

|                                                  |                             |
|--------------------------------------------------|-----------------------------|
| End of the worksheet (last cell containing data) | <b>CTRL+END</b>             |
| End of the row                                   | <b>CTRL+right arrow key</b> |
| End of the column                                | <b>CTRL+down arrow key</b>  |

**CELLS:** is defined as the space where a specified row and column intersect. Each **CELL** is assigned a name according to its **COLUMN letter** and **ROW number**.

**FIGURE 2.3**

In the above Figure 2.3 the **CELL** labelled **B3** is highlighted showed by **ARROW 1**. When referencing a cell, you should put the column first and the row second.

## Selecting Cells

In the following section, we will explore the methods of selecting cells within your worksheet. Selecting cells in your worksheet will allow you to make changes such as formatting, moving copying, font changes and erasing.

**FIGURE 2.4: Shortcuts**

|                                    |                                                                                                                                                                                                                          |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| To select a single cell            | Click in that cell                                                                                                                                                                                                       |
| To select a range of cells         | Click in the first cell, drag the mouse to the last cell or click the first cell, press and hold shift, click the last cell in the section (shift-clicking) or hold shift and double click the border of the active cell |
| One cell down                      | down arrow key or <b>ENTER</b>                                                                                                                                                                                           |
| To select an entire row or column  | Click row or column header                                                                                                                                                                                               |

## **13 Excel Training Manual:**

13 Excel Training Manual: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. 13 Excel Training Manual : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. 13 Excel Training Manual : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
