COMMENTARY BY

NICHOLAS HORSFALL

Cornelius Nepos A Selection Including The Lives Of Cato And Atticus

Richard A. Burridge

Cornelius Nepos A Selection Including The Lives Of Cato And Atticus:

Cornelius Nepos Cornelius Nepos, 1989 This book the flagship of the new Clarendon Ancient History Series provides a complete translation of and historical commentary on the most important works of Cornelius Nepos c 99 c 24 B C In addition to Nepos's biographies of Cato and Atticus the book includes the Preface to the foreign generals fragments and the letters of Cornelia

What Are the Gospels? Richard A. Burridge, 2004-08-09 The publication of Richard Burridge's *What Are the Gospels* in 1992 inaugurated a transformation in Gospel studies by overturning the previous consensus about Gospel uniqueness Burridge argued convincingly for an understanding of the Gospels as biographies a ubiquitous genre in the Graeco Roman world To establish this claim Burridge compared each of the four canonical Gospels to the many extant Graeco Roman biographies Drawing on insights from literary theory he demonstrated that the previously widespread view of the Gospels as unique compositions was false Burridge went on to discuss what a properly biographical perspective might mean for Gospel interpretation which was amply demonstrated in the revised second edition reflecting on how his view had become the new consensus This third twenty fifth anniversary edition not only celebrates the continuing influence of *What Are the Gospels* but also features a major new contribution in which Burridge analyzes recent debates and scholarship about the Gospels Burridge both answers his critics and reflects upon the new directions now being taken by those who accept the biographical approach This new edition also features as an appendix a significant article in which he tackles the related problem of the genre of Acts A proven book with lasting staying power *What Are the Gospels* is not only still as relevant and instructive as it was when first published but will also doubtlessly inspire new research and scholarship in the years ahead Provided by publisher

The Collected Papers of J. L. Moles - Volume 2 John Marincola, 2023-05-08 J L Moles 1949 2015 made fundamental contributions to the fields of ancient especially Cynic philosophy Greek and Roman historiography and biography Latin poetry and New Testament studies These two volumes gather together all of his major articles and reviews along with six previously unpublished papers The papers display Moles individual and sometimes iconoclastic approach his impressive range in both Classical and New Testament texts and his unrivalled abilities in close reading This is volume 2

Late Antique Letter Collections Cristiana Sogno, Bradley K. Storin, Edward J. Watts, 2019-11-19 Bringing together an international team of historians classicists and scholars of religion this volume provides the first comprehensive overview of the extant Greek and Latin letter collections of late antiquity ca 300 600 c e Each chapter addresses a major collection of Greek or Latin literary letters introducing the social and textual histories of each collection and examining its assembly publication and transmission Contributions also reveal how collections operated as discrete literary genres with their own conventions and self presentational agendas This book will fundamentally change how people both read these texts and use letters to reconstruct the social history of the fourth fifth and sixth centuries

The Historiography of Late Republican Civil War, 2019-07-29 The Historiography of Late Republican Civil War is part of a burgeoning new trend that focuses on the

great impact of stasis and civil war on Roman society This volume specifically concentrates on the Late Republic a transformative period marked by social and political violence stasis factional strife and civil war Its constitutive chapters closely study developments and discussions concerning the concept of civil war in the late republican and early imperial historiography of the late Republic from L Cornelius Sulla Felix to the Severan dynasty [Handbook of Classical Rhetoric in the Hellenistic Period \(330 B.C.- A.D. 400\)](#) ,2024-01-22 This detailed reference work provides a comprehensive and wide ranging introduction to classical rhetoric as it was practised in the hellenistic period 330 B C A D 400 In three sections it provides a thorough description and analysis of the standard categories of thought terminology and theoretical and historical developments of classical rhetoric as well as providing useful bibliographies The three sections of essays define the major categories of rhetoric analyze rhetorical practice according to genre of writing and treat individual writers in the rhetorical tradition 27 international scholars from a wide range of backgrounds have contributed to this high quality publication which provides an state of the art overview of the current research and will form the basis of future explorations Students of the rhetoric of the New Testament the hellenistic period the classical period and the patristic era will all find this volume useful and insightful as will those with general interests in these subjects This publication has also been published in paperback please click here for details **Author and Audience in Vitruvius' De architectura** Marden Fitzpatrick Nichols,2017-10-26 The first study in English of Vitruvius De architectura to take the work seriously as a literary and cultural product *Handbook of Classical Rhetoric in the Hellenistic Period, 330 B.C. - A.D. 400* Stanley E. Porter,2022-06-13 This detailed reference work provides a comprehensive and wide ranging introduction to classical rhetoric as it was practised in the hellenistic period 330 B C A D 400 In three sections it provides a thorough description and analysis of the standard categories of thought terminology and theoretical and historical developments of classical rhetoric as well as providing useful bibliographies The three sections of essays define the major categories of rhetoric analyze rhetorical practice according to genre of writing and treat individual writers in the rhetorical tradition 27 international scholars from a wide range of backgrounds have contributed to this high quality publication which provides an state of the art overview of the current research and will form the basis of future explorations Students of the rhetoric of the New Testament the hellenistic period the classical period and the patristic era will all find this volume useful and insightful as will those with general interests in these subjects This publication has also been published in hardback no longer available [Ten Years of the Agnes Kirsopp Lake Michels Lectures at Bryn Mawr College](#) Suzanne B. Faris,Lesley E. Lundeen,2006 *Livy's Exemplary History* Jane D. Chaplin,2000-11-02 The idea that it is possible to learn from history is fascinating but also complex What exactly can you learn from the past Does it repeat itself If it does how can you prevent repetition of evil and ensure repetition of good Livy's History of Rome is all about people learning or failing to learn from the past so in many ways his work is an extended exploration of this problem In this book Dr Chaplin starts from Livy's programmatic claim that history offers examples of

good and bad conduct Where previous studies have focused on the meaning of exemplary episodes and characters in isolation this treatment traces the way historical figures try to interpret the past to their advantage In doing so the book demonstrates Livy s awareness of the shifting relevance of history and argues that a narrative organized around exempla allowed Livy poised between the collapse of the Republic and the foundation of the Empire to make the Romans past meaningful for their future

Epitome of the Philippic History of Pompeius Trogus Marcus Junianus Justinus,1997 This volume presents the first authoritative English translation and scholarly commentary on a little known but important ancient historical source the 2nd 3rd century Roman historian Justin s epitome or abridged version of the Philippic History by Pompeius Trogus 27 BC AD 14 This book covers books 11 12 and represents one of the five major sources for historians on the life and times of Alexander the Great

Servilia and her Family Susan Treggiari,2019-01-03 Servilia is often cited as one of the most influential women of the late Roman Republic Though she was a high born patrician her grandfather died disgraced and her controversial father was killed before he could stand for the consulship she herself married twice but both husbands were mediocre Nevertheless her position in the ruling class still afforded her significant social and political power and it is likely that she masterminded the distinguished marriages of her one son Brutus and her three daughters During her second marriage she began an affair with Iulius Caesar which probably lasted for the rest of his life and is further indicative of the force of her charm and her exceptional intelligence The patchiness of the sources means that a full biography is impossible though in suggesting connections between the available evidence and the speculative possibilities open to women of Servilia s status this volume aims to offer an insightful reconstruction of her life and position both as a member of the senatorial nobility and within her extended and nuclear family The best attested period of Servilia s life for which the chief source is Cicero s letters follows the murder of Caesar by her son and her son in law Cassius who were leaders among the crowd of conspirators in the Senate House on the Ides of March in 44 BC We find her energetically working to protect the assassins interests also defending her grandchildren by the Caesarian Lepidus when he was declared a public enemy and his property threatened with confiscation Exploring the role she played during these turbulent years of the late Republic reveals much about the ways in which Romans of both sexes exerted influence and sought to control outcomes as well as about the place of women in high society allowing us to conclude that Servilia wielded her social and political power effectively though with discretion and within conventional limits

Plutarch: Demosthenes and Cicero Plutarch,Andrew Lintott,2013-02-28 Plutarch s Lives of Demosthenes and Cicero are an unusual pair in that they are about orators and not military men With the translations and commentaries Lintott provides a detailed introduction which discusses the context of the texts the author and the philosophy which underlies Plutarch s presentation of the two personalities

Wax Tablets of the Mind Jocelyn Penny Small,2003-09-02 Jocelyn Small s erudite volume represents a timely insight into the topical areas of literacy and memory and provides a controversial and challenging analysis of the cognitive processes and their modes of display and

retrieval *Love, Friendship, and Expediency in Cicero's Letters* Gabriel Evangelou, 2022-03-18 By attacking Epicurean philosophy repeatedly in his public writings Cicero established himself as one of Epicurus most fervent critics The remarks that he makes about Epicureanism in his letters further suggest a genuine conviction that such a philosophy had no place in Roman society This consistency in Cicero's statements has led most scholars to assume that Cicero could not have embraced any of the principles of the Epicurean school This book challenges the conventional view of Cicero as someone who completely rejected Epicurean philosophy even in his private life because of its utilitarian character It argues that his relationship with Pompey Caesar Atticus Quintus Terentia and Tullia encompassed several aspects of Aristotle's account of love and friendship but was nonetheless ultimately based on expediency in accord with Epicurus conception of While Cicero's statements in his public speeches and his letters to men with an active public life have been scrutinised for his lack of candour or for his tendency to exaggerate his achievements the claims found in his letters to Atticus and to his family have not been treated with equal caution as they tend to be taken at face value The book highlights the large number of discrepancies in his remarks and argues that despite his anti Epicurean statements personal benefit played a vital role in all of his relationships *Intellectual Property* Harriet I. Flower, 2025-10-07 The first in depth account of the lives and careers of educated slaves and freedmen in ancient Rome Slaves and freedmen played an important yet understudied role in the literary culture of the Roman Republic Though their work went largely uncredited they fulfilled vital roles as editors researchers and collaborators in the service of Rome's literary and political elite *Intellectual Property* tells the stories of these gifted and highly educated young men from Licinius the flute player who shaped the rhetorical style of the orator Gaius Gracchus to the grammarian and teacher Tyrannio of Amisus who was brought to Rome as a war captive Highlighting the unique social prestige of literary production and intellectual performance in a society pervaded by slave labor Harriet Flower shows how the exorbitant prices paid for the highly educated encouraged a complex system of training young boys for the marketplace or acquiring educated captives as booty and how they were treated as valuable assets to be deployed as prizes gifts or investments that could bestow financial and cultural capital She demonstrates how enslaved and manumitted intellectuals far from being menial workers shared close relationships with leading Romans of the day They came from a variety of backgrounds and were relied on as coauthors and collaborators in a range of genres with some gaining fame as authors themselves With lively case studies and insightful new interpretations of the ancient sources *Intellectual Property* paints a more nuanced picture of enslaved labor in ancient Rome revealing how the contributions of enslaved intellectuals were closely linked to the ambitious development of Latin literary culture and the dissemination of knowledge *Epicurus and the Epicurean Tradition* Jeffrey Fish, Kirk R. Sanders, 2011-05-26 Brings together the work of leading classicists and philosophers in order to show the vitality and development of Epicureanism after Epicurus and especially the dynamic interplay between tradition and innovation *Turia* Josiah Osgood, 2014-06-23 The civil wars that brought down the Roman

Republic were fought on more than battlefields Armed gangs infested the Italian countryside mansions were besieged in the city and bounty hunters searched the streets for public enemies Among the astonishing stories to survive from these years is that of a young woman whose parents were killed on the eve of her wedding in the violence engulfing Italy in the late first century BC While her future husband fought overseas she staved off a run on her father's estate and raised money to help her fianc in exile Further when her husband back in Rome was declared an outlaw she successfully hid him worked for his pardon and joined other Roman women in staging a public protest The wife's tale is known only because her husband had inscribed on large slabs of marble the elaborate eulogy he gave at her funeral In this book Josiah Osgood reconstructs the life of Turia as the wife is commonly known more fully than it has been before by bringing in alongside the eulogy stories of other Roman women who also contributed to their families survival while working to end civil war He shows how the wife's story sheds rare light on the more hidden problems of everyday life for Romans including a high number of childless marriages This unique narrative is more than a biography of one woman it is a portrait of a vivid period in Roman history and a tribute to married love which though from another world speaks to us today

Empire of the Romans John Matthews, 2021-01-20

A wide ranging survey of the history of the Roman Empire from its establishment to decline and beyond Empire of the Romans from Julius Caesar to Justinian provides a sweeping historical survey of the Roman empire Uncommonly expansive in its chronological scope this unique two volume text explores the time period encompassing Julius Caesar's death in 44 BCE to the end of Justinian's reign six centuries later Internationally recognized author and scholar of Roman history John Matthews balances broad historical narrative with discussions of important occurrences in their thematic contexts This integrative approach helps readers learn the timeline of events understand their significance and consider their historical sources Defining the time period in a clear yet not overly restrictive manner the text reflects contemporary trends in the study of social cultural and literary themes Chapters examine key points in the development of the Roman Empire including the establishment of empire under Augustus Pax Romana and the Antonine Age the reforms of Diocletian and Constantine and the fall of the Western Roman Empire Discussions of the Justinianic Age the emergence of Byzantium and the post Roman West help readers understand the later Roman world and its impact on the subsequent history of Europe Written to be used as standalone resource or in conjunction with its companion Volume II Selective Anthology this innovative textbook Combines accessible narrative exposition with thorough examination of historical source material Provides well rounded coverage of Roman economy society law and literary and philosophical culture Offers content taken from the author's respected Roman Empire survey courses at Yale and Oxford University Includes illustrations maps and plans and chapter by chapter bibliographical essays Empire of the Romans from Julius Caesar to Justinian is a valuable text for survey courses in Roman history as well as general readers interested in the 600 year time frame of the empire

Rome, the Greek World, and the East Fergus Millar, 2003-01-14 Fergus Millar is one of the most influential contemporary historians of the ancient world His

essays and books including *The Emperor in the Roman World* and *The Roman Near East* have enriched our understanding of the Greco Roman world in fundamental ways In his writings Millar has made the inhabitants of the Roman Empire central to our conception of how the empire functioned He also has shown how and why Rabbinic Judaism Christianity and Islam evolved from within the wider cultural context of the Greco Roman world Opening this collection of sixteen essays is a new contribution by Millar in which he defends the continuing significance of the study of Classics and argues for expanding the definition of what constitutes that field In this volume he also questions the dominant scholarly interpretation of politics in the Roman Republic arguing that the Roman people not the Senate were the sovereign power in Republican Rome In so doing he sheds new light on the establishment of a new regime by the first Roman emperor Caesar Augustus

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Cornelius Nepos A Selection Including The Lives Of Cato And Atticus**

In a global inundated with monitors and the cacophony of quick transmission, the profound energy and mental resonance of verbal art often diminish in to obscurity, eclipsed by the regular onslaught of sound and distractions.
