Behind the Gates of Gomorrah Stephen Seager, 2014-09-16 A darker twist on Orange is the New Black this true insider's account delivers an eye opening look into the nation's largest state run forensic hospital a facility that houses the real life Hannibal Lecters of the world Psychiatrist Stephen Seager was no stranger to locked psych wards when he accepted a job at California's Gorman State hospital known locally as Gomorrah but nothing could have prepared him for what he encountered when he stepped through its gates a triple sally port behind the twenty foot walls topped with shining coils of razor wire Gorman State is one of the nation's largest forensic mental hospitals dedicated to treating the criminally insane Unit C where Seager was assigned was reserved for the bad actors the mass murderers serial killers and the real life Hannibal Lecters of the world Against a backdrop of surreal beauty a verdant campus like setting where peacocks strolled the grounds is a place of remarkable violence a place where a small staff of clinicians are expected to manage a volatile population of prison hardened ex cons where lone therapists lead sharing circles with sociopaths where an illicit underground economy flourishes and where patients and physicians often measure their lives according to how fast they can run To cross through the gates of Gomorrah is to enter a looking glass world where the trappings of the normal calendar year exist Halloween dances and Christmas parties complete with visits from Santa springtime softball teams and basketball leagues but marked with paroxysms of brutality Santa goes berserk and peopled by figures from our nightmares Behind the Gates of Gomorrah affords an eye opening look inside a facility to which few people have ever had access Honest rueful and at times darkly funny Seager's gripping account of his rookie year blends memoir with a narrative science explaining both the aberrant mind and his own at times incomprehensible determination to remain in a job with a perilously steep learning curve

through the bowels of hell but I made it there and back All I can say is thank God for God His goodness grace and mercy From the Introduction to High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey It is said that to know one's self is the key to reaching new horizons and maximizing human potential and it's true But truly knowing one's self without knowing one's spiritual identity is akin to a person who is physically blind driving a car It's absolutely impossible In High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey author Deborah M Cofer highlights her efforts and sacrifices as she explores her inner self others and the world around her Every poem is its own unique story of bringing to the surface hashing out understanding and making peace with struggle in order to arrive at new heights in her evolution both as a woman and as a member of the human race Cofer's poetic accounts are both powerful and deeply profound *Daughter of the Burning City* Amanda Foody, 2017-07-25 From the New York Times bestselling coauthor of *All of Us Villains* Sixteen year old Sorina has spent most of her life within the smoldering borders of the Gomorrah Festival Yet even among the many unusual members of the traveling circus city Sorina stands apart as the only illusion worker born in hundreds of years This rare talent allows her to create illusions that others can see feel and touch with personalities all their own Her creations are her family and together they make up the cast of the Festival's Freak Show But no matter how lifelike they may seem her illusions are still just that illusions and not truly real Or so she always believed until one of them is murdered Desperate to protect her family Sorina must track down the culprit and determine how they killed a person who doesn't actually exist Her search for answers leads her to the self proclaimed gossip worker Luca Their investigation sends them through a haze of political turmoil and forbidden romance and into the most sinister corners of the Festival But as the killer continues murdering Sorina's illusions one by one she must unravel the horrifying truth before all her loved ones disappear *Between the Gates* Benjamin Franklin Taylor, 1878 *Golf Is from Satan* T. Patterson, 2001-01-22 Born of a seething near psychotic indifference to golf that was transformed during its writing into the nihilistic and passionate obsession of a student in a Parisian school for acrobats and clowns *Golf is From Satan* is the first book about golf that seeks and tells the truth about a game that longs to ascend to the heavens of public imagination on the singed wings of demons This book sings instructs will send the reader into convulsive fits of nervous laughter save or send the reader to hell then finally and suddenly yield up the hidden secrets of the universe And it's just a golf book that admittedly has little to do with golf itself *Discover the Truth Behind Witchcraft Stories* Howard Williams, Frederick George Lee, Walter Scott, Jules Michelet, M. Selden Village Stories K D Knight, 2013-10-22 Within the pages of this unorthodox work lurk craziness and concept The novel is constructed in short stories that involve religion politics time travel and even the unedifying spectacle of old people having sex each chapter subjected to the idiosyncratic storytelling of the author It is hoped no more so that Rathbone Wayne Hackett Phillip Hickey Cornelia Bonham and others will be recalled and debated long after the final punctuation mark But not derided though even that is preferable to the criticism of being considered forgettable By the same author e Going To The Last and e Less Is More

Behind The

Faith Tony Mariot,2018-10-17 We should not base our beliefs on some emotional experience we had which we cannot really explain with any substance other than to attribute the experience to something we want to believe was spiritual or God inspired This choice belief and faith should not be an unexplainable gut feeling or some thought shrouded in a cosmic concept of God that is neither specific nor explainable Neither should we hide behind peer pressure that makes us feel guilty if we denied having any real belief in the existence of God at all None of these aspects are the basis to knowing anything let alone foundations of a faith The question then becomes how do we know what is true and what to believe on the ground where we live What are the facts and what is folklore How can we know for certain This writing is intended to discuss what is biblically spoken of behind the faith of what Christians believe It is not however about conspiracies in the church or an attempt to air any dirty laundry The book of Revelation was chosen as the principle text of this discourse because it is intermingled throughout Scripture like no other It provides seamless segues that will open up opportunities to address other related questions in Scripture as we examine what is behind the faith
