Makers of the modern theological mind: Anders Nygren Thor Hall,1978 **Anders Nygren** Thor Hall,1978

Makers of the modern theological mind John P. Newport,1984 *The Study of Science and Religion* Carl Reinhold Brakenhielm,2018-06-06 The main aim of this book is to contribute to the relationship between science and religion This book aims to do constructive theological work out of a particular cultural context The point of departure is contemporary Swedish religion and worldviews One focus is the process of biologization i e how the worldviews of the general public in Sweden are shaped by biological science Is there a gap between Swedes in general and the perceptions of Swedish clergy The answer is based on sociological studies on science and religion in Sweden and the United States Furthermore the book contains a study of Swedish theologians from Nathan S derblom to the present Archbishop Antje Jackel n and their shifting understanding of the relation between science and religion The philosophical aspects of this relation are given special consideration What models of the relation inform the contemporary scholarly discussion Are science and religion in conflict separate or in mutual creative interaction **Encyclopedia of World Biography** ,1988 6 volume supplement numbered 13 18 to McGraw Hill encyclopedia of world biography published in 1973 by McGraw Hill covering people of the 20th century and including a study guide and index vol 16 **Ency Wld Bio 2 V11** . Bourgojn,1997 **Evangelism and Social Concern in the Theology of Carl F. H. Henry** Jerry M. Ireland,2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament s emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic Religious Book Review ,1978 **Monographic Series** Library of Congress, Religious Books and Serials in Print, 1980-1981 ,1980 **Religious Books and Serials in Print 1978-1979** R.R. Bowker Company. Department of Bibliography,1978-11 **Library of Congress Catalogs** Library of Congress,1980 *National Union Catalog* ,1979 Includes entries for maps and atlases **Library Journal** ,1978 **Sweden** Leland B. Sather,Alan Swanson,1987 **Religion in Life** ,1948 Includes section Book reviews Directions ,1979 Gerhard Von Rad James L. Crenshaw,1978 This book introduces a scholar who in this century has surely been one of the world s most influential theologians and it will be useful both for those well acquainted with Gerhard von Rad and for those who do not know his

work It is apparent that Professor Crenshaw is engaged in a fascinating dialogue with von Rad The reader will find a portrait of a unique personality which was in its essence shaped entirely by his intimate study and knowledge of the biblical texts James L Crenshaw has especially investigated von Rad s entire literary corpus with great care With sensitivity he has presented von Rad s methodology and approach as well as his artistic achievement knowing that von Rad s interpretation of Old Testament texts enables one to see them with new insight Thus the author draws his readers into a fresh confrontation with the Old and then the New Testaments In this book one finds a continuation of von Rad s unique gift for making the Old Testament exciting for several generations of university students in all fields students of theology and pastors Foreword
