Modern first editions,Clique Limited, The,1996-12 Upward Mobility and the Common Good Bruce Robbins,2009-12-21 We think we know what upward mobility stories are about virtuous striving justly rewarded or unprincipled social climbing regrettably unpunished Either way these stories seem obviously concerned with the self making of self reliant individuals rather than with any collective interest In Upward Mobility and the Common Good Bruce Robbins completely overturns these assumptions to expose a hidden tradition of erotic social interdependence at the heart of the literary canon Reinterpreting novels by figures such as Balzac Stendhal Charlotte Bront Dickens Dreiser Wells Doctorow and Ishiguro along with a number of films Robbins shows how deeply the material and erotic desires of upwardly mobile characters are intertwined with the aid they receive from some sort of benefactor or mentor In his view Hannibal Lecter of The Silence of the Lambs becomes a key figure of social mobility in our time Robbins argues that passionate and ambiguous relationships like that between Lecter and Clarice Starling carry the upward mobility story far from anyone s simple self interest whether the protagonist s or the mentor s Robbins concludes that upward mobility stories have paradoxically helped American and European society make the transition from an ethic of individual responsibility to one of collective accountability a shift that made the welfare state possible but that also helps account for society s fascination with cases of sexual abuse and harassment by figures of authority **Doctorow: Collected Stories** E.L. Doctorow,2017-01-10 A superb collection of fifteen stories including Wakefield the inspiration for the film starring Bryan Cranston by the author of Ragtime The March The Book of Daniel and Billy Bathgate He has been called a national treasure by George Saunders Doctorow s great topic said Don DeLillo is the reach of American possibility in which plain lives take on the cadences of history This power is apparent everywhere in these stories the bravery and self delusion of people seeking the American dream the geniuses mystics and charlatans who offer people false hope or an actual glimpse of greatness In A House on the Plains a mother has a plan for financial independence which may include murder In Walter John Harmon a man starts a cult using subterfuge and seduction Jolene A Life follows a teenager who escapes her home for Hollywood on a perilous quest for success Heist the account of an Episcopal priest coping with a crisis of faith was expanded into the bestseller City of God The Water Works about the underbelly of 1870s New York grew into a brilliant novel Liner Notes The Songs of Billy Bathgate is a corollary to the renowned novel and includes Doctorow s revisions These fifteen stories written from the 1960s to the early twenty first century and selected revised and placed in order by the author himself shortly before he died in 2015 are a testament to the genius of E L Doctorow Praise for Doctorow Collected Stories Here without the framework of historical context that defines his best known novels we discover a Doctorow equally adept at plumbing the

contemporary American psyche and are reminded of literature's loss following his death. O The Oprah Magazine These tales sketches really wide ranging in time place and circumstances are penned by a modern master What makes Doctorow's historical novels brilliant is their engaging prose smart writerly style unconventional narratives and inventive and entertaining plots Same for these dog eared pre owned stories USA Today Praise for E L Doctorow He has rewarded us these forty five years with a vision of ourselves as a people a vision possessed of what I might call aspirational verve he sees us clearly and tenderly just as we are but also sees past that to what we might at our best become George Saunders Doctorow did not so much write fiction about history as he seemed to occupy history itself He owned it He made it his own Ta Nehisi Coates On every level Doctorow's work is powerful His sensitivity to language is perfectly balanced and complemented by a gigantic vision Jennifer Egan He wrote with such stunning audacity that I can still remember my parents awed dinner table conversation that summer about a novel they were reading called Ragtime that went up to the overgrown wall enclosing the garden of fiction and opened the doorway to history Michael Chabon Doctorow's prose tends to create its own landscape and to become a force that works in opposition to the power of social reality Don DeLillo A writer of dazzling gifts and boundless imaginative energy Joyce Carol Oates The Mirror of parliament, ed. by J.H.
