A Biblical Basis for Ministry Earl E. Shelp, 1981 **A biblical basis for ministry** Earl E. ; Sunderland Shelp (Ronald), 1981 *The Biblical Basis of Whole Body Ministry* Monica Hill, 1992 **Evangelical Dictionary of Theology** Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics A Men's Ministry for the Small Church Karl W. Kloppmann, 2004-03 This book is a thorough and well documented study on why churches need to develop effective men's ministries. Containing a wealth of vital information, this is a solid treatment of the biblical basis for male leadership in the church. The thrust of the book is that the development of men is the slow but sure way to build the church for men, either positively or negatively impact every aspect of church and family life. Jesus invested his life in a small group of men, and those men changed the world.

Rites of Ordination and Commitment in the Churches of the Nordic Countries Hans Raun Iversen, 2006 A unique situation exists in the Nordic countries where there is a Lutheran majority living in ecumenical cooperation with other churches and ecclesiastical communities. This book attempts to shed light on what the churches have discovered they hold in common and on areas where they recognise that there are divergencies between them, both in relation to ordination and ministry and in particular to the theology and terminology of ordination. The book brings together the research and insights of 23 researchers from all the Nordic countries, studying more than 200 different kinds of ordination rites from the Orthodox and Roman Catholic as well as Lutheran and non-Lutheran Protestant traditions. After an introduction to the churches in the Nordic countries, the book presents 19 case studies from the Nordic countries. The last part includes some general ecumenical and liturgical perspectives on ordination and rites presented by international researchers. Exploring Christian Theology : Volume 3 Nathan D. Holsteen, Michael J. Svelgel, 2014-01-21 Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated. In this book, trusted Dallas Seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers, students, lay people, and pastors. Here are introductions, overviews, and reviews of key tenets of Orthodox, Protestant, and Evangelical doctrines. The book also includes an annotated list of key applicable Bible texts, a quick-paced story of doctrine throughout church history, heresies or distortions to be aware of, and more. Exploring Christian Theology is useful for discipleship, catechism, membership training, preview or review of doctrine, or quick personal reference. It can also be used by ministry training programs, Bible colleges, or seminaries as an introductory primer to orient students in preparation for a more in-depth study of theology.

Elders Lead a Healthy Family J. R. Miller, 2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership, elders as the spiritual big brothers and shepherds to the family of God. This book is a fresh biblical alternative to the standard fare of pragmatic church leadership. Delivered in a winsome and irenic style, the book addresses the key concerns of our day, including pastoral burnout, women as elders, women and the pastoral gift, power in leadership,

abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God *Groups that Thrive* Joel Comiskey, Jim Egli, 2018-04-15
