Another Shore Roger Legg, 2013 Ever since Boy Scout days Roger Legg has obtained great pleasure from long distance walking On the whole he does not like following footpath routes designated by Acts of Parliament nor following books of instructions on how to get from A to B proceed for one mile turn left at the farm gate be careful of the marsh at the bottom of hill It all sounds a bit like joining the army and often fails to get the walker off the beaten track Rather he prefers to plan his own route to use map and compass This book is a record of six journeys which he made in the British Isles during the years

1980 to 1991 He hopes the reader will enjoy his adventures as that great walker George Borrow said many years ago these British Islands where more strange things are every day occurring whether in road or street house or dingle
