

THE ANATOMY OF A SUCCESSFUL SALESPERSON

Having a natural charm, charisma and intelligence will only get you so far. There are specific personality traits and characteristics you need to be a 'successful salesperson'.

Business acumen

A thorough understanding of how your prospective and client's businesses work will help you to sell more products and services. Two thirds of salespeople (67%) say knowing the client's business is one of the key sales skills.

Drive and determination

Many salespeople fear failure. Success is accepting that (A) in sales it's part of the job and (B) having the courage to keep going to make the next sale. 26% of salespeople with more than 7 years' sales experience are 'achievers' in personality. Be autonomous but not the lone wolf and have a killer work ethic.

Patience and perseverance

Sales success is an art, it takes time and perseverance. Patience is also a key quality, especially when negotiating. Knowing how to create, communicate and capture value ensures a win-win for both parties.

Passion and dedication

The best sales leaders focus on the "why" not the "what". Passionately believing in your service or product creates an emotional connection with your client. This belief will be apparent in the people you are selling to, helping to achieve buy-in.

Motivation and focus

Regularly setting yourself goals and targets will help you stay focused and constantly engaged in your clients and the sales. The more you stay focused on your goal, through productivity and tenacity, the more success you'll have.

Outgoing and sociable

Sales is all about people and relationships. 31% of salespeople, with more than 7 years' experience, consider themselves to be relationship builders. A nurturing attitude helps build trust. Rapport is a key building block to knowing your client's business.

Confidence and charisma

Self-confidence and charisma is important when executing sales and ideas. 11% of experienced salespeople are "charmers". Developing a positive self-image of yourself as the expert is crucial; people buy into confidence and hard work.

Creativity and innovation

Sales is story telling. It must be compelling, creative and captivating. The most creative salespeople are often the best presenters, painting a dynamic vision of how their product or service fits the client's needs and achieves their goals.

Anatomy Of A Successful Salesman
