The Masonic Magician Phillipa Faulks,Robert Cooper,2016-02-09 Miracle worker or man of straw Count Alessandro Cagliostro was a cult figure of European society in the tumultuous years leading to the French Revolution An alchemist healer and Freemason he inspired both wild devotion and savage ridicule as well as novels by Alexandre Dumas a drama by Goethe and Mozart s opera The Magic Flute Count Alessandro Cagliostro s sincere belief in the magical powers including immortality conferred by his Egyptian Rite of Freemasonry won him fame but made him dangerous enemies too His celebrated travels through the Middle East and the capitals of Europe ended abruptly in Rome in 1789 where he was arrested by the Inquisition and condemned to death for heresy The Masonic Magician tells Cagliostro s extraordinary story complete with the first English translation of his Egyptian Rite of Freemasonry ever published The authors examine the case made against him that he was an impostor as well as a heretic and find that the Roman Church and history itself have done him a terrible injustice This engaging account drawing on remarkable new documentary evidence shows that the man condemned was a genuine visionary and true champion of Freemasonry His teachings have much to reveal to us today not just of the secrets of the movement but of the mysterious hostility it continues to attract

[Antichrist Osiris: the History of the Luciferian Conspiracy](#) Chris Relitz,2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah s Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah s days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy
