And The Last Shall Be First:

The Last Shall Be First, and the First Shall Be Last Maretha Johnican, 2023-11-22 This is the diary of the author's tumultuous journey from childhood to adulthood. The road she has traveled has been full of many unexpected twists, turns, detours, and cliff hangers. Her trip itinerary has included poverty, sickness, molestation, rejection, domestic violence, betrayals, divorces, single parenthood, being a first lady, and many other treks. I believe that you will be captivated by the author's many excursions, some self-directed and some led by others, some good and some not so good. She experienced the contrast of being on a ship like Jonah, running from God, and being on a ship like Paul, in the will of God. But they all drove her into the arms of the blessed Savior who took what was meant to cause her life to be permanently shipwrecked and used it to make her more resilient for the voyage ahead. I trust that you will be intrigued by how the author reveals the cycles in her life as she explains how the last became first and the first became last, relating it to the scripture in Matthew 20:16. We all can relate with the alternating cycles in our lives of being last and then first, and first and then last. These seasons affect the just and the unjust, but they are weathered so much better with the Lord on our side. He works it all together for the good for those that love Him and are called according to His purpose. Romans 8:28. The writer believes that the Lord led her to be transparent and to share her life experiences as a means to inspire, motivate, encourage, and challenge her readers to keep running the race that has been set before them, regardless of the obstacles they may encounter. Remember, many are the afflictions of the righteous, but the Lord will deliver us out of them all. Psalm 34:19. *The Parables of Jesus* Friedrich Gustav Lisso, 1853 **The**

Wretched of the Earth Frantz Fanon, 2007-12-01 The sixtieth anniversary edition of Frantz Fanon's landmark text, now with a new introduction by Cornel West. First published in 1961 and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West. Frantz Fanon's *The Wretched of the Earth* is a masterful and timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, *The Wretched of the Earth* is an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said's *Orientalism* and *The Autobiography of Malcolm X*. **The Works of the Rev. Final Testament the Two Witnesses Ima Prophet, 2009-11-20 This book contains the mysteries written in the book of Revelation concerning the Seals, Vials, and Trumpets. Also, the times in which they are fulfilled and the times forth coming. And the deep and hidden things from the times of old. That there is a God that's not only watching but also performing an awesome work before us, mankind, and those who are watching and influencing us. The parables of Christ will begin to take on new meaning as to the times and seasons of our world. As well as what's coming, which will change the earth as we know it. This

book also contains a former and latter writings which took 22 years for its completion This book also gives prophecies concerning the years to follow as well as the knowledge and technology which is forth coming and destine for our generation And if that was not enough this book also reveals the key to the understanding of the Unified Field Theory which Albert Einstein was unable to finish in his life time And to date it has been cast off and replaced with other concepts which he himself rejected Because he knew that there is a Unity Theory that would apply to these fields together because they are liken to one another and must have a common link to their characteristics This in turn would open a whole new concept that will usher in a knowledge and an awesome Technology that our mind has never even considered before **The Annotated**

Book of Mormon Grant Hardy,2023 Modelled after the Oxford line of annotated Bibles this is the first fully annotated academic edition of the Book of Mormon in its 200 year history This edition reformats the complete scriptural text in the manner of modern Bible translations making it more accessible and readable and the annotations and book introductions identify key themes and intertextual connections The editorial additions focus on the details of specific passages but also highlight broader perspectives that will illuminate the text as a whole It is an essential tool for anyone looking for an accurate comprehensive understanding of the Book of Mormon **The Englishman's Greek Concordance of the New**

Testament; being an attempt at a verbal connexion between the Greek and the English texts, etc. [By George V. Wigram, assisted by William Burgh.] L.P. ,1839 *Terms of Salvation* Grant H. Layton,2013-07 Why are there so many competing Christian churches in the world today It is because men interpret the same passage of scripture and its terms in different ways If there ever is to be a unity in Christianity it will require a unity of understanding the scriptures It is our personal challenge in life to discover the truth of things For all of us the truth in religion isn t necessarily what we expect or want to find But for those of us who will accept truth when we find it in the scriptures it will be found in the definitions of the terms of salvation that are used consistently by the prophets We find on examination that the terms of salvation in the Bible are fairly consistent in meaning throughout the book even though the Bible was written by many different Prophets The Mormon religion claims to possess other books of scripture This book also compares what is written in their books against what is written in the Bible with very interesting results The reader from any religion will find this book a key to understanding the spirit of the Bible and the details of the Gospel of Jesus Christ **A Critical Commentary and**
