**Richard Price, Bernard Peach, David
Oswald Thomas**

A Bibliography Of The Works Of Richard Price:

A Bibliography of the Works of Richard Price David Oswald Thomas, John Stephens, P. A. L. Jones, 1993 This is a biography of the works of Richard Price 1723 1791 one of the leading radical intellectuals of the late 18th century By profession a dissenting minister he was also a mathematician a political pamphleteer particularly on the American and French Revolutions and a moral philosopher *Liberty's Apostle - Richard Price, His Life and Times* Paul Frame, 2015-03-20 It introduces readers to a man largely unknown outside academia but who was considered by his contemporaries to be one of the greatest thinkers of the Enlightenment and who championed against powerful opposition many of the rights and liberties we take for granted today As a chronological account it covers and discusses Price's writing on all the issues which interested him Among them are political and civil liberty parliamentary reform life assurance mathematics moral philosophy and the American and French Revolutions His comments on all these are as important today and as enlightening as they were in his time The book is the first to make extensive use of Price's correspondence with the likes of Joseph Priestley Benjamin Franklin Thomas Jefferson and newly discovered letters from Price's nephew in Paris during the July 1789 Revolution This coupled with the chronological approach gives the reader an insight into his thinking and political developments during crucial periods of the eighteenth century Enlightenment and provides a high readable narrative for the general reader

The Correspondence of Richard Price Richard Price, Bernard Peach, David Oswald Thomas, 1983 This third volume in the series completes the known extant correspondence of Richard Price 1732 1791 The letters cover a range of topics including religion theology politics education liberty finance demography and insurance *Richard Price, Philosopher and Apostle of Liberty* Roland Thomas, 1924 **T&T Clark Companion to Nonconformity** Robert Pope, 2013-11-21 Protestant Nonconformity the umbrella term for Congregationalists Presbyterians Baptists Methodists and Unitarians belongs specifically to the religious history of England and Wales Initially the result of both unwillingness to submit to the State's interference in Christian life and a dissatisfaction with the progress of reform in the English Church Nonconformity has been primarily motivated by theological concern ecclesial polity devotion and the nurture of godliness among the members of the church Alongside such churchly interests Nonconformity has also made a profound contribution to debates about the role of the State to family life and education culture in general trade and industry the development of philanthropy and charity and the development of pacifism In this volume for the first time Nonconformity and the breadth of its activity come under the expert scrutiny of a host of recognised scholars The result is a detailed and fascinating account of a movement in church history that while currently in decline has made an indelible mark on social political economic and religious life of the two nations **Protestant Nonconformist Texts Volume 2** Alan P.F. Sell, David J. Hall, Ian Sellers, 2015-02-05 This book is one of four substantial volumes designed to demonstrate the range of interests of the several Protestant Nonconformist traditions from the time of their Separatist harbingers to the end of the twentieth century In this volume we are concerned with the

eighteenth century It was a period in which Old Dissent the Congregationalists Baptists Presbyterians and Quakers had to face challenges from Enlightenment thought on the one hand and Evangelical Revival enthusiasm on the other Largely in their own words though with introductions contributed by the editors we enter into the philosophical world of Isaac Watts Richard Price and others we overhear doctrinal disputes over the doctrine of the Trinity we meet such new arrivals on the religious scene as the Moravians Sandemanians Swedenborgians and Methodists Calvinistic and Arminian We consider the Nonconformists views on the Church the ministry and the sacraments on Church state and society and on Christian nurture piety and church life From philosophical tomes to hymns from sacramental questions to prison reform from the most strait laced Presbyterian to the most enthusiastic Jumper this volume will remind scholars of the intellectual excitements the practical witness and the worship of the eighteenth century Nonconformists

Inventing Human Rights Lynn Hunt,2008-03-25 In this extraordinary work of cultural and intellectual history Professor Hunt grounds the creation of human rights in the changes that authors brought to literature the rejection of torture as a means of finding out truth and the spread of empathy over the centuries *Philosophy* Hans E. Bynagle,2006-05-30 A newly reorganized up to date overview of key reference works in philosophy reflects a veritable explosion of reference sources both print and online published over the past decade Nearly 300 of the 700 entries consist of new material with an additional 50 entries substantially revised and updated English language sources are emphasized but important non English works are also well represented For professional philosophers philosophy educators students from beginning to graduate and librarians This guide represents a substantial updating and complete re organization of the author s 1997 *Philosophy A Guide to the Reference Literature* 2nd edition 1st edition 1986 It reflects a veritable explosion of reference sources both print and online in the field of philosophy over the past decade Nearly 300 entries or 40 percent are entirely new An additional 50 or so entries have substantial revisions recording new editions changes in serial publications series and websites or additional volumes completed in multi volume sets In addition it has been entirely re organized along topical lines Each of its twenty three chapters is divided into four sections 1 general sources 2 history of philosophy 3 branches of philosophy and 4 miscellanea This new arrangement accords better with the greatly expanded range of philosophy reference sources and makes it easier for the user to identify related sources of different types bibliographies dictionaries web gateways etc on the same topic Like its predecessor *Guide to Reference Sources in Philosophy* the 3rd edition aims to serve a diverse audience of professional philosophers philosophy educators students from beginning to graduate and librarians All entries include generous annotations that are often evaluative as well as descriptive English language sources are emphasized but non English works important to researchers or of interest to users with facility in other languages are also well represented

Protestant Nonconformist Texts: The eighteenth century Alan P. F. Sell,Kenneth Dix,Alan Ruston,2006 This book is one of four substantial volumes designed to demonstrate the range of interests of the several Protestant Nonconformist traditions from the time of their Separatist harbingers to the end of the twentieth century In this volume we are concerned with the eighteenth century It was a period in which Old Dissent the Congregationalists Baptists Presbyterians and Quakers had to face challenges from Enlightenment thought on the one hand and Evangelical Revival enthusiasm on the other Largely in their own words though with introductions contributed by the editors we enter into the philosophical world of Isaac Watts Richard Price and others we overhear doctrinal disputes over the doctrine of the Trinity we meet such new arrivals on the religious scene as the Moravians Sandemanians Swedenborgians and Methodists Calvinistic and Arminian We consider the Nonconformists views on the Church the ministry and the

sacraments on Church state and society and on Christian nurture piety and church life From philosophical tomes to hymns from sacramental questions to prison reform from the most strait laced Presbyterian to the most enthusiastic Jumper this volume will remind scholars of and acquaint others with the intellectual excitements the practical witness and the worship of the eighteenth century Nonconformists

The Cambridge History of Eighteenth-century Philosophy Knud Haakonssen, 2006 This two volume set presents a comprehensive and up to date history of eighteenth century philosophy The subject is treated systematically by topic not by individual thinker school or movement thus enabling a much more historically nuanced picture of the period to be painted

Price: Political Writings Richard Price, 1991 Richard Price 1723 1791 was an eminent Welsh philosopher and Dissenting Minister who won considerable fame as a supporter of the American and French Revolutions The volume is comprised of his most important pamphlets 1759 1789

Travels in Revolutionary France and a Journey Across America, 2012-11-15 In July 1789 George Cadogan Morgan born in Bridgend Wales and the nephew of the celebrated radical dissenter Richard Price 1723 91 found himself caught up in the opening events of the French Revolution and its consequences In 1808 his family left Britain for America where his son Richard Price Morgan travelled extensively made a descent of the Ohio and Mississippi Rivers by raft and helped build some of the early American railroads The adventures of both men are related here via letters George sent home to his family from France and through the autobiography written by his son in America

Hinterland Theology Alan P.F. Sell, 2008-12-01 Alan Sell maintains that systematic and constructive theology are best understood as the product of a conversation with the biblical writers the heritage of Christian thought and the current intellectual environment The conversation will benefit if the voices of hinterland writers are heard as well as those of the theological and philosophical giants In this book ten hinterland theologians associated with English Dissent are introduced and their writings are discussed Thomas Ridgley Abraham Taylor and Samuel Chandler wrote in the wake of the Toleration Act of 1689 George Payne and Richard Allott responded to the Enlightenment and the Evangelical Revival D W Simon T Vincent Tymms and Walter F Adeney took account of modern biblical criticism and Robert S Franks and Charles S Duthie respectively lived through and followed the heyday of liberal theology The study reveals both adjustments and time lags in theology and shows how hinterland theologians can stimulate the ongoing conversation concerning theological method philosophico theological relations the Trinity the atonement and ecumenism

Philosophy, Dissent and Nonconformity, 1689-1920 Alan P.F. Sell, 2009-11-01 This is a pioneering study of philosophy in the English and Welsh Dissenting academies and Nonconformist theological colleges from the Toleration Act of 1689 to 1920 The author discusses the place of philosophy in the curriculum and the philosophical works published by tutors professors and alumni among them Isaac Watts Henry Grove Richard Price James Martineau and Robert Mackintosh It is shown that particular attention was paid to natural theology moral philosophy and apologetics and some of the ideas propounded are of continuing interest This important book will interest historians of philosophy of the Church and of

education **Richard Price** G. Stephens,1995-02-01 *Liberty, Property and Popular Politics* Gordon Pentland,2015-12-11
This collection in honour of an internationally renowned scholar who had shaped both scholarly and popular understandings of the period comprises fourteen chapters written by specialists in the period and provides an appealing and illuminating cross section of current research *The Invention of Autonomy* Jerome B. Schneewind,1998 This remarkable book is the most comprehensive study ever written of the history of moral philosophy in the seventeenth and eighteenth centuries Its aim is to set Kant's still influential ethics in its historical context by showing in detail what the central questions in moral philosophy were for him and how he arrived at his own distinctive ethical views The book is organised into four main sections each exploring moral philosophy by discussing the work of many influential philosophers of the seventeenth and eighteenth centuries In an epilogue the author discusses Kant's view of his own historicity and of the aims of moral philosophy In its range in its analyses of many philosophers not discussed elsewhere and in revealing the subtle interweaving of religious and political thought with moral philosophy this is an unprecedented account of the evolution of Kant's ethics **Ecumenical and Eclectic** Anna M. Robbins,2007-06-01 Alan Sell is a prolific author producing a vast output of high quality research across many disciplines From philosophy and theology to ethics and history his work has been received with acclaim for its clarity and incisiveness as well as for its relevance to contemporary issues faced by the church Throughout Sell has maintained an unwavering commitment to Reformed faith and the unity of the church universal His work continues to deliver challenges and inspire reflection for those who are interested in thinking deeply about issues of living under the cross of Christ in the world today In this book several colleagues friends and admirers have gathered together to honor Alan Sell's contribution to scholarship and to the life of the church Leading Christian scholars including Gabriel Fackre Clyde Binfield Keith Clements and Donald McKim here offer reflections on Professor Sell's work and other related themes under the banner of the unity of the church in the contemporary world The essays explore the foundations of unity its historical context and some of the challenges of ecumenism today Together they make a unique contribution to the theme which has occupied so much of Sell's attention over the years and which continues to be of crucial importance to the life of the church in a new era
