Bill Moyers God And Politics The Battle For The Bible:

Baptists in America Thomas S Kidd, Barry G Hankins, 2015-05-01 Weaving the threads of Baptist history alongside those of American history Thomas S Kidd and Barry Hankins illustrate the remarkable story of how one religious denomination was transformed from persecuted minority into a leading actor on the national stage with profound implications for American society and culture

Pentecostal Currents in American Protestantism Edith Waldvogel Blumhofer, Russell P. Spittler, Grant A. Wacker, Grant Wacker, 1999 Pentecostal Currents in American Protestantism addresses the theme of encounter within the Protestant faith by exploring moments in which identities and boundaries have been established or challenged as the Pentecostal and charismatic movements have taken their place on the American religious scene Examining topics as diverse as the animosity that marked Pentecostalism's encounter with the Holiness movement the forms and results of engagement between Pentecostal missionaries and Protestant mission boards in China and the response of Southern and American Baptists to the charismatic renewal contributors show how the confluence of the mainstream with other streams brings about questioning realignment and change

A Still Small Voice Frederick W. Schmidt, Jr., 1996-02-01 Writing as a seminary trained sociologist Frederick W Schmidt Jr concentrates on the roles of clergywomen in five denominations Episcopal United Methodist Evangelical Lutheran Southern Baptist and Roman Catholic He maintains that behind the facade of equanimity women are often relegated to the outskirts of church hierarchy In compelling stories we learn about the Episcopal woman denied a job because she was too short the Methodist women burdened by the old saw of women preachers being like dogs walking on their hind legs the Evangelical Lutheran who in protest to her denomination's trickle down reform camped outside her bishop's office and Roman Catholic women who frustrated and beleaguered by their church's refusal to ordain them become active reformers To substantiate his assertion that churches are cultures as well as

organizations Schmidt examines both official policies regarding women's ordination in each denomination and the cultural context in which those policies must play out Through their stories the clergywomen remind us that the church influences society whether society acknowledges it or not **Bowker's Complete Video Directory**, 2000 Gopen's Guide to Closed Captioned Video Stuart Gopen, 1993 San Francisco Focus, 1987 *TV Guide*, 2004 **Catalog of Visual Media** Suburban Library System (Burr Ridge, Ill.).
