Cornish Rhapsody:

Mobilizing Music in Wartime British Film Heather Wiebe, Teaching Professor in Music and Liberal Studies Heather Wiebe, 2024-10-11 Mobilizing Music in Wartime British Film examines the preoccupation with art music and total war that animated British films of the 1940s **The Gendered Score: Music in 1940s Melodrama and the Woman's Film** Heather Laing, 2017-07-05 Heather Laing examines for the first time the issues of gender and emotion that underpin the classical style of film scoring but that have until now remained unquestioned and untheorized thus providing a benchmark for thinking on more recent and alternative styles of scoring Many theorists have discussed this type of music in film as a signifier of emotion and the feminine a capacity in which it is frequently associated with female characters The full effect of such an association on either female or male characterization however has not been examined This book considers the effects of this association by progress through three stages cultural historical precedents the generic parameters of melodrama and the woman s film and the narrativization of music in film through diegetic performance and the presence of musicians as characters Case studies of specific films provide textual and musical analyses and the genres of melodrama and the woman s film have been chosen as representative not only of the epitome of the Hollywood scoring style but also of the narrative association of women emotion and music Laing leads to the conclusion that music functions as more than merely a signifier of emotion Rather it takes a crucial role in both indicating and determining how emotion is actually understood as part of the construction of gender and its representation in film **British Film Music and Film Musicals** K. Donnelly, 2007-08-16 In the first book length consideration of the topic for sixty years Kevin Donnelly examines the importance of music in British film concentrating both on musical scores such as William Walton s score for Henry V 1944 and Malcolm Arnold s music for The Bridge on the River Kwai 1957 and on the phenomenon of the British film musical **Cornish Rhapsody** John Hubert Bath, 1978 **Billboard** , 1948-04-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Répertitres François Verschaeve, 2007 **Sergei Rachmaninoff** Sergei Bertensson, Jay Leyda, 2001 Throughout his career as composer conductor and pianist Sergei Rachmaninoff 1873 1943 was an intensely private individual When Bertensson and Leyda s 1956 biography appeared it lifted the veil of secrecy on several areas of Rachmaninoff s life especially concerning the genesis of his compositions and how he was affected by their critical reception These pages are fabulously peopled Here we find the Tchaikovsky brothers Rimsky Korsakov Scriabin Glazunov and Stravinsky as well as Chekhov Stanislavsky Chaliapin Fokine Hofmann and Horowitz This biography reflects direct consultation with a number of people who knew Rachmaninoff worked with him and corresponded with him Even with the availability of such sources and full access to the Rachmaninoff Archive at the Library of Congress Bertensson Leyda and Satina Rachmaninoff s cousin and

sister in law were tireless in their pursuit of privately held documents particularly correspondence The wonderfully engaging product of their labours masterfully incorporates primary materials into the narrative Almost half a century after it first appeared this volume remains essential reading Billboard ,1950-03-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,1948-04-10 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Dreams of Love** Ivan Raykoff,2014 Dreams of Love pursues a wide ranging interdisciplinary approach to understanding the concert pianist as a Romantic and seductive even erotic figure in the popular imagination focusing on the role of technology in perpetuating this mythology over the past two centuries through the touch sights and sounds of the pianist's playing *The Healing Energies of Music* Hal A. Lingerman,2014-04-01 Certain types of music can enhance intellectual and spiritual powers and help overcome insomnia boredom anger and stress Music therapist and teacher Hal Lingerman presents a wealth of resources for choosing just the right music for physical emotional and spiritual growth and healing This updated edition offers comprehensive listings of current recordings including new and remastered CDs with selections from the classics contemporary and ethnic compositions and music composed by and for women It includes expanded chapters on Women's Music World Music the Music of Nature and Angelic Music **American Popular Music and Its Business** the late Russell Sanjek,1988-07-28 Volume three of this work focuses on developments in the music business in the twentieth century from its earliest days to the present era The Piano on Film David Huckvale,2022-03-02 Since the early days of silent film accompaniment the piano has played an integral part in the history of cinema Film's fascination with the piano both in soundtracks and onscreen as a status symbol and icon of popular romanticism offers a revealing opportunity to chart the changing perception of the instrument From Mozart to Elton John this book surveys the cultural history of the piano through the instrument's cinematic functions Composer biopics such as *A Song to Remember* romantic melodramas like the Liberace vehicle *Sincerely Yours* and horror films such as *The Hands of Orlac* along with animated cartoons featuring Bugs Bunny and Tom and Jerry demonstrate just how pervasive the cinematic image of the piano once was during a period when the piano itself began its noticeable decline in everyday life By examining these depictions of the piano onscreen readers will begin to understand not only the decline of the piano but also the decline of the idealistic culture to which it gave birth in the nineteenth century *The Attic* Fran Caldwell,2013-11-20 Young Toronto graphic artist Strachan pronounced Strawn per the Gaelic Marshall is a loner and could be considered something of a loser Things change dramatically when she is compelled to check out an attic in an eerie derelict building and finds herself feverishly transcribing

the journal of Celia a young Englishwoman from decades earlier who relates her experiences in war torn Britain Naturally practical Strachan refuses to coin the word ghost The whole thing is an exciting adventure When she produces a poignant memoir which focuses on the apparently doomed affair between Celia a WAAF Women s Auxiliary Air Force and Alex an RAF serviceman with detailed descriptions of the era which appear to be as accurate as if Strachan had lived through it herself people are bound to have questions Telling the truth would mark Strachan as psychotic so she lies saying she did a lot of research She didn t Only those closest to her know about The Attic **Golden Harvest** Andrew Tompsett,2006 This publication provides a history of daffodil growing in Cornwall and the Isles of Scilly from its origins in the nineteenth century to the modern industry of the early twenty first century **The Way That We Climbed** Paddy O'Leary,2015-03-20 Hillwalking is one of Ireland s most popular leisure activities today Rock climbing has developed to a level of technical excellence with crags in almost every county and numerous indoor climbing walls Irish mountaineers have completed winter ascents in the Alps scaled the highest Himalayan peaks and other previously unclimbed giants and explored hitherto unknown valleys Paddy O Leary recounts the history of hillwalking and mountaineering in Ireland from the early activists some were involved in gunrunning others died at Gallipoli until the turn of the millennium when mountaineering in Ireland was no longer the preserve of the middle class This history recounts the adventures dangers successes and failures which make this multifaceted activity such a fascinating one and mirrors the spirit of all who love these places Also available The Longest Road by Sean Rothery *BBC Sports Report* Pat Murphy,2022-09-29 **SHORTLISTED FOR THE SUNDAY TIMES SPORTS BOOK AWARDS 2023 SPORTS ENTERTAINMENT BOOK OF THE YEAR** Sports Report is as much a 75 year history of sport as a BBC radio institution and Pat Murphy pays handsome tribute to a programme that is still followed affectionately by millions For nearly 75 years one BBC programme has been a constant factor in chronicling the way sport is covered in all its many facets It has been a window on the sporting world all over the globe packed tightly into every Saturday evening for the bulk of the year First broadcast in 1948 Sports Report is the longest running radio sporting programme in the world and one of the BBC s hardy perennials Pat Murphy has been a reporter on the programme since 1981 and here he sifts comprehensively through the experiences of his contemporaries and those who made their mark on Sports Report in earlier decades He hears from commentators reporters producers presenters and the production teams who regularly achieved the broadcasting miracle of getting a live programme on air without a script adapting as the hour of news reaction and comment unfolded Drawing on unique access from the BBC Archives Unit he highlights memorable moments from Sports Report details the challenges faced in getting live interviews on air from draughty noisy dressing room areas and celebrates the feat of just a small production team in the studio who somehow get the show up and running every Saturday with the clock ticking implacably on **Eyewitness at Dieppe** Ross Reyburn,2022-10-20 In August 1942 Allied forces mounted an attack on the German held port of Dieppe titled Operation Jubilee it represented a rehearsal for invasion The amphibious attack saw

over 6 000 infantrymen predominantly Canadian put ashore tasked with destroying German structures and gathering intelligence The doomed raid was an abject failure and became Canada s worst military disaster Eyewitness at Dieppe is a long overdue reissue of New Zealand born writer Wallace Reyburn s dramatic account of the raid He was with the first soldiers clambering ashore and aboard the last ship returning to England after six hours of carnage Awarded an OBE as the only war correspondent to witness the street fighting first hand Reyburn was fortunate not be numbered among Dieppe s dead suffering just a minor wound inflicted by mortar shell fragments His book *Rehearsal for Invasion* was a wartime bestseller Accompanied by freelance journalist Ross Reyburn s new foreword on his father s account this new edition tells us more about Wallace s intriguing life and details the shortcomings of his father s book dictated by wartime censorship corrected in the post war years through a withering condemnation of raid s mastermind Lord Mountbatten

They Shot, He Scored James K. Wright, 2019-04-30 Eldon Davis Rathburn 1916 2008 one of the most multi dimensional prolific and endlessly fascinating composers of the twentieth century wrote more music than any other Canadian composer of his generation During a long and productive career that spanned seventy five years Rathburn served for thirty years as a staff composer with the National Film Board of Canada 1947 76 scored the first generation of IMAX films and created a diverse catalogue of orchestral and chamber works With the aid of extensive archival and documentary materials *They Shot He Scored* chronicles Rathburn s life and works beginning with his formative years in Saint John New Brunswick and his breakthrough in Los Angeles in connection with Arnold Schoenberg and the LA Philharmonic Orchestra The book follows his work at the NFB his close encounters with some of the most celebrated international figures in his field and his collaboration with the team of innovators who launched the IMAX film corporation James Wright undertakes a close analytical reading of Rathburn s film and concert scores to outline his methods compositional techniques influences and idiosyncratic approach to instrumentation as well as his proto postmodern proclivity for borrowing from diverse styles and genres Authoritative and insightful *They Shot He Scored* illuminates the extraordinary career of an unsung creative force in the film and music industry

The Music Sound Nicolae Sfetcu, 2014-05-07 A guide for music compositions events forms genres groups history industry instruments language live music musicians songs musicology techniques terminology theory music video Music is a human activity which involves structured and audible sounds which is used for artistic or aesthetic entertainment or ceremonial purposes The traditional or classical European aspects of music often listed are those elements given primacy in European influenced classical music melody harmony rhythm tone color timbre and form A more comprehensive list is given by stating the aspects of sound pitch timbre loudness and duration Common terms used to discuss particular pieces include melody which is a succession of notes heard as some sort of unit chord which is a simultaneity of notes heard as some sort of unit chord progression which is a succession of chords simultaneity succession harmony which is the relationship between two or more pitches counterpoint which is the simultaneity and organization of different melodies and rhythm which is the

organization of the durational aspects of music
