The Best Australian Poetry, 2005 **"Kangaroo Court"** John Hirst, 2005-05-01 The Family Court was a progressive reform of the 1970s Now it is perhaps the most hated institution in Australia In the Kangaroo Court John Hirst investigates what went wrong This is a measured yet unsparing appraisal which interleaves individual cases with compelling legal and moral

argument Hirst takes us deep into the workings of the Court and the domestic apocalypses it sees every day He explores the Court s fervour to uphold the best interests of the child no matter what and traces its chilling consequence a court where malicious allegations regularly go unpunished He notes the Court s enormous power over individual lives as well as its self proclaimed status as a caring court and wonders at its ability to overlook the defiance of its own authority In closing he considers how to reform an institution that has bred antagonism and extremism and too often entrenched paranoia and despair Lucid and urgent Kangaroo Court is a cautionary tale about the perils of high mindedness when it comes to dealing with the breakdown of families When Family Court judges talk piously of the caring court I wish they could hear the roar of pain that their piety has caused John Hirst Kangaroo Court This issue also contains correspondence discussing Quarterly Essay 16 Breach of Trust from Paul Kelly Paul Bongiorno Mungo MacCallum Natasha Cica Alex Miller and Raimond Gaita

Quarterly Essay 16 Breach of Trust Raimond Gaita,2004-12-01 In the fourth Quarterly Essay of 2004 Raimond Gaita confronts essential questions about politics as it is practised today What do politicians mean when they talk about trust Why is truthfulness important Are we as politically and morally divided as the Americans Does the war on terror authorise leaders to do things that once were considered beyond the pale Gaita argues for a conception of politics in which morality is not an optional extra He discusses why successful politicians must at times be economical with the truth but shows a way beyond cynicism on the one hand and moralising on the other Politics he says is conceivably a noble vocation as well as potentially a tragic one He looks closely at patriotism and its distortions and the temptation to betray our deepest values in the act of protecting ourselves Combining gentle evocation with gloves off argument Breach of Trust is a clarion call from one of Australia s leading thinkers I have never met anyone who believes that politicians should never lie But of course there are limits They are not set in the heavens but in culture Raimond Gaita Breach Of Trust *The Best Australian Poems* ,2005
