## **A Celtic Childhood:**

A Celtic Childhood Bill Watkins,2000 The author shares anecdotes about the first seventeen years of his life with his Irish mother Welsh father and other assorted relatives and friends in postwar Ireland and England     **The Leap of the Deer** Herbert O'Driscoll,1994 O Driscoll returns to the landscapes of A Doorway in Time to recreate the varnished world of rural Ireland where his spiritual journey to the priesthood began His compelling memoir blends Ireland's mythic past of Celtic saints and Druid kings with his own story as a child growing up Protestant in the warm and loving ghetto of Irish Catholicism

*The Childhood of Fiction* John Arnott MacCulloch,1905     An Ulster Childhood Lynn Doyle,1921     **The Falcon Family, Or, Young Ireland** Marmion Wilard Savage,Marmion Wilme Savage,1846     **Childhood and the Classics** Sheila Murnaghan,Deborah H. Roberts,2018 The dissemination of classical material to children has long been a major form of popularization with far reaching effects This volume explores the reception of classical antiquity in childhood from the mid nineteenth to the mid twentieth centuries in Britain and the United States focusing on myth and historical fiction in particular     *Nathan and Oski's Hematology and Oncology of Infancy and Childhood E-Book* Stuart H. Orkin,David G. Nathan,David Ginsburg,A. Thomas Look,David E. Fisher,Samuel Lux,2014-11-14 Written by the leading names in pediatric oncology and hematology Nathan and Oski's Hematology and Oncology of Infancy and Childhood offers you the essential tools you need to overcome the unique challenges and complexities of childhood cancers and hematologic disorders Meticulously updated this exciting full color set brings together the pathophysiology of disease with detailed clinical guidance to provide you with the most comprehensive authoritative up to date information for diagnosing and treating children Form a definitive diagnosis and create the best treatment plans possible with comprehensive coverage of all pediatric cancers including less common tumors as well as all hematologic disorders including newly recognized ones Develop a thorough understanding of the underlying science of diseases through summaries of relevant pathophysiology balanced with clear practical clinical guidance Nathan and Oski's is the only comprehensive product on the market that relates pathophysiology in such depth to hematologic and oncologic diseases affecting children Quickly and effortlessly access the key information you need with the help of a consistent organization from chapter to chapter and from volume to volume Stay at the forefront of your field thanks to new and revised chapters covering topics such as paroxysmal nocturnal hemoglobinuria lysosomal storage diseases childhood genetic predisposition to cancer and oncology informatics Learn about the latest breakthroughs in diagnosis and management making this the most complete guide in pediatric hematology and oncology Discover the latest in focused molecularly targeted therapies derived from the exponential growth of knowledge about basic biology and genetics underlying the field Rely on it anytime anywhere Access the full text images and more at Expert Consult     **The History of Childhood** Lloyd deMause,1995-06-01 from the Foreword Possibly the heartless treatment of children from the practice of infanticide and abandonment through to the neglect the rigors of swaddling the

purposeful starving the beatings the solitary confinement and so on was and is only one aspect of the basic aggressiveness and cruelty of human nature of the inbred disregard of the rights and feelings of others Children being physically unable to resist aggression were the victims of forces over which they had no control and they were abused in many imaginable and some almost unimaginable ways by way of expressing conscious or more commonly unconscious motives of their elders The present volume abounds in evidence of all kinds from all periods and peoples The story is monotonously painful but it is high time that it should be told and that it should be taken into account

**Rethinking Children and Research** Mary Kellett, 2010-04-15 Rethinking Children and Research considers the way people approach research into childhood and children's lives and examines the debates concerning the forms and goals of such research Theoretical and practice based perspectives are discussed in the context of recent key developments in research theory and philosophy of children Mary Kellett promotes the idea that researchers should listen to the voices and perspectives of children as experts on their own lives and offers insights and guidance on approaches to research design implementation and presentation Recent debates and developments are considered including ethics approaching research with children from a child rights framework and rethinking the power dynamic within research relationships with children Rethinking Children and Research is essential for studying childhood and undergraduate or postgraduate level and will be of interest to all involved with research into childhood and children's lives in the areas of education health and social services

**Irish Children's Literature and Culture** Keith O'Sullivan, Valerie Coghlan, 2011-03-17 What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children's literature whatever the parameters in comparison with Ireland's contribution to adult literature in the twentieth century This volume looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with all the major forms and genres Topics include the gothic the speculative picturebooks poetry post colonial discourse identity and ethnicity and globalization Modern Irish children's literature is also contextualized in relation to Irish mythology and earlier writings thereby demonstrating the complexity of this fascinating area The contributors who are leading experts in their fields examine a range of texts in relation to contemporary literary and cultural theory and also in relation to writing for adults thereby inviting a consideration of how well writing for a young audience can compare with writing for an adult one This groundbreaking work is essential reading for all interested in Irish literature childhood and children's literature
