay parents and finally sibling caregivers and nonparental caregiving Parenting also draws on transient and enduring physical personality and intellectual characteristics of the individual The chapters in Part II on Becoming and Being a Parent consider the intergenerational transmission of parenting parenting and contemporary reproductive technologies the transition to parenthood and stages of parental development and then chapters turn to parents well being emotions self efficacy cognitions and attributions as well as socialization personality in parenting and psychoanalytic theory These features of parents serve many functions they generate and shape parental practices mediate the effectiveness of parenting and help to organize parenting

level text on social work practice with gays and lesbians this book is designed to provide social work students academics and practitioners with an understanding of the values and ethics fundamental to practice with this group of clients Foundations of Social Work Practice with Lesbian and Gay Persons summarizes the variety of issues dynamics and techniques required to work effectively with gay and lesbian clients who are at different points in their development and life cycles To further help you in your practice it also discusses providing skilled professional assistance to gay victims of hate crimes how homophobia can prevent lesbians and gay men from receiving adequate services the obstacles social workers sometimes face when trying to integrate the core set of professional values and ethical principles into their practice practitioner self disclosure regarding sexual identity developmental milestones for lesbian and gay persons alcohol and substance abuse among lesbians family therapy concepts of fusion and enmeshment same gender socialization assessing issues of sexual expression Counselors social workers and students and academics in gay and lesbian studies will find that Foundations of Social Work Practice with Lesbian and Gay Persons greatly expands the social work knowledge base to disrupt the impact of institutional individualized and internal homophobia on social workers their clients and the institutions in which social workers practice Its flexible and creative treatment approaches to therapy with sexual minorities are sure to help you sensitize your therapeutic techniques and improve the quality of care you deliver

Grief and Bereavement in Contemporary Society Robert A.

Neimeyer, Darcy L. Harris, Howard R. Winokuer, Gordon Thornton, 2021-09-08 Grief and Bereavement in Contemporary Society is the authoritative guide to the study of and work with major themes in bereavement The classic edition includes a new preface from the lead editors discussing advances in the field since the book's initial publication The book's chapters synthesize the best of research based conceptualization and clinical wisdom across 30 of the most important topics in the field The volume's contributors come from around the world and their work reflects a level of cultural awareness of the diversity and universality of bereavement and its challenges that has rarely been approximated by other volumes This is a readable engaging and comprehensive book that shares the most important scientific and applied work on the contemporary scene with a broad international audience It's an essential addition to anyone with a serious interest in death dying and bereavement

The Socialization of the African American Child: Sekou Clincy, 2010-08-05 The main objective of this book is to afford readers a comprehensive view of the current state of the African American experience from the perspective of a child and youth Oftentimes members within and outside the African American community fail to objectively critique this culture The worst of the culture is perpetuated due to the lack of understanding of the origins of African American history and how that history relates to the socialization process This book also explores the generational influence in socializing African American children Beginning with the Great Depression generation to the hip hop and generation Y generations the norms and values passed down to African American children are examined As significant as passing down norms and values are most normally little stock is given by parents toward instilling a sense of honor for community environment and service to

others From society's viewpoint most Americans feel that only African Americans can shape the development of black children and youth a great misconception There are many white Native American Hispanic and Asian teachers involved in the development of African American children On average black children youth spend an average of seven hours in school with educators of all races and ethnicities However very few to none of these experiences are in institutional settings where their culture is at the center of learning Is African American culture on a path towards extinction Are African American parents and immediate caregivers preparing their children to effectively function in a global technological age Is African American culture on a path towards extinction Are African American parents and immediate caregivers preparing their children to properly function in a global technological age These questions and more will be addressed in this book *Oedipal Experiences in Same-Sex Families* Yifat Eitan-Persico, 2024-04-18 This book updates the Oedipus complex for a contemporary audience in the light of social and cultural changes and explores its implications for psychoanalytic treatment and our understanding of queer families Growing evidence during the past few decades indicates that children who grow up in same sex families adapt well These findings which do not conform to the predictions of Oedipal theory expose the theory's biases and call for reexamination of its premises This book based on ground breaking research and pursues a methodical investigation of the characteristics of the same sex families that defy the expectations of Oedipal theory Furnished with vivid illustrations it invites the reader to engage actively in the interpretive effort and presents a diverse and complex story about kinship opening a window onto a rich world of infantile phantasies and parents psychological conflicts at the fascinating intersection of the personal and the social *Oedipal Experiences in Same Sex Families* will appeal to psychoanalysts psychotherapists educators and policymakers same sex parents and parents who were assisted by gamete donation Using Literature to Help Troubled Teenagers Cope with Identity Issues Jeffrey S. Kaplan, 1999-11-30 The search for one's identity is an ancient quest reflected throughout history in stories where human glory and conquest are often layered with great pain and self doubt meant to help people discover themselves and who they are Today this quest is found prevalently in young adult novels where characters wrestle with modern dilemmas in order to find themselves This reference resource provides a link for teachers media specialists parents and other adults to those novels and how to use them effectively Educators and therapists explore the literature where common identity issues are addressed in ways intriguing to teens Using fictional characters these experts provide guidance on how to encourage adolescents to cope while improving their reading and writing skills Twelve novels are examined from both a literary and psychological perspective allowing the readers to meet the central figures as if they were living human beings Each chapter is written by a literature specialist who has teamed up with a therapist and confronts a different identity issue examining such dilemmas as body image the father son relationship bigotry and peer relations This pair of experts tries to define the central character's struggle in each novel to discover who they are and to become self actualized individuals Each chapter also provides an annotated bibliography of other works both

fiction and nonfiction that explore these same issues to give readers not only the insight into helping teenagers with similar problems but also the tools with which to get teenagers reading and addressing these problems This innovative approach is meant to provide the opportunity for adults and adolescents to better understand each other *The Zuckerman Parker Handbook of Developmental and Behavioral Pediatrics for Primary Care* Marilyn Augustyn, Barry S. Zuckerman, Elizabeth B. Caronna, 2010-09-29 The thoroughly updated Third Edition of this popular handbook provides practical guidance on diagnosing and treating children with developmental and behavioral problems in the primary care setting Chapters written in outline format address topics ranging from everyday problems such as biting and social avoidance to serious and complex psychiatric disorders such as anorexia and depression This edition includes new chapters on dealing with difficult child behavior in the office alternative therapy for autism spectrum disorders treatment of autism spectrum disorders oppositional defiant disorder bilingualism health literacy incarcerated parents and military parents Recommended readings for physicians and parents are included A companion website includes the fully searchable text *Understanding Homosexuality, Changing Schools* Arthur Lipkin, 2018-02-12 BRINGING TOGETHER thirteen topics related to homosexuality and education Understanding Homosexuality Changing Schools provides a foundation in gay lesbian studies and offers models for equity inclusion and school reform It is designed to help educators policymakers and the public understand the significance of gay and lesbian issues in education aid communication between gay lesbian students and their families and schools facilitate the integration of gay and lesbian families into the school community and promote the inclusion of gay and lesbian curricula in a range of disciplines It also seeks to promote the healthy development of all students through reducing bigotry self hatred and violence This volume makes the gay lesbian bisexual and transgender experience part of a democratic multicultural vision

The Role of the Father in Child Development Michael E. Lamb, 2010-04-05 The Definitive reference on the important role fathers play in child development today Edited by Dr Michael Lamb the recognized authority on the role of fathers in child development The Role of the Father in Child Development Fifth Edition brings together contributions from international experts on each subject to provide a thorough and current summary of the state of fatherhood across cultures classes economic systems and family formations This classic guide offers a single source reference for the most recent findings and beliefs related to fathers and fatherhood This thoroughly updated new edition provides the latest material on topics such as The effects of divorce Fathers from low income backgrounds Stepfathers lives exploring social context and interpersonal complexity Social policy Gay fathers Fatherhood and masculinity The definitive book on when why and how fathers matter to their children and families The Role of the Father in Child Development Fifth Edition is an essential reference for all mental health professionals who endeavor to understand and support fathers in becoming positive influences in their children s development Using Literature to Help Troubled Teenagers Cope with Family Issues Joan Kaywell, 1999-04-30 This unique resource for teachers librarians counselors and parents combines the expertise of literacy experts and therapists Together

these professionals provide guidance through the examination and analysis of characters in young adult literature to those working with troubled teens. Thereby helping professionals and parents gain insight into the inner workings of teenagers and encourage them to deal with their family issues and emotional problems while improving their reading and writing skills.
