This Side: Stories Hermann Hesse, In 1907 Hermann Hesse released *Diesseits* a collection of short stories whose title can be translated as *This Side* or *On This Side of Life* Published by S Fischer in Berlin *Diesseits* marked Hesse's return to the short prose form after concentrating on novels The book comprises a series of tales and sketches often labeled *Erzählungen* narratives written in the years following his early novelistic success At the time Hesse was settled in the tranquil village of Gaienhofen balancing his roles as a writer husband and new father These stories reflect the milieu of that period provincial life personal reflection and small scale human dramas *Diesseits* is not a single unified narrative but rather a panorama of vignettes each independent yet loosely connected by an underlying philosophical mood The publication didn't cause a major stir it was a quieter entry in Hesse's bibliography mainly appreciated by readers who already knew his name If anything it served to satisfy Hesse's audience between novels *Gertrud* would come in 1910 and to show that he was as adept with the short story as with longer forms In English *Diesseits* has seldom been published as a standalone collection though individual stories from it have appeared in various translations The title *This Side* hints at a thematic concern of the book an exploration of the here and now the tangible reality of life perhaps as opposed to the beyond *Jenseits* or any mystical otherworldly This short story collection scrutinizes the mundane absurdities of bourgeois life through a lens of detached irony Characters in tales like *The Latin Scholar* and *Walter Kempff* confront existential trivialities failed ambitions marital tedium their struggles rendered with Chekhovian ambiguity Hesse's prose here adopts a flintier realism eschewing the lyricism of his novels for psychological precision Though lacking the mythic scope of his later work *Diesseits* reveals Hesse's mastery of the short form Its unheroic protagonists and inconclusive

endings reject romantic resolution mirroring the disjointedness of modern experience The collection s subdued critique of social conformity anticipates the more overt rebelliousness of Steppenwolf bridging 19th century realism and 20th century existential fiction This new edition features a fresh contemporary translation of Hesse s early work making his philosophical existentialist literature accessible to modern readers from the original Fraktur manuscripts Enhanced by an illuminating Afterword focused on Hesse s personal and intellectual relationship with Carl Jung a concise biography a glossary of essential philosophical terms integral to his writings his version of Jungian Psychological concepts and a detailed chronology of his life and major works this robust edition introduces the reader to the brilliance of his literature in context It not only captures the depth and nuance of Hesse s thought but also highlights its enduring impact on the debates of the mid 20th century contemporary culture and Western Philosophy across the 20th and into the 21st century **Near West Side**

Honoré de Balzac, 1899 *A Bit of a Drifter and Other Stories*. Mabel Hodgson Gurd, 1921 **East Side Stories**. Sidney Weissman, 2000-12-07. There was a time gone by yet not known to many of us which is dredged up and recovered in *East Side Stories*: this was the time of the Great Depression. In this fictional account, twenty stories in all, we delve into the lives of immigrants and their families who lived in the tenements of the Lower East Side of New York City. There is the aged actor who sings and speaks in many voices; there is Orchard Street with its pushcarts; there is the story of a young woman faced with the dilemma of whether or not to agree to a marriage with a much older man, one who has a good steady job. We meet a woman deserted by her husband who lives with a gambler who promises to marry her. There is a story of two boys, one Jewish, the other Italian, whose algebra teacher's moods fluctuate up and down. And there is a woman ostracized by her neighbors. There is the story of the girl who hates herself and what she is. We meet an entrepreneur who plays every angle to keep his business afloat. Then there is the cross-eyed boy who feels cursed and the gangsters from Murder Inc. who shoot dice on the street. There is the boy who pines for a girl who lives nearby. There are stories of events at a junior high school, another of a college student and his black friend Earl, and their adventure in a Spanish class. There is more. And all in all, they are a mosaic of those times and that place. **The member of Arcis, The seamy side of history, and other stories**
