Like a Hammer Shattering Rock Megan McKenna,2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels that we ve stopped listening and integrating their wisdom into our everyday lives Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world While some argue for the development of new gospels for the 21st century McKenna argues that we haven t paid due attention to the ones we already have in many cases we ve ignored sections of these teachings entirely and twisted their meaning to suit our own agendas McKenna breaks it down gospel by gospel and shows us how the lessons of Jesus s apostles continue to resonate

The Jesus Who Never Lived H. Wayne House,2008 Jesus asked no more profound question than this one that He posed to His disciples He asks that same question of you today But how can anyone know for certain who Jesus is when confronted with so many different views of Him Is He the good but powerless Jesus of world religions the less than fully God Jesus of the cults of Christianity the mystical and even sensual Jesus of Hollywood and popular media

500 years **Every Step with Jesus** John Collins,2016-11-28 As followers of Christ we are among those souls walking the steep slope to Calvary with Jesus to his death but to our life At each of the 15 stations we are accompanied by a saint whose thoughts illuminate the way revealing the light filled moment behind the darkness of each moment Some of the saints include St John Paul II St Pio of Pietrelcina St Thomas More St Th r se of Lisieux St Faustina St Teresa of Calcutta Every Step with Jesus is a new and fruitful way to consider the Way of the Cross not just in public display but in our private meditation and reflection Pray through one station per day or week Choose a station to help you focus on a particular need or intention Taking every step of every day with Jesus we become more like him and become more able to take his light out into a darkened world *Issues of New Testament Anti-Judaism* Roger Steven Evans,2008-08-29 Issues of New Testament Anti Judaism brings a fresh analysis to the emerging conflicts between the earliest followers of Jesus of Nazareth and the leaders of the Jewish communities in Palestine and its environs Roger S Evans reveals that embedded in many of the confrontations between Jesus and Jewish leaders is Jesus self identification as the Son of Man It is this self identification that further ignites the already simmering conflicts and the final charge of blasphemy In the book of Acts and in the canonical Epistles we hear the early Christians accusing the Jewish leaders and people of deicide but it is also in these documents that the Christian authors continue to hope for and believe that the Jewish people are still part of God s people Finally Evans reminds readers that according to the authors of the New Testament it was always God s plan to send Jesus to die for the sins of his people and the world This new analysis is intended to inspire both Christians and Jewish people of the twenty first century to reevaluate how they respond to each other **Peter** Robert H. Gundry,2018-11-09 A STUNNING PROVOCATIVE PERSPECTIVE ON THE DISCIPLE PETER AS DEPICTED BY MATTHEW In this highly controversial work on Peter Robert Gundry s intellectual gifts and remarkable powers of analysis are displayed to an even higher degree than in his previous publications One need not agree with Gundry s conclusions to acknowledge that the penetrating exegesis presented here and the nature of the argumentation as a whole demand serious reflection and engagement Those who pay close attention to this brief but unusually weighty book will not be able to read Matthew in quite the same way that they did before MOISES SILVA author of *Biblical Words and Their Meaning* Peter long thought to be prince of the apostles and one of the heroes of the Gospel of Matthew is shown here to be neither This extraordinarily closely argued volume by Robert Gundry offers a compelling case that Matthew constructs the figure of Peter as a failed disciple and an apostate A courageous book that will require scholars to reassess how the Peter of Matthew came to be in Gundry s words airbrushed and turned into a model of disciple and central figure in ecclesiastical memory JOHN S KLOPPENBORG University of Toronto If Bob Gundry is known for anything it is for his dogged pursuit of the meaning of Scripture Here he once again provides fresh penetrating analysis in the present case leading to an unsettling conclusion Provocative as he can often be Gundry is never boring but always instructive and well worth a careful reading DONALD A HAGNER Fuller Theological Seminary ROBERT H GUNDRY is

scholar in residence and professor emeritus of New Testament and Greek at Westmont College Santa Barbara California His other books include A Survey of the New Testament now in its fifth edition Mark A Commentary on His Apology for the Cross and Matthew A Commentary on His Handbook for a Mixed Church under Persecution **The New Isaac** Leroy

Huizenga,2009-09-14 Gospel scholarship has long recognized that Matthean Christology is a rich multifaceted tapestry weaving multifold Old Testament figures together in the person of Jesus It is somewhat strange therefore that scholarship has found little role for the figure of Isaac in the Gospel of Matthew Employing Umberto Eco s theory of the Model Reader as a theoretical basis to ground the phenomenon of Matthean intertextuality this work contends that when read rightly as a coherent narrative in its first century setting with proper attention to both biblical texts and extrabiblical traditions about Isaac the Gospel of Matthew evinces a significant Isaac typology in service of presenting Jesus as new temple and decisive sacrifice **Born Again and Again** Megan K. Westra,2020-08-11

Got salvation What if salvation is not one more thing to acquire but an invitation to radical transformation Christians often turn life and faith into one big quest for the good life We expect to get a good job loving spouse a life of comfort personal satisfaction oh and salvation with a cherry on top Our acquisitive impulses aren t limited to lattes and designer jeans Christians in power throughout history have focused on getting people saved possessing the land and gaining dominance in government But what if Christianity isn t about striving for something more but about renouncing the power and privilege that prevent us from receiving God s abundant life What if we are called not to treat salvation as one more thing to pursue but as an invitation to conform to Christ Born Again and Again is the story of how a religion birthed on the margins of the Roman Empire became functionally the official religion of today s largest military superpower Pastor and blogger Megan K Westra takes on the self serving form of Christianity that has birthed the doctrine of discovery planet killing lifestyles and civil religion She leads readers into an encounter with the Jesus who gave up everything to come to us and invites us to give up everything to come to him Conforming to Christ radically reorients our lives priorities and faith away from the pursuit of our own interests and toward a pattern of discipleship setting us free from fear based consumption and creating new possibilities for connection and belonging within the community of God s people

Matthew Douglas Sean O'Donnell,2013-11-30 Jesus is King Standing as a central theme of the Gospel of Matthew Jesus s kingly authority has profound implications for how we live in the world and interact with those around us In this reader friendly commentary seasoned pastor Doug O Donnell leads us through the first book of the New Testament highlighting key themes and offering helpful illustrations for preaching Drawing on years of pastoral experience O Donnell shows how Matthew s various emphases including Jesus s messianic titles fulfillment of Old Testament prophecy teaching on the kingdom of heaven and present and future role as judge all relate to Christ s kingship Designed to help pastors faithfully preach God s Word this commentary ultimately highlights Matthew s call to all people to worship and obey Jesus our humble King and gracious Savior Part of the Preaching the Word series **The Theology of Amos** Yong

and the New Face of Pentecostal Scholarship Wolfgang Vondey, Martin Mittelstadt, 2013-06-15 In *The Theology of Amos Yong and the New Face of Pentecostal Scholarship* Wolfgang Vondey and Martin William Mittelstadt gather a table of experts on one of the most influential voices in current Pentecostal theology. The authors provide an introduction and critical assessment of Yong's biblical foundations, hermeneutics, epistemology, philosophical presuppositions, trinitarian theology, theology of religions, ecumenical and interfaith relations, theology of disability, engagement with contemporary culture and participation in the theology and science conversation. These diverse topics are pursued through the complementary perspectives that together shape Yong's methodology, pneumatology, pentecostalism, and the possibility of renewal. The contributors invite a more thorough reading of Yong's work and propose a more substantial engagement with the new face of Pentecostal scholarship. Contributors include Andrew Carver, Jacob D. Dodson, Jeff Hittenberger, Mark Mann, Martin William Mittelstadt, L. William Oliverio Jr., David A. Reed, Tony Richie, Christopher A. Stephenson, Steven M. Studebaker, Paraskev, Eve Tibbs, and Wolfgang Vondey.
