Casebook of a Community Internist Hector M Baillie, 2023-06-22 Experience begets wisdom and wisdom informs change Patients are the best teachers he told a friend shortly before moving west The choice of a specialist career in community internal medicine came as a surprise to his colleagues Leaving the big city hospital would mean less access to clinical resources educational rounds house staff and practice support In short less stuff Academia might have offered more But Dr Baillie moved to Mission BC not because he wanted less He wanted to give rural Canadians more the benefit of his extensive training in their home town Most of his time in Mission BC was in solo practice working as internist and intensivist Given how much hands on work he had to do he says It was like an extended fellowship He saw the full spectrum of acute hospital medicine on the ward in the ER and in the ICU On call was heavy he figures he learned thirty years of medicine in fifteen When the hospital downsized dramatically in 2002 he moved to Nanaimo on Vancouver Island Casebook of a Community Internist reviews interesting and notable cases that came his way over decades It combines the storytelling of a memoir with his reflections on personal experience Medical students residents and fellows in training will enjoy these vignettes not only for their content but because they celebrate the joy of medical practice The public will appreciate the accessible and humorous overview of health and disease through a practitioner s eyes To study the phenomenon of disease without books is to sail an uncharted sea while to study books without patients is not to go to sea at all Osler 1901 **Current Catalog** National Library of Medicine (U.S.), 1982 First multi year cumulation covers six years 1965 70 **Noncardiac Surgery in the Cardiac Patient** Stephen P.
