Catchpenny Twist Stewart Parker, Shaun Davey, 1984 *Stewart Parker* Marilynn J. Richtarik, 2012-09-06 Meticulously researched and engagingly written this is the first biography of the important Irish playwright Stewart Parker. Contemporary Irish Playwrights Martin Middeke, Peter Paul Schnierer, 2010-05-28 The Methuen Drama Guide to Contemporary Irish Playwrights is an authoritative guide to the work of twenty-five playwrights from the last 50 years whose work has helped to shape and define Irish theatre. Written by a team of international scholars, it provides an illuminating survey and analysis of each writer's plays and will be invaluable to anyone interested in studying or teaching contemporary Irish drama. The playwrights examined range from John B. Keane, Brian Friel and Tom Murphy to the crop of writers who emerged in the 1990s and who include Martin McDonagh, Marina Carr, Emma Donoghue and Mark O'Rowe. Each essay features a biographical sketch and introduction to the playwright, a discussion of their most important plays, an analysis of their stylistic and thematic traits, the critical reception and their place in the discourses of Irish theatre, a bibliography of texts and critical material. With a total of 190 plays discussed in detail, over half of which were written during the 1990s and 2000s, The Methuen Drama Guide to Contemporary Irish Playwrights is unrivalled in its study of recent plays and playwrights.

Political Acts Fiona Coleman Coffey, 2016-12-09 Since the establishment of the Northern Irish state in 1921 theatre has often captured and reflected the political social and cultural changes that the North has experienced From the mid twentieth century theatre has played a particularly important role in documenting women's experiences and in showing how women's social and political status has changed with the transformation of the state Throughout the North's history women's dramatic writing and performance have often contradicted mainstream narratives of the sectarian conflict creating a rich and daring trove of counternarratives that contest the stories promoted by the government and media Moving beyond the better known women theatre practitioners of the North such as Marie Jones Christina Reid Anne Devlin and the Charabanc Theatre Company Coffey recovers the lost history of lesser known early playwrights and highlights a new generation of women writing during peacetime She examines how Northern women have historically used the theatrical stage as a form of political activism when more traditional avenues were closed off to them Tracing the development of women's involvement in Northern theatre Coffey ultimately illuminates how issues such as feminism gender roles violence

politics and sectarianism have shifted over the past century as the North moves from conflict into a developing and fragile peace
