And I Journeyed Alone:

Katihar To Kennedy : The Road Less Travelled Sanjay Kumar, 2019-04-01 Katihar to Kennedy is an extraordinary journey of a man from dusty alleys of Katihar to the gleaming pathways of Kennedy It is an autobiographical account of a small town boy who starts his journey from a tiny town of Bihar in one of India's economically backward districts and is able to reach the Harvard Kennedy School in Cambridge Massachusetts The journey also depicts the inner conflicts of a man and his continuous efforts to overcome all the difficulties in his path while fighting with his inner shortcomings The book is about the lessons he learned from failures as well as from moments of triumph These are learned while engaging intimately with harsh socio economic realities and contrasts he experienced while moving between cities institutions and job roles It is also a book of honest confrontation of a person's own ego and pride Highways and Byways, I've Travelled to Find Myself Peter C. Fraser, 2023-06-27 This collection of poems covers many years of writing by the author He started writing while in high school encouraged by his English teacher Evelyn Mecure *Inner Journey* Lawrence Patrick, 2003 Any inner journey to true spirituality is an individual one It can be found not only in the teachings of the ancients but in many cultures as well This story is a beautiful allegory showing the pitfalls and dangers mortals have to overcome on their way to eternal life The author's attitude takes the reader through the initiation of another culture although the culture is startlingly like our own His whole aim is to make us see the rich qualities of life that play an important role for those seeking inner peace Mr Patrick proves how unspoken words express the most advanced philosophy He shows that we can master the forces that shape personal reality These powerful forces which work within each heart and soul are always present No matter the outer chaos of events in the lives of the main characters they always look within themselves for inner truth They live their daily lives with peace love and caring Others live by terrestrial laws living for status power or control This story mirrors earthly life experiences in all of its aspects The author lets his readers wander into paradise to a new awakening that can elevate them to new heights and great depths of inner awareness He clearly expresses that we can attain a world of love truth and beauty The wedding ceremony reestablishes every individual's spiritual marriage with God and universe Mr Patrick exemplifies special traits in his proving literature of power and knowledge It is great reading with a style and spell all its own Compellingly readable says one reader The author's talent to create suspense and drama arouses curiosity which connects to the reader's interest and makes *Inner Journey* an absorbing novel For more information about this book or to read the essay *What Is An Inner Journey* visit the author's website at <http://innerjourney.lawrence.blogspot.com> *Star of the Magi*, 1899 **Wolf Mountains** Karen R.
