A Clown Too Many:

A Clown Too Many Les Dawson,1985 **The Trials and Triumphs of Les Dawson** Louis Barfe,2012-02-22

STRONGThe first ever narrative biography of a towering figure in British comedy Les Dawson more than any other comedian spoke for the phlegmatic pessimistic British way of life A Northern lad who climbed out of the slums thanks to an uncommonly brilliant mind he was always the underdog but his bark was funnier and more incisive than many comics who claimed to bite Married twice in real life he had a third wife in his comic world a fictional ogre built from spare parts left by fleeing Nazis at the end of World War II and an equally frightening mother in law He was down to earth yet given to eloquent absurd flights of fancy He was endlessly generous with his time but slow to buy a round of drinks He was a mass of contradictions In short he was human he was genuine and that s why audiences loved him This is his story *Too Many Popes* Alexandre Amprimoz,2001 This unique collection features an array of colorful characters including perverse peoples monstrous suffering children whose only friends are insects village idiots and frog stranglers cuckolds fascists and transvestites all of whom are born raconteurs unable to stop telling their surreal stories of lives that are bound to the Italian hills the white sun of Algeria the swamps of La Rochelle *Too Much to Dream* Peter Bebergal,2011-10-01 Growing up in the suburbs of Boston and raised on secular Judaism Cocoa Puffs and Gilligan s Island Peter Bebergal was barely in his teens when the ancient desire to finding higher spiritual meaning in the universe struck Already schooled in mysticism by way of comic books Dungeons Dragons and Carlos Castaneda he turned to hallucinogens convinced they would provide a path to illumination Was this profound desire for God a god he believed that could only be apprehended by an extreme state of altered consciousness simply a side effect of the drugs Or was it a deeper human longing that was manifesting itself even on a country club golf course at the edge of a strip mall Too Much to Dream places Bebergal s story within the cultural history of hallucinogens American fascination with mysticism and the complex relationship between drug addiction popular culture rock n roll occultism and psychology With a captivating foreword by Peter Coyote and interviews with writers artists and psychologists such as Dennis McKenna James Fadima Arik Roper Jim Woodring and Mark Tulin Bebergal offers a groundbreaking exploration of drugs religion and the craving for spirituality entrenched in America s youth **Too Many Sparrows in Zaragoza** Justin Fenech,2013-04-22 How far can the good life go before it turns bad This is the moral issue Nadi the young psychologist from Malta is made to face when she visits her old friend in Zaragoza What starts off as a relaxing holiday soon becomes a revelation The charismatic Maltese ex pat Luis her host in Zaragoza has stumbled upon a lifestyle replete with eccentricities and the imagination He is living a hedonistic aesthetic liberal life with a group of like minded Spaniards A group of young people rebelling against life s boring routine They want to enrich their lives with constant beauty inspired by Romans Greeks nature al Andalus theatre and everything else life has to offer Nadi is instantly taken in She adopts Luis lifestyle But at what cost In a time when traditional values and modern principles are colliding more

and more this is a relevant examination of moral values in the 21st century All in the backdrop of rich charming and regal Zaragoza
