In the years to come Victoria wondered what it would have been like to have been alone with her dad all those months to see him outside of his sickness beyond anything related to their family or their life To have been with him in a new context That's what she wanted And that's what she did Some fifteen years after that initial promise Victoria went to Stockholm to Angkor Wat and to Paris She went to the places they were meant to see together and she went to make peace with her father too Because while he'd always be forty-four she'd gone on accumulating birthdays Every year her understanding of him continued to evolve and their relationship was still alive Victoria Loustalot felt trapped beneath all of the unanswered questions he left behind She needed to be set free She needed to say goodbye Well, This Is Exhausting Sophia Benoit, 2021-07-13 Like so many women Benoit spent her formative years struggling to do the right thing to make others comfortable to take minimal and calculated risks to live up to society's expectations only to realize that there was so little payoff to this tiresome balancing act Now in this book she shares her journey from aspiring good girl to proud feminist and addresses the constantly shifting goalposts of what exactly it means to be good in today's world Includes topics as varied and laugh-out-loud funny as how to be the life of the party even when you have crippling anxiety navigating the disappointments of the dating world and why no one should judge you for having an encyclopedic knowledge of reality TV stars Moore's Rural New Yorker, 1909
