Thinking About Jesus John Foster Holman, 2016-01-25 Too many people want to classify Jesus as someone he wasn't Jesus was either the Son of God or a madman There is however more evidence that he was the Son of God than there is evidence

that anyone or anything exists on earth today Jesus made it clear to everyone that accepting him as Savior and Lord was the only way to achieve Gods acceptance He said I am the way the truth and the light No one comes to the Father except through me In his book Thinking about Jesus Gods Attempt to Save Mankind author John F Holman provides evidence that encourages people to think about Jesus and what he did and said while he was on earth With that knowledge in hand individuals are in a position to either accept him as Savior and Lord or realize the consequences God sent Jesus to show us the Way Thinking about Jesus Gods Attempt to Save Mankind shows us that path to God
