Family Tree Raymond Nickford, 2015-06-26 The author's degree in Psychology and Philosophy from the University College of North Wales together with an interest in the lonely the outsider and those who have to contend with dysfunctional relationships and loss have been much of the inspiration for this book Meet the author interview raymondnickford psychologicalsuspense weebly com A collection of character driven literary and psychological suspense stories which though they involve loss within family and in relationships nevertheless get inside the characters who are left behind and reveal through fiction how hurt and the longing for those lost can find resolution where it may not be expected The collection opens with Family Tree Mr Glossop might be a widower his neighbours said but it was high time he poured acid on the base of the old yew tree the roots of which stretched well into the grounds of the Municipal Cemetery Was he really going to let his only son have the same degrading end as Mrs Glossop Would gossip open out to truths best laid to rest Reaching Out to Bernie is widow Emily's dearest wish but it is neither to seance nor spiritualism that she turns but rather an antique which has come into her possession and for too long has been collecting dust in her attic Emily clung for life to the bric a brac which made a Mausoleum of her home for sure in everything Bernie had touched he still lived and somehow she would she would reach out to him In A Farewell to Father schizophrenic Sam Baldock is given a day out his last at the Beethoven Museum in Vienna where he believes he is called by the spirit of Beethoven What will his little daughter Joanne witness at the top of those damp spiralling steps to the top rooms of the old Pasqualati House on the Molkerbastie which once led to the rooms of the composer in 1810

Wild Irish Rogue Genie Gabriel, After a series of tragedies Bernie O Shea turns his Irish stubbornness to becoming a loving dad a heroic cop and a small town legend He doesn t plan on finding a woman who becomes his courageous life partner or enemies among those he thought were his friends *Secrets, Lies & Chemical Compounds* Sophia Denapoli,2018-07-19 Bernadetta DeVittoriaor Bernie as her friends call heronce worked for the Renard Chemical Company Thanks to a particularly nasty divorce shes now looking to be hired back She gets the job she wants but could not foresee the drama headed her way It turns out Renard Chemical is currently undergoing a bitter legal battle with a number of litigants These litigants want to see their pain and suffering recognized by Renard legally and monetarily Bernie working for the legal department is now in charge of making these claims disappear While many have indeed suffered due to Renards dangerous KBCTG r product line Bernie suffers too She has a horrible moral choice to make in this damage control campaign As she investigates plaintiffs and other innocents sickened or killed due to Renard negligence Bernie feels pulled in all directions Does she do her job or follow her conscience The outcome is completely in her hands What happens when big business

ignores responsible ethics for the sake of profit People get hurt but is it possible for Bernie to go after the big boys without destroying everything shes worked to get back *Survivors* The Nolans,2011-04-15 Four sisters four very different characters But they have always been there for each other through the hard times as well as the good Now they describe growing up performing from as young as two what it was like when fame suddenly hit and how it caused rifts in their close knit family Linda opens up about her devastation when her beloved husband died just as she was coping with breast cancer Bernie tells how she suffered through the heartbreak of losing her unborn child and recently faced her own cancer battle Coleen talks about her marriages and reveals new secrets and Maureen describes her sadness at the devastating family feud that saw her much loved older sisters fall out with her Linda Bernie and Coleen And they share the joy of getting back on stage for their thirtieth anniversary tour four survivors who found that age doesn't matter when it comes to having a great time

Stalker Girl Rosemary Graham,2010-08-05 Carly never meant to become a stalker She just wanted to find out who Brian started dating after he dumped her But a little harmless online research turns into a quick glance and that turns into an afternoon of watching Soon Carly is putting all of her energy into following Brian's new girlfriend all of the sadness she feels about her mom's recent breakup all of the anger she feels over being pushed aside by her dad while he prepares for his new wife's new baby When Carly's stalking is discovered in the worst possible way by the worst possible person she is forced to acknowledge her problem and the underlying issues that led to it Watch a Video [Cupboard of Skeletons](#) Raymond Nickford,2014-12-18 A book of short stories each a psychological thriller about dysfunctional relationships In the first story The Hypnotist a young nurse named Miranda goes to see a psychologist Dr Harditch for hypnosis to ease her phobia of spiders I guess you could say he cured her but I wouldn't want to be one of his patients This is not a story for the squeamish It's intense descriptive fast paced and reminds of stories from *Tales From the Crypt* The second story Haunted by Amy is ten chapters long and is about a former school teacher Matthew and the teenage student Amy with whom he had an affair He suspects her of murdering his friend Philip But he also admits that he might be clinically paranoid The Parchment Recipes is a paranormal mystery about a widow with a not so nice mother The widow finds a parchment in her kitchen late one night and mysterious things begin to happen Atmospheric scenes and poignant themes centering around odd troubled characters whose lives are driven to extremity drawn on still by the tantalizing hope sometimes delivered by fate or fortune of happiness Moving dysfunctional lives and relationships hypnotist and patient a strained romance paranoid father and daughter eccentrics making normal relationships difficult Some ghostly presences but the Cupboard of Skeletons is more a euphemism for people with embarrassing secrets coming to haunt and test their lives and how despite despair they try to find something of their dreams
