

## WEEK 3

### SPORTS ETHICS

Winning becomes very important to us when we are busy with sports or when we play with our peers.

It always feels better to win than to lose. Remember that it is worth it only if you do it honestly and fairly.

Ethics – standards by which people choose to live in terms of good or bad behavior.

#### Guidelines for ethical behavior in sport

1. Play Fair

Follow the rules of the game. Be honest when you violate it. Being honest about exercise and not using performance or drugs to win refers to fair play.

2. Respect

You must respect the rules of the game as well as your opponents. Don't try to hurt your opponent emotionally or physically.

3. Never give up

Don't stop trying just because you're losing. It is important to try your best.

4. Don't make excuses

It's unethical to make excuses for the reason you lost. You also shouldn't blame a teammate for why you lost.
