Big Gifts For Small Groups:

Big Gifts for Small Groups Andy Robinson, 2004 If yours is among the tens of thousands of organizations for whom six and seven figure gifts are unattainable then Andy Robinson's new book *Big Gifts for Small Groups* is just the ticket for you and your board The subtitle *A Board Member's 1 Hour Guide to Securing Gifts of 500 to 5 000* says it all Robinson is the straightest of shooters a sort of John McCain of fundraising There literally isn't one piece of advice in this book that's glib or inauthentic It has all been earned But then again what would you expect from a fellow who first won his stripes as door to door canvasser making 10 000 pitches on 10 000 doorsteps As a result of Robinson's no bull style board members will take immediately to *Big Gifts for Small Groups* confident the author isn't slinging unrealistic bromides They'll learn everything they need to know from this one hour read how to get ready for the campaign who to approach where to find them where to conduct the meeting what to bring with you how to ask how to make it easy for the donor to give what to do once you have the commitment even how to convey your thanks in a memorable way Believing that other books already focus on higher sum gifts the author smartly targets a range that has been neglected 500 to 5 000 Why Here's what Robinson says o They're large enough to justify the time it takes to develop a prospect list prepare a letter follow up with a phone call and visit the prospective donor o They're small enough to include a wide range of prospects o They're both modest enough to seem feasible to the novice but also ambitious enough to make it worth their while o Taken in the context of a major gifts campaign with a team of solicitors working together gifts of 500 to 5 000 can add up to a lot of money Robinson has a penchant for good writing and for using exactly the right example or anecdote to illustrate his point But more importantly he lets his no nonsense personality shine through The result being that by the end of the book your board members just may turn to one another and say Hey we can do this and mean it

Great Boards for Small Groups Andy Robinson, 2006 Yours is a good board but you want it to be better You want clearly defined objectives Meetings with more focus Broader participation in fundraising And more follow through between meetings You want these and a dozen other tangibles and intangibles that will propel your board from good to great Say hello to your guide Andy Robinson who has a real knack for offering forehead slapping solutions Of course Why haven't we been doing this Take what he says about written agreements among board members Any meaningful job description must be reciprocal it defines what is expected of you but also what you can expect in return Example I accept fiduciary responsibility for the organization and will oversee its financial health and integrity By the same token I expect timely accurate and complete financial statements to be distributed at least quarterly one week in advance of the relevant board meeting In other words the board knows what to expect the staff knows what to do Each is accountable Simple right So why does the 10 item sample agreement Robinson provides seem so revolutionary Perhaps because so few people have tried an agreement like this Then there's what the author calls the Fundraising Menu Here board members are asked to generate a list of all the ways direct and indirect they could assist in fundraising The list is prioritized

and then used to help each trustee prepare a personalized fundraising agreement that meets his or her specific needs interests and limitations Again simple but it s the closest thing you ll find to guaranteeing a board s commitment to raising money Toward the end of his book in a number of How to Fix It chapters Robinson homes in on specific problems such as poorly attended meetings spotty follow through on commitments inactive board members narrow consensus conflicts of interest weak agendas and much more And Robinson doesn t offer up easy nostrums Quite the opposite Over the past 20 years as a board member a volunteer and a consultant he s put into practice what he preaches and stands unshakably behind his fog burning advice Great Boards for Small Groups contains 31 brief chapters In fact the whole book can be read in an hour Funny thing though its impact on those who heed its advice will last for years **The Big Book on Small Groups** Jeffrey Arnold,2010-01-04 In this revised edition of his small group guidebook Jeffrey Arnold discusses the basic components and dynamics of small groups and offers training and resources to help you get started in effective small group ministry

Big Gifts For Small Groups Introduction

In the digital age, access to information has become easier than ever before. The ability to download Big Gifts For Small Groups has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Big Gifts For Small Groups has opened up a world of possibilities. Downloading Big Gifts For Small Groups provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Big Gifts For Small Groups has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Big Gifts For Small Groups. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Big Gifts For Small Groups. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Big Gifts For Small Groups, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Big Gifts For Small Groups has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.
