Catalina Y Catalina:

Catalina y Catalina Sergio Ramírez, 2010-07-15 Sergio Ramírez narra con la maestría que ha hecho de él uno de los mejores cuentistas contemporáneos y que le ha llevado a ser el ganador del Premio Cervantes 2007. La vida continúa con nosotros sin nosotros e incluso a pesar de nosotros. En esta colección de cuentos hay apariciones beisboleras, una cacería humana, hombres y mujeres infieles, un enigma urinario, una visita operativa a los mitos mayas, hay personajes cuyos sentimientos oscilan entre la resignación y la lucha, el amor y la ira, y hay sobre todo, búsqueda de afecto, de identidad, de un destino. **Catalina y Catalina** ofrece una mirada amorosa a la compleja variedad de la existencia y sitúa al lector en pequeños mundos personales, algunos amables y otros sumamente crueles.

Los moriscos de Villarrubia de los Ojos (Siglos XV-XVIII) Trevor J. Dadson, 2007. El lector tiene ante sí no una historia sino tres: la de los moriscos de Villarrubia, la del pueblo de Villarrubia desde la Edad Media hasta principios del siglo XVIII, y aunque parcialmente la de dos de sus condes, Diego de Silva y Mendoza y Rodrigo de Silva y Sarmiento. Los moriscos de Villarrubia, descendientes de los antiguos mudjares castellanos, y en posesión de privilegios que los equiparaban a los cristianos viejos de la zona, en el momento de la expulsión estaban totalmente asimilados: no hablaban árabe, participaban en todo lo que mandaba la Iglesia y mantenían buenas relaciones con sus vecinos, los cristianos viejos. Por tanto, la expulsión decretada desde Madrid sin consultar con nadie de la comarca ni tener en cuenta esta asimilación ni los privilegios que los protegían era completamente innecesaria y tuvo el efecto de una bomba caída en medio del pueblo.

Blanca, "El Ricote" de Don Quijote. Expulsión y regreso de los moriscos del último enclave islámico más grande de España. Años 1613-1654. Tomo II. Govert Westerveld, 2014-03-26. A pesar de que sobre los moriscos de Granada y Valencia se ha escrito una gran cantidad de obras y se han tratado los temas con bastante profundidad, no se puede decir lo mismo en el caso de los moriscos de Aragón y del reino de Murcia, menos aun de un pueblo murciano. Es curioso, pero en Murcia existían en 2001 solamente dos libros de bolsillo que tratan sobre los moriscos. Al parecer, esta especie de vacío histórico es el mejor testimonio del desinterés de los historiadores en cuanto no sean fuentes y puntos de vista oficiales. Y termino con las palabras del historiador de la Universidad de Harvard Prof. Francisco Márquez Villanueva, que escribió el prólogo en este libro: Govert Westerveld reempalma noblemente con su compatriota, el arabista Reinhart P. Dozy, para hacer justicia a realidades ocultas, adrede, porque la historia de España está falsamente escrita echando culpas erróneas a vencidos, calumniándolos.

Sandino's Nation Stephen Henighan, 2014-04-01. Ernesto Cardenal and Sergio Ramírez are two of the most influential Latin American intellectuals of the late twentieth and early twenty-first centuries. Addressing Nicaragua's struggle for self-definition from divergent ethnic, religious, generational, political, and class backgrounds, they constructed distinct yet compatible visions of national history anchored in a reappraisal of the early twentieth-century insurgent leader Augusto César Sandino. During the Sandinista Revolution of 1979-90, Cardenal appointed Nicaragua's minister of culture, became one of the most provocative and internationally recognized figures of liberation.

theology while Ramirez a member of the revolutionary junta and later elected vice president of Nicaragua emerged as an authoritative figure for third world nationalism But before all else the two were groundbreaking creative writers Through a close reading of the works by Nicaragua's best known and most prolific modern authors Sandino's Nation studies the construction of Nicaraguan national identity during three distinct periods of the country's recent history before during and after the 1979-90 revolution Stephen Henighan offers rigorous textual analyses of poems memoirs essays and novels interwoven with a sharply narrated history of Nicaragua The only comprehensive study of the careers of Cardenal and Ramirez Sandino's Nation is essential to understanding transformations to both Nicaragua and the role of the writer in Latin America
