2013 Grade 12 Agriculture Paper:

Agricultural Management Strategies in a Changing Economy Popescu, Gabriel, Jean-Vasile, Andrei, 2015-01-31 Research and development in agriculture is a very relevant topic in today's society especially given the evolution of land ownership structures and resources exploitation. These transformations have paved the way for new approaches in the allocation and management of agricultural systems. Agricultural Management Strategies in a Changing Economy brings together emergent research and best practices in the area of agricultural management policy and structures. Highlighting theoretical concepts and empirical research, this book will be an all-encompassing reference source for professionals, researchers, academicians, practitioners and students in the field of agricultural economics and sustainable development as well as in related disciplines.
